Salvation Army Bell Ringers Needed in Dwight

With the holiday season just around the corner, it’s time to think about how you can help those who are less fortunate than yourself. One way area residents can help is by donating an hour or two to ring the Salvation Army bell.

Last year, more than \$4,000 was raised in Dwight in the four weeks preceding Christmas. This year, the Salvation Army has set a goal of \$6,000. The money raised in Dwight stays in Dwight and helps families in their times of need.

Salvation Army bell ringing will take place at three locations this year: Berkot’s Super Foods on Waupansie

MAKING SENSE OF INVESTING

FINANCIAL FOCUS What Should You Do with 401(k) after a Layoff?

As you’re no doubt aware, the long and deep recession has resulted in the highest unemployment rate in decades. But if you’ve been laid off, or if you fear a layoff may soon be coming, you’re less interested in statistics than in your immediate financial future. How will you get by until you land a new job?

This is a scary question, of course. And it can cause you to look at all your available financial resources – including your 401(k), which may well be the largest single financial resource you have.

But before you cash out your 401(k), make sure you understand what’s involved. Your former employer is required to withhold 20% of your account balance to prepay federal taxes. Also, all your 401(k) proceeds will be taxed as ordinary income. And if you’re under age 59½ when you liquidate your 401(k), you may also be subject to a 10 percent penalty. And worst of all, the money may not be available to you when you retire.

Obviously, if you have no other financial resources, you may have no choice but to tap into your 401(k) plan.

However, if you can find an alternative way to tide yourself over until you’re working again, you may be better off in the long run by not cashing in your plan.

If you decide against the “cash-out” option, what can you do with your 401(k)? Here are two possibilities:

- Keep the money in your former employer’s plan. If your former employer permits it, you may be able to leave your money in your 401(k). You won’t have to pay any immediate taxes, and your money can continue to grow tax deferred. But you may no longer be able to add funds to your account.
- Roll your money over to an IRA. If you roll over your 401(k) assets to an IRA, you’ll avoid paying immediate taxes, and your money can continue to grow tax deferred. Furthermore, you can fund your IRA with many types of investments, as opposed to a 401(k), which may offer only a handful of choices. And when you can afford it, you can make additional contributions to your IRA. Also, when you retire, you may find that an IRA gives you more flexibility in making withdrawals than a 401(k).

While there are some clear benefits to keeping your 401(k) with your former employer or moving it to an IRA, neither choice helps you answer the question of how you’ll make it, financially speaking, until you’re working again. If you’ve built up a cash cushion in the preceding years, you can turn to it now, of course. And if you’ve created an investment portfolio outside your 401(k), take a close look at it. You can consider adjusting your investment mix to add more income-producing investments, if appropriate. Keep in mind that your portfolio should reflect your risk tolerance, long-term goals and time horizon.

A layoff is never easy – and it can force you to make some tough choices. But if you can help protect your 401(k) today, you’ll be helping yourself tomorrow.

Gardner Beautification Corner

by Barb Phillips
Beautification Committee

Our committee held its third Halloween party at a third location. We appreciate the staff at Gardner Grade School, who graciously let us use their cafeteria to serve food and the new gym to have costume judging, as well as the village board commissioners, who voted to pay for the food expenses. We appreciate our judges – it sounds like a fun little job, but it ends up being very difficult to decide who to give the prize to and who not when there are so many cute and excited kids waiting to hear if they won a prize! There were certainly a lot of great costumes, and everyone had fun. Jennifer Olson also assisted in the kitchen,

and members of the fire department fixed s'mores.

But as soon as Halloween is over, it seems like there are only a few weekends before we start preparing for the holidays. We have started checking out our decorations for the gazebo and tree and will be working on November 14 and 21 decorating downtown Gardner, weather permitting. If you can help, please come to the gazebo between 9 a.m. and noon. We can use you. Our annual Christmas tree lighting ceremony will be Sunday, November 29, at 5 p.m.

Thanks to a donation of cement planter containers from Fatlan Trucking, our committee has placed two new planters at the Veterans War Memorial by the jail in time for the Veterans Day Service November 11.

Prairie Creek Keeps Patrons Entertained and Informed – – –

(continued from page 1) places such as knitting circles or libraries, Glatz said. In the movies section, popular picks are British murder mysteries such as the “Foyle’s War” and “Mid-somer Murder” series.

Prairie Creek often hosts programs for adults and children. During the week of November 17, the library will host the Frederick Remington Traveling Art Exhibit, featuring images of cowboys and the Old West. Other upcoming library exhibits will include Ellis Island and the paintings of impressionist Claude Monet. In February, art classes for children will begin, funded by a grant the library received.

The library also offers computers for accessing the Internet. Anyone with a Prairie Creek Public Library card can use the computers for a half hour for free and one dollar for each additional half hour. Non-cardholders also pay a dollar for the first half hour. Fax and copy machines are also available for use for a fee. Upstairs, a meeting room with a capacity of 41 people is available for group use; two weeks’ notice must be given to use the meeting room, Glatz said.

The first floor of the library contains several chairs and even a leather

couch so patrons can relax and read. The second floor, which was renovated and opened in 2002, includes the meeting room and the children’s section, which contains lower shelves, child-sized furniture and a children’s reading area that looks like a small gazebo with cushions inside. Glatz said Prairie Creek’s staff of eight tries to keep the library “warm and inviting.” The building itself was erected in 1896 as the carriage house for the Oughton Estate; the library has been housed there since moving from Prairie Avenue in 1990.

Although the old card catalog still sits in the library for nostalgia’s sake, Prairie Creek’s catalog is now entirely computerized. People can access the catalog from any computer with Internet access by going to www.prairiecreeklibrary.org and clicking on the OPAC link under “search” at the top of the main page. Through OPAC, cardholders can enter their library card number and password (last name) to check due dates or place a hold on a book or reserve a checked-out copy.

Anyone living within the Dwight school district can get a Prairie Creek Public Library card (children age six or older with a parent present can receive a card). You must provide a photo

ID, a phone number and two pieces of mail with your name and current address. Anyone outside of the Dwight school district can obtain a card for \$73.

“I really think it’s a good value for your money, because if you come up to the front desk with three books and two movies, that’s over \$73 (if the items had

been purchased new),” Glatz said.

Prairie Creek Public Library is open Monday through Thursday, 10 a.m. to 8 p.m.; Friday 10 a.m. to 5 p.m.; and Saturday, 10 a.m. to 3 p.m. For more information, call the library at 815-584-3061 or visit www.prairiecreeklibrary.org

Wind Farm Testing, New Building Underway

(continued from page 1) Paul Copleman. “All of the turbines are feeding real time information to both the headquarters in Portland, Ore., and the operations building onsite. They’re able to start and stop turbines remotely and they’re able to perform diagnostic checks on turbines remotely.”

Copleman did not know when construction on the building may begin or when it may conclude.

Upon completion, half of the turbines will have lights on top that will blink white during the day and red at night to warn aircraft of the tall towers, in accordance to FAA regulations.

BEGINNING PHASES of construction have begun on a building to be used by the full-time windfarm personnel. Upon completion the permanent on-site staff will be able to monitor the windfarms all the time. By next summer there will be a total of 150 windfarms that will make up the Streator Cayuga Ridge South project between Odell and Emington.

Ronald Wilder’s Bombing Missions Retold in Article

The following article was published in the *Dwight Star & Herald* during World War II and was headlined “T-Sgt. Ronald Wilder Braves Dangers on Bomber Mission.” Ronald Wilder is currently a Dwight resident.

15th AAF in Italy – Cranking open the bombay doors of his heavy bomber, flying on a mission about 25,000 feet above heavily defended oil refineries at Munich, Germany, July 19, 1944, highlighted 50 combat missions flown by Tech. Sergeant Ronald Wilder, 21, brother of Mrs. Olivia Christiansen of Dwight.

Wilder is radio operator-gunner on an Italy-based 15th AAF B-17 Flying Fortress. He flew his 50th daylight bombing mission in the Mediterranean theatre, Nov. 20, when his group attacked an oil refinery at Vienna, Austria.

Sergeant Wilder’s Fortress was on the bomb run over Munich, July 19, when he was notified by the bombardier through interphone communication that the bombay doors would not open electrically. Wilder immediately left the radio room, made his way onto the

narrow catwalk on either side of which the bombs were racked, and passed to the front of the bombay, where the hand crank is located.

Mechanically he cranked open the bombay doors and waited at his posititon until the bombardier had released on the target. Outside flak was heavy and accurately tracking the big bomber.

After “bombs away,” Wilder made his way back to the radio room, where he discovered the oxygen system was inoperative. While working over it, he passed out from lack of oxygen and was revived by the right waist gunner. On the trip home, Wilder breathed with difficulty from a portable oxygen bottle.

He flew his first mission July 9 over the heavily defended, German controlled oil refineries at Ploesti, Romania, and saw his first enemy fighter over an airfield at Memmingen, Germany July 17, when Messerschmitt-109s riding outside his formation peeled off at the group behind.

Sgt. Wilder participated in the invasion of Southern France, August 15, 1944. While Allied troops were

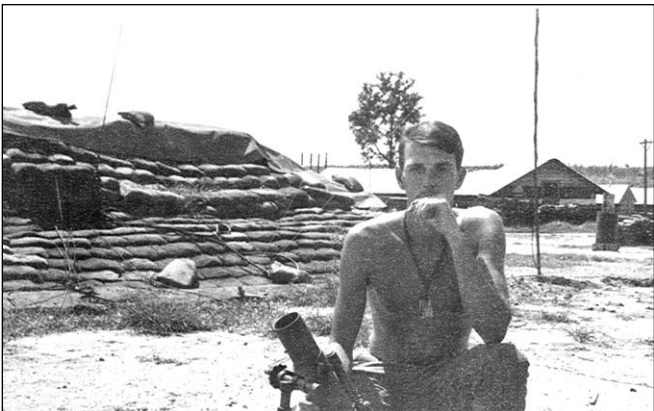

Sgt. Ronald Wilder during World War II

storming beaches along the Riviera, his group flew inland and knocked out an important bridge on the Rhine River over which German infantry was retreating. Heavy flak badly damaged his aircraft but didn’t touch Wilder, who was sitting in the radio room watch-

ing through the open bombay as the bridge was destroyed.

Sergeant Wilder enlisted in the AAF July 3, 1942; attended radio school at Scott Field; and received his aerial gunnery wings January 7, 1943, at Harlingen, Texas.

He attained the rank of sergeant and was a squad leader in a mortar platoon. He was stationed at several places in the Central

Master Sgt. Munger Brings Musical Talent to Marine Band

Master Sgt. Mark Munger

Master Sergeant Mark Munger, band master of the 2nd Marine Division Band, Camp Lejeune, NC, has been in the Marine Corps for 23 years. He is a graduate of Dwight Township High School and former Dwight resident.

He has been stationed at Cherry Point, NC; Okinawa, Japan; 29 Palms, CA; Armed

Forces School of Music, Norfolk, VA; Albany, GA; and Camp Lejeune, NC.

Munger was quoted in the Albany, GA *Emblem* newspaper on May 3, 2007, stating, “I have two things that have always been near and dear to my heart in doing this. It is always special to me playing the national anthem for morning colors, to see the flag going up the flagpole, waving in the wind. You can never do that too many times.”

Second, Munger said, “In all of the parades I’ve done, from World War II vets and Korean vets, you see the hats come off their heads and they stand up even though it’s difficult for them to do so and you see the tears in their

eyes.

“In 1988, I was with the Air Wing Band from Cherry Point, NC, and we came to Dwight to participate in the Harvest Days Parade. The band stayed in various families’ homes in Dwight. I think mom and dad had eight of us, and what fun having the band relax on that big front porch. The ladies of the Methodist Church fed us. What a weekend! I was proud of my hometown.”

Master Sgt. Munger has held many jobs during his 23 years in the Marines: trombone player, section leader, small ensemble leader, jazz band, playing in small ensembles, administrative duties, narrator for concerts, marching parades and directing the Albany Marine Corps Logistic Base Band in the absence of its warrant officer.

Munger holds a Bachelor of Science degree in business management and a Master’s degree in business.

“Being a band master provides me with the opportunity to teach and mentor today’s young Marine musicians,” Munger said. “I enjoy getting to know each of the Marines to find out how I can best serve them to make them as successful as possible and to help them achieve their individual goals.”

Munger is the son of Dave and Marilyn Munger of Dwight. He is married to Judy and the couple has three children: Abby, Jena and Carson. They reside in Jacksonville, NC.

Master Sgt. Munger will retire from the Corps in August 2011.

OPERATION S.O.S. (Support Our Soliders) received a \$1,000 donation from the Pamida Foundation during the grand opening of the new Dwight Pamida October 30. Operation S.O.S. then spent the money at Pamida, using it to purchase gifts for Christmas boxes for soldiers. Accepting the donation on behalf of Operation S.O.S. (left to right) are Annette Riegel, Lori Fraher, Marcia Drach and Carol Dippon, with Pamida Store Team Leader Connie Buberle and Assistant Store Team Leader Amy Koehn.

Pamida Partners Raise \$1.351 Million for Pamida Communities

Pamida executives were overwhelmed by the support of their supplier partners during the 2009 annual Pamida Foundation Event. Their partners contributed an amazing \$1.351 million – exceeding the amount raised at the 2008 event. The charity event was held in Omaha, NE, and funds raised will

directly support non-profit organizations in Pamida communities.

Since its inception, the event has raised more than \$7 million through vendor donations and participation.

More than 75 percent of the proceeds raised by the annual foundation event will directly benefit the commu-

nities that Pamida serves.

Overall, The Pamida Foundation supports more than 800 charitable organizations that focus on education, health and social services. In 2008, the foundation donated more than \$700,000 to these organizations to better the lives of citizens in their communities.

NOVA SOUTHEASTERN UNIVERSITY VOLLEYBALL

November 4
The NSU Sharks volleyball team is the sixth recipient of the newly created Volleyball Market/AVCA Play of the Week. NSU earned the honor after defeating four other semifinalists: University of Hawaii, University of North Carolina at Asheville, University of South Florida and West Windsor-Plainsboro South High School, during a week-long voting period.

The winning play came during a match-up with Eckerd College, October 23. The 41-second rally is highlighted by a heads up play

from freshman middle blocker and Dwight native Carly Perschnick. After an attack from Eckerd, NSU's defensive specialist digs the ball, and Perschnick realizes the setter isn't going to make it to the ball, so she sticks her leg out and lightly kicks it, sending it over to Eckerd's side. The play continues until the Sharks are able to shut down Eckerd earning the final point of the match's first set.

The Sharks will now be eligible to win the Volleyball Market/AVCA Play of the Year to be announced December 18.

Booth Sinks 3-Pointer Week 8 Paper Bowl VIII

Dwight's LaDonna Booth enjoys playing our game. She has just as much fun teasing other Paper Bowl swamis as she does prognosticating the games. She does fairly well at both. Booth was our very first perfect swami way back in Paper Bowl II. That's right about the time she discovered the joy of talking smack. Just ask her husband Dan, Bob Gram, Larry Davis and countless other swamis.

Booth tied Dwight's Earline Landers in week 8 with an 11-3 record. Only three tiebreaker points separated the two. Booth guessed 598 (-52) and Landers guessed 595 (-55). Last week the winner was decided by only one tiebreaker point.

One hundred and twenty-four entries were collected in week eight. Thirteen swamis were 10-4. They were Dwight's Jim Bovel, Bill Martin, Dana Taylor, Lee Dixon, Casey Dippon, Keith "Cub #2" Lauritzen and Jerry Coleman, Odell's Terrence Schook, Bloomington's Sara Lauritzen, Morris' Zackary Landers (2x), Herscher's Gerald Schneider and Pekin's Wayne Whitley. Twenty-seven entries were 9-5; 35 entries were 8-6 and the remaining picks were .500 or below.

You have two more chances to win *The Paper's* \$25 sponsor gift certificate. After that, you will have to settle with a \$50 sponsor gift certificate. That's rough, we know. Enter this week three

DTHS spikers finish season strong, fall short in sectional

by Sara Peters
sjhpeters2@gmail.com

The Dwight Lady Trojan volleyball team concluded its season last week with a loss in the sectional championship to the Tri-Valley Vikings.

The team rallied late in both the season and the class 1A Woodland sectional finals, finishing with a respectable 19-13-1 record.

Given the slow start to the season, Head Coach Coreen Perschnick was more than happy the team advanced to the sectional championship, saying the girls fought back late against Tri-Valley (27-2) to end with scores of 25-16 and 25-23.

“In the beginning (of the season) we started out 0-9 and that was not what I expected, not what the girls were looking at,” Perschnick said. “We started to force it. We wanted to win so bad that we were forcing the ball and we were making errors. We took teams to three games, but we just couldn’t get that win.”

A combination of factors fueled the early losses, including illness and nerves, Perschnick said.

“We were still in games, so I think after we got everyone healthy and playing and we got that win and then everybody just kind of relaxed and played that role,” she said.

The team broke the streak with a victory over Reed Custer, going 19-4-1 after that.

“They started clicking,” she said. “We did have a very successful season. We just had a slow start.”

DTHS LADY TROJAN Kolby Hoffman, right, spikes at a Tri-Valley blocker during Sectionals November 5.

The team, ranked first for its regional, had a bye the first round and then faced Woodland, taking three games to defeat them.

“Woodland took us to three games which was uncharacteristic in our play,” Perschnick said. “We had to clean up our play after that.”

The team refocused, concentrating on one game at a time in the post season.

“I told the girls this is where teams 0-22 upset teams 22-0 because it’s the end and people see it that way,” she said.

The Lady Trojans appeared in the sectional in 2006, and won the sectional last year.

Among the highlights of the season for Perschnick was watching the team’s youngest players – sophomores Claire Elsey and Kate Pfeifer, and juniors Jill Murphy, Kaitlynn Colebank, Haley Gaston and Lindie McCarthy – step up and grow into their roles as varsity players.

“They all had a role to play as first year on varsity and for them to step it up and learn new strategy – seeing those guys learning the game and putting what they learned into motion was a lot of fun to watch,” Perschnick said.

The team bids farewell to four seniors this year: middle hitters Chaney Tambling and Gracyn Leskanich, outside hitter Kolby Hoffman and defensive specialist Sidney “Siddah” Kropfle.

Both Hoffman and Tambling were named I-8 all-conference.

The team participated in several team-building experiences throughout the season, starting with a trip to a water park, a trip to watch a University of Illinois volleyball game, and breakfast before regionals followed by pizza and a trip to the haunted house.

“This is just high school. Instead of everything being all about volleyball, I just like to have it be more in the experiences,” Perschnick said. “It helps everyone feel like they belong. Everyone can participate in the extra stuff, no matter how much they’re on the court.”

Beyond that, the Lady Trojans raised \$2,000 for breast cancer awareness at the first annual Volley for the Cure event, and notched a victory against Seneca the same evening.

“Overall, I’m very, very happy and I’m very, very proud of the team,” Perschnick said. “We did have a slow start and it would have been easy to say OK, we’re just going to accept it, and these guys said ‘we’re not going to accept it.’”

GLCEDC Approves Grant Programs and Starts Blog

On October 26, the Executive Committee of the Greater Livingston County Economic Development Council approved two matching grant programs to be funded by the Livingston County Board's grant of \$500,000.

The Commercial Building Improvement Grant (CBIG) is designed to entice property owners to make

improvements to existing structures that will remove obstacles for new businesses seeking to locate in the structure. The goal is to improve the commercial building stock in the county so that new businesses can more easily be recruited to the area. The county wants to be able to offer new businesses numerous buildings that are in "move-in" condition.

The Community Development Infrastructure Grant (CDIG) is a matching grant given directly to municipalities for economic development purposes. Municipalities apply directly for the grant, and the funds can be used for infrastructure improvements, property acquisition and other projects related to economic development. The grants cannot be used for tax-exempt purposes or for public services.

In addition, GLCEDC

staff and executive committee are in the process of developing a revolving loan fund with the majority of funds given to the GLCEDC by the county board. The program should be in place in the coming weeks. More details about the grants and forthcoming loan program as well as grant applications can be found at the GLCEDC website:

www.glcdec.org

In other GLCEDC news, Carey Weisner of RKO Saw in Cullom was approved to fill a vacancy on the GLCEDC Executive Committee.

The GLCEDC blog has recently been launched. The goal of the blog is to provide information about GLCEDC activities as well as useful information to Livingston County business owners and residents. The blog can be accessed from the GLCEDC homepage: www.glcdec.org

Red Ribbon Week at DGS Sends Message to be Drug-free

Red Ribbon Week took place October 26 through 29 at Dwight Grade School. The theme was "Keep Your Head in the Game - Be Drug Free."

To kick off the week, the fourth- through eighth-graders watched a powerful video presentation on making good choices. Each day of the week, students had a different dress-up theme, including hat day, pajama day, team jersey day and red day. The student council also made dress-up drawing slips and cut out strips of construction paper for the junior high students to make a paper chain with a drug-free message.

Dwight Police Officer Gary Beier helped with expenses of the CAMFEL video assembly, donated DQ gift cards and provided "drug-free" - messaged T-shirts for teachers to wear on Thursday.

Beth Goodwin, chairman of this year's Red Ribbon Week at DGS, provided the following message to help parents keep their kids drug-

DGS STUDENTS Emily Soto, Libby Beyer, Skylar Gamble, Megan Charlton and Bailey Zeedyk wore hats Monday, October 26, in celebration of Red Ribbon Week.

free: "Be involved with your children through their high school years. Bring back the family dinner hour around the table. Parents, communicate daily with your child, care about what they are doing, who they are with, and hold them to the time you expect them home. Hug and show your love to your children every day."

A PAPER CHAIN constructed by DGS Student Council members draped drug-free messages from sixth-graders through the halls of the school during Red Ribbon Week, October 26-29.

Braceville Elementary Raises \$490 for Food Pantry

Braceville Elementary School's Student Council sponsored a penny drive during October to raise money for the Braceville Food Pantry.

The students raised more than \$490 to be donated to the food pantry. The eighth grade class raised the most money and won a pizza party sponsored by the student council.

The penny drive was a success because of the students, staff and family members who brought in money.

LIVINGSTON COUNTY REAL ESTATE ASSESSMENTS FOR 2009

The following is a list of the individual assessment changes made for the 2009 assessment year published in accordance with 35 ILCS 200/12-10. This list consists of the parcel number, the name of the taxpayer, in alphabetical order, the assessed value of the improvements(buildings) on the property, and the total assessed value, as listed on the records in the Supervisor of Assessment Office on the date that this publication was printed. To determine the land assessed value, subtract the improvement assessed value from the total assessed value.

Prior to the publication list for each township, there is a brief statement indicating the median level of assessment for that township (on all townships that have a multiplier that is more or less than one). The applicable township multiplier for that township is also contained in the statement. The level of assessment is based on a three year assessment to sales ratio study (2006, 2007, and 2008). The multiplier is applied to all residential, commercial, industrial, farm home sites, and farm homes. The assessed value on the publication list and on your notices of assessment change should be divided by .3333 to determine the market value. The results should indicate the market value of your property as of January 1, 2009, unless the property has been added to since January 1, 2009. If the notice that you received indicates an assessed value of \$35,000, the market value is determined by dividing 35,000 by .3333, or a market value of \$105,010.

If the taxpayer does not receive a notice of assessment change, the applicable township multiplier listed for that township will be applied to the residential, commercial, industrial, farm homes, and farm home site for the 2009 assessment year. This results in the assessed value for the 2009 assessment year prior to the removal of any applicable exemptions and the calculation of the tax bill.

If the resulting market value determined is more than the estimated market value, the property may be over assessed. If the result determined is less than the estimated market value, the property may be under assessed. Taxpayers who consider their property to be incorrectly assessed can file a complaint in writing to the Livingston County Board of Review according to ILCS 200/16-55 Forms for filing a complaint are available in the office of Supervisor of Assessments located at 110 W Water Street, Suite 2, Pontiac, IL 61764 or online at www.livingston.illinoisassessors.com and clicking on links.

Those planning to file a complaint with the Board of Review should be prepared to list at least three comparable properties to support their claim to value and provide any additional information available. Complaints must be filed within 30 days of the date of this publication with the Livingston County Board of Review in the Office of Supervisor of Assessments during regular business days The last day to file a complaint with the Board of Review is December 10, 2009.

Farmland assessed value in Livingston County increased based on the 2009 certified crop land by the State Technical Advisory Committee. According to the assessed values, as certified for 2009, crop land assessed values will increase by 10% per productivity index.

The median level of assessments for Dwight Township for the 2009 assessment year (as determined by the most recent 3 year level of assessment to sales ratio study for sales that occurred in 2006, 2007, and 2008 as adjusted) is 31.94%. A multiplier of 1.044 has been applied to the notice of assessment change and publication list for said township. The multiplier has been applied to the land/lot and building assessment for the 2009 assessment year. If you did not receive a notice of assessment change, the only change in the assessed value for the 2009 assessment year was the application of the township multiplier.

The History of the Dwight Rotary Club

In 1938, the Rotary Club of Dwight was organized and sponsored by the Rotary Club of Streator. The club number, 4717, was derived by the two state routes that pass through Dwight. The first elected officers were President Laurie L. Stitzer; Vice President Lloyd W. Bush; and Secretary and Treasurer Dr. S. E. Graham.

The club received its charter at a meeting held September 21, 1938, at the Dwight High School gymnasium. Dave Walker, governor of the 147th District, presented the charter. About 300 Rotarians from 20 towns in the Dwight area participated in the meeting.

The Rotary Club sponsored the organization of the Dwight Community Chest, for which there was an urgent necessity at that time; took an active part in equipping Renfrew Park with recreational facilities; cooperated with the village board in erecting the names of streets at the intersections of all streets; and took part in the establishment of the off-street parking on both sides of the railroad right-of-way. In addition, the club placed in front of the post office a curbstome mailbox; and revived the Boy Scout movement in Dwight and sponsored the organization for years until it was a sound foundation.

The Dwight Rotary Club is celebrating its 72nd birthday this year. The club currently has 11 members, with Dale Adams as president and Randy Provence, secretary/treasurer. The club sponsors, along with R.R. Donnelley and Joliet Junior College, a two-year scholarship to JJC. It also recognizes Dwight High School seniors who enter the military with a Patriot Award that includes a plaque and a \$100 honorarium. The club's major fund-raiser is the Dwight Harvest Days Flea Market, which brings more than 70 vendors from Illinois, Wisconsin and Indiana to Dwight during the third weekend in September.

Rotary is a service organization that was established in Chicago more than 100 years ago by four businessmen looking for a way to have fellowship and give back to their community. Today, Rotary can be found on all continents and almost every country. Internationally, Rotary Club is partially responsible for the eradication of polio in the world and helping third-world countries create sanitary drinking water, solar ovens for villages to bake bread without depleting the country's forests, and providing medical and dental care to areas that do not have those types of services.

Dwight Rotary Club Holds Summer Steak Fries

During the warmer weather, from May to September, the first Wednesday of each month is designated as the Dwight Rotary Club's steak fry. On these days, there is not a meeting during the noon hour; instead, a shelter is reserved at Renfrew Park for

a potluck dinner at 6:30 p.m. The club provides the steaks as part of the meal charge. Each member and spouse bring a covered dish and their own table settings for the meal. The week before the steak fry, an order is placed for the steaks at the local grocery store.

The Four-Way Test

Of the things we think, say or do...

1. Is it the TRUTH?
2. Is it FAIR to all concerned?
3. Will it build GOODWILL and BETTER FRIENDSHIPS?
4. Will it be BENEFICIAL to all concerned?

Rotary International is a volunteer organization of business and professional leaders who provide humanitarian service, and help to build goodwill and peace in the world.
