RANDOM ACTS OF KINDNESS WEEK was recently celebrated by students at MVK Middle School in Mazon. RAK takes place the week of February 14 each year, and is a time when all are encouraged to incorporate kindness into their daily lives. Students and staff at MVK participated in thematic dress-up attire each day, teachers incorporated kindness-themed lessons into the weekly curriculum, and each grade-level contributed to the community in some way. Activities included a Reading Buddies partnership, where the school's oldest students were paired with its youngest; Valentines were written and delivered to area nursing home residents; a poster contest was held; donations were given to both a clean water charity and The Ronald McDonald House; and students joined Coal City's "Team Megan." Another activity included forming the work "KIND" on the gymnasium floor. Visit www.randomactsofkindness.org for more information about RAK week.

Dwight Takes Next Step Towards New Pool

Animal Rescue Commendations Received

by Madelyn Fogarty

The Dwight Village Board of Trustees has approved an Administration Committee recommendation to take the next step towards replacement of its 38 year old Robert Stevenson Memorial Swimming Pool.

Proposals from the designated Pool Committee were presented for consideration to the Village's Administration Committee on February 12.

Totally new construction of a 7,842 square foot, 410 person capacity, swim facility/aqua center with all new

DURING THE DWIGHT Village Council meeting February 23, Livingston County Sheriff Tony Childress commended those involved in the safe capture and subsequent adoption of a stray dog in Dwight. Recognized were Heather Harms of Dwight, right photo, who assisted with the reporting and capture of the dog, and Kathryn Miller of Odell, who adopted the rescued dog, Annabelle.

In the bottom photo are Livingston County Animal Control Officer Tom Hardyman; Dwight Police Chief Tim Henson, who was also commended; and Sheriff Tony Childress. Also receiving recognition for efforts that led to the safe capture and rescue of the animal were Timothy Harms of Dwight, Berkot's Foods, and the Livingston County Humane Society.

amenities, increased capacity, and added features such as a zero depth entrance and larger scale water slide is estimated at \$4.11 million with a life expectancy of 40 – 50 years.

Present at the February 23 Village Board meeting were several members of the Pool Committee including Dr. Lou Cronin who called the project "vital" to the future of Dwight and told the board that building a quality entertainment center such as an aqua center would attract people to the community.

"This is a great project to

pull the whole community together," said Cronin. "We think Dwight can do it."

The Village will move forward with looking at funding options. Should the pool concept come to fruition, the committee's timeline proposes breaking ground for the new facility in late August of this year, with the new aqua center opening the end of May 2016.

In another matter, Livingston County Sheriff Tony Childress was on hand to commend those involved (continued on page 3)

Member SIPC **How Should You Respond to Higher Interest Rates?**

If the Federal Reserve (Fed) raises short-term interest rates this year, as many financial professionals predict, what will it mean to you? As a consumer, you might experience the "ripple" effects if long-term interest rates eventually follow suit, affecting mortgages and other loans. But as an investor, you might quickly feel the impact of a move by the Fed — especially if you own bonds.

In fact, the value of your existing bonds might drop noticeably if interest rates were to rise. That's because no one will give you full price for your lower-paying bonds when new bonds are being issued at a higher interest rate. So if you want to sell your bonds, you might have to take a loss on them.

Of course, if you were always planning to hold your bonds until maturity, you might not be overly concerned with falling prices. Assuming your bond issuers don't default — and defaults are rare among "investment grade" bonds — you will continue collecting regular interest payments until your bonds mature, at which point they will be redeemed at full face value. Furthermore, just owning bonds can help you diversify your portfolio, which might otherwise be dominated by stocks and therefore be susceptible to big swings in value. (While diversification can help reduce the effects of volatility, it can't guarantee a profit or protect against loss.)

However, it's still useful to be aware of the effects of rising interest rates on bonds of different maturities. Typically, when rates rise, long-term bonds will fall in value more than short-term bonds. So if you only owned long-term bonds, your portfolio could take a bigger hit than if you owned both short- and longterm bonds. Again, this might not be a big issue if you intend to hold bonds until they mature — but if your plans change, a drop in value in your bond holdings could be cause for concern. Furthermore, if you just owned long-term bonds, your money would be tied up, thereby not allowing you to take advantage of newly issued, higher-paying bonds.

You can help protect yourself against the potential negative effects of rising interest rates by incorporating a "fixed-income ladder" in your portfolio. You can build this ladder by purchasing fixed-income securities — such as corporate or municipal bonds — in various maturities. With your ladder in place, a portion of your portfolio matures at regular intervals. Consequently, you can benefit from any increase in interest rates by reinvesting your maturing bonds at the higher rate. And if interest rates should fall, you still have your longer-term bonds working for you. (Generally, longer-term vehicles pay higher rates than shorter-term ones.)

Even if the Fed does raise short-term rates in 2015, it doesn't necessarily signal the start of a trend. Interest rate movements are notoriously hard to predict — and you probably won't help yourself by trying to "time" your investment decisions based on where rates may be heading. But techniques such as a fixedincome ladder can work for you in all interest rate environments. So as you think about how you'll invest in bonds in the years ahead, keep this type of "all-weather" strategy in mind. It may be able to help you keep the "guesswork" to a minimum.

Emergency Food and Shelter Program Funds Available

Grundy County is scheduled to be awarded federal funds under the Emergency Food and Shelter National Board Program (EFSP).

Applications are available for local not-for-profit organizations who provide emergency food and shelter to Grundy County residents apply for funding. Application submissions is not a guarantee that funds will be available.

The selection is made by a National Board that is chaired by the Department of Homeland Security's Federal Emergency Management Agency and consists of representatives from American Red Cross; Catholic Charities, USA; National Council of the Churches of Christ in the USA; The Salvation Army; United Jewish Communities; and United Way Worldwide.

Board was charged to distribute funds appropriated by Congress to help expand the capacity of food and shelter programs in high-need areas around the country.

The Grundy County EFSP Board, comprised of representatives of many local entities, will determine how the funds awarded to Grundy County are to be distributed among the emergency food and shelter programs run by local service agencies in the area. The local board is responsible for recommending agencies to receive these funds and any additional funds available under this phase of the program.

Under the terms of the grant from the National Board, local agencies chosen to receive funds must: 1) be private voluntary non-profits or units of government; 2) The Grundy County EFSP have an accounting system;

3) practice non-discrimination; 4) have demonstrated the capability to deliver emergency food and/or shelter programs; and 5) if they are a private voluntary organization, they must have voluntary board. Qualifying agencies are urged to apply.

Grundy County has distributed Emergency Food and Shelter Program funds previously with We Care of Grundy County, Northern Illinois Food Bank, PADS, and Community Nutrition Network participating.

Public or private voluntary agencies interested in applying for Emergency Food and Shelter Program funds, contact Karen Nall at the United Way of Grundy County at 815-942-4430 or e-mail info@UWGrundy.org. The deadline for applications is March 10.

(continued from page 1) in the safe capture and subsequent adoption of a stray

During the months of December 2014 and January 2015, reports of a stray dog running at large in Dwight brought concerns for the safety of both the animal and area residents. Several attempts to capture the dog had been unsuccessful. Then, with assistance from a few Dwight residents and local Police, Animal Control was able to map out the areas of the animal's movement which included the Eisenhower Drive area.

Tim and Heather Harms assisted by allowing a live trap to be placed on their property and also monitored the trap leading to the successful capture of the dog. After finding a temporary home with the Livingston County Humane Society, the

March

March, doing lion and lamb things already, and we're only two days in. March also happens to be my birthday month. It also happens to be Justin Bieber's birthday month, but we're just going to act like that's not the case. Last March I decided it would be cool to try and give something for my birthday instead of receiving something. I decided to try and raise money to donate to the American Cancer Society throughout the month of March. The idea was to raise \$250 by my birthday on March 31st. Fortunately I was able to achieve, and even exceed, my goal. At the end of the month I was able to donate \$300 to the American Cancer Society. A small dent into the battle against cancer, but a dent nonetheless. This year I'm going to try to achieve the same thing, only this time I'm setting the goal at \$300. I really think that's an achievable goal. If you'd like to donate or help out the cause you can either bring money to The Paper in person, and I'll move it to the site, or you can go to http://www.gofundme.com/nj04bg site on your computer and donate there. No matter which way the donation is made it would be greatly appreciated. Thanks in advance! Go, TROJANS!

F2S Program to Begin at Dwight CSD #232

School program focus is to bring fresh, healthy, and local food to the school children, as well as education to teach children about where their food originates.

F2S was officially recognized in 2000 by the USDA enabling program development, research, and policy.

F2S programs can now be found in more than 40,000 schools nationwide, providing a positive impact in more than 23 million children.

Each year, the USDA provides a mandatory \$5 million in grant funding to support F2S efforts to assist

The National Farm to schools to implement whatever aspect they can of the program. Among the many different elements that F2S entails is: the procurement of local, healthy food, educational curriculum to teach children where their food comes from, and experiential learning opportunities in the form of farm field trips and school gardens, which will be the initial focus at Dwight CSD #232.

TROJANS CROWNED REGIONAL CHAMPIONS

by Danny Tock

One could feel the electricity as they stepped into Kresl Gymnasium on Friday night. That is, if one was able to get in, as the Dwight Trojans took on the St. Anne Cardinals in front of a capacity crowd in Dwight for the regional finals.

Early on for the Trojan faithful, though, it looked...ugly. St. Anne attacked from the jump, and built themselves a sizable lead, ending with a 16-5 score after one quarter.

That's when the adjustments, and defense, arrived for the Trojans.

In the second quarter, Dwight began to eat at the deficit, finding ways to get buckets amongst a lengthy and athletic Cardinals' squad, and fighting their way back to within five at halftime, 28-23.

The second half would see a battle of two titans, to say the least, as both teams traded baskets in dramatic fashion. But the third quarter belonged to the Trojans, as they outscored their opponents, 16-10, in the frame.

Dwight built their biggest lead of the game, four, after a one-and-one bucket from Collin Irvin with just under five minutes remaining in the contest.

This was immediately answered with five unanswered points from St. Anne, giving them a 51-50 edge with just over a minute left.

With time running down, the Cardinals – having held Dwight's Caleb Boma to minimal success throughout the game, figured they would just stop him one more time and head back home with the regional plaque.

And just like clockwork, Dwight's head coach Eric Long devised a plan to get Boma the ball to try and get his team a shot at the win.

It was all playing into the Cardinals' favor.

That is, until "CB" found sophomore sharp-shooter Justin Fox open behind the arc with time ticking away. And Fox would deliver. Big time. Putting his team up 54-53

DTHS Student Section Part of IHSA Final Four

Dwight Township High School Principal Dan Kaiser received word February 20 that the DTHS student cheering section, like the one seen at left, has been selected as part of the final four in the IHSA Student Section Showdown.

"I submitted our three minute video before the deadline date of February 6," Kaiser said. "And now I'm waiting for a letter from IHSA that will give us more details about how we will be recognized."

The other three finalists in the 1A and 2A division include Central A&M, Hinckley-Big Rock, and Olympia. The winner will be

revealed at the IHSA Class 1A Boys Basketball State Championship on Saturday, March 14, at the Peoria Civic Center.

To see DTHS's awesome Student section in action, visit http://www.ihsa.org/NewsMedia/Announcement s/tabid/93/ID/622/categoryId/20/IHSA-SAC-Announces-Student-Section-Showdown-Finalists.aspx and click on Dwight's name.

Student cheering sections can be a key factor in creating a festive high school event; way to go, Trojans, for contributing to a fun and positive experience for all!

Trojan Power!

Trojans Crowned...

(continued from page 9) As the trifecta fell, the crowd erupted. And as the Cardinals took it the length of the floor, they found themselves with a good look for the win. But a busted shot and a missed opportunity on the boards allowed for the ball, and the game, to roll away from St. Anne, giving Dwight the "W" at 54-53.

This being their 30th game of the season. Dwight's head coach has stressed the importance of their depth on the bench. And it seems that this is precisely what is getting the Trojans over the hump in

these particular situations, as they continued to find ways to make it happen on both ends of the floor – earning themselves a sectional match-up with Flanagan-Cornell in Somonauk Tuesday night.

Fox would end up with 11 points to lead Dwight, including three enormous threes. Collin Irvin stepped up offensively, scoring ten, with one three. Drew Travers had eight points, to go with Jace Kennedy's seven. Ryan Gaston, who went into several extra "shoot-outs" during the prolonged three-point contest held prior to the game (he advanced), continued his hot shooting with two timely triples. Boma would end up with five points, including a three and two rare misses from the line. Drew Jensen contributed some deadly "D" and a three. Bigs Colton Fieldman and Owen Pulver each added a bucket in the game.

Dwight, now 26-4 overall, has already beaten Flanagan-Cornell twice this Another season. Tuesday will put the Trojans up against either Newark or Ashton in the sectional championship at 7:00 p.m. on Friday, March 6, in Somonauk.

DTHS Trojans Basketball

Tuesday, February 24 **GSW** vs. Iroquois West Varsity -Regionals

The Panthers were able to live through a close one against Iroquois West on February 24 in Dwight, prevailing 71-68 over the Raiders in a regional contest that took overtime to complete it.

'Well, we survived and that's what you need to do in the playoffs," GSW coach, Chris Gibson stated after the game. "We didn't play our best basketball, in the second half especially, and made some really poor choices at times – but we were able to regroup and get the win over a

scrappy Iroquois West team." After being up 12 at the

GSW Panthers Basketball

half, the Panthers found themselves in some trouble in the third, as IW began to catch fire – outscoring GSW, 20-13, in the frame.

The Raiders would continue to claw back in the fourth quarter, bettering the Panthers by five points and forcing overtime.

During the extra four minutes, it remained close until Austin Kavanaugh nailed a three-point shot to give GSW the lead. They would hang on, 71-68, to advance to semifinal action against Dwight.

Kyle Robison was not going to let his team go down

in this game – knowing a win would give them a chance to beat the Dwight Trojans again - as he scored a gamehigh 32 points.

"Kyle carried us again," said Gibson. "He was just a horse. It was apparent that he was not going to let his season end in this game. He is one of the hardest working kids I have ever coached."

Robison would eclipse the 1,000 point mark for his career on his 11th point of the game.

Kavanaugh would end up with 14 points in the game, with Blake Marks adding 11. Scott Horrie contributed seven points, while Alex Bunna put in four. Trevor McDaniel had two points, with Jack Davidson hitting a free throw.

Friday, February 20 Dwight vs. Watseka JV -

The JV Trojans took an "L" in their final game of the season, falling to Watseka in a tight one, 50-

Dwight had the lead going into the half, and the teams were tied entering the final quarter - but Watseka was able to hold on, ending the Trojans' season at 4-17 overall.

Blake Graham put up 17 points in the game, including two threes and 5-6 shooting from the line. Wesley Pulver and Austin Nelson each added 13 points. Noah Nutting scored three, while Carter Wykes had a bucket.

Tuesday, February 24 Dwight vs. Donovan Varsity -Regionals

In regional action in Dwight February 24, the #2seeded, but #5-ranked dismantled Trojans Donovan, 80-27, in a game that saw every Dwight player make the scoring column.

After a sweet start, the Trojans found themselves up 35-5 midway through the second quarter, against a Donovan team that had obvious troubles getting

anything going.

Meanwhile, Dwight was getting quality minutes throughout the contest from everybody in a Trojans jer-

Justin Fox ended up leading all scorers with 12 in the game. Ryan Gaston would score nine, with two triples. Jace Kennedy put in eight, with Devin Connolly and Jayson Powell each contributing seven, with a threepointer each. Drew Travers scored six points, while Colton Fieldman and Drew Jensen each added five. Caleb Boma and Peter Hansen would each score Connor four points. Gantzert and Owen Pulver had three each, with Collin Irvin adding a basket of his

Thursday, February 26 Dwight vs. GSW Varsity -Regionals

In a rematch many were hoping would happen during the SVC Tournament a few weeks back, Dwight and Gardner-South Wilmington went head-tohead for the first time since the Panthers got the best of the Trojans back on January 30. This time, both of their

seasons were on the line. The game got off to a

quick start, with senior Caleb Boma knocking down a three to kick things off for #5-ranked Dwight on the very first possession.

Both teams would trade buckets back and forth until the first frame came to a close with the Trojans up 21-17.

Some stifling defense allowed Dwight to build on that lead, as they extended it to 39-24 at the half – capitalizing on early mistakes by the Panthers.

In a game of this magnitude, and a rivalry as deeply rooted as this one, GSW was not going to go down that easy.

Just moments into the second half, the threes began to rain down for the Panthers, at one point knocking down five straight, ripping into the once large Dwight lead.

After tacking on a couple more trifectas, GSW found themselves with their first lead, at 48-47, with little time left. But Boma would go to the line right before the end of the quarter to knock down two of his perfect 14-14 from the free throw line, putting Dwight back up, 49-48.

Going into the fourth, the buzz was huge with both sides getting eight more minutes to save their season.

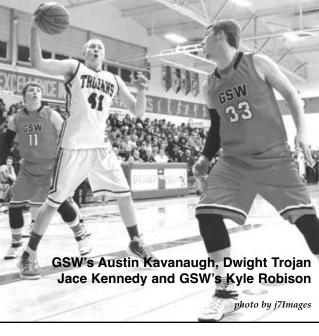

But it appeared the Trojans' depth played a part in taking the steam out of GSW's engines, as the Panthers struggled to get those shots to fall that seemed to come so easy in the third.

Couple the latter with some costly turnovers late, and Dwight was able to hold on for the victory, 62-55, eaning them a chance at the championship regional against St. Anne.

"What an awesome high school basketball game this was," said GSW coach Chris Gibson. "I felt like it was two heavyweight boxers going toe to toe all night long."

Gibson stated he believed that having Blake Marks on the bench with foul trouble played a critical role in the loss. The Trojans took advantage via the free throw line, shooting 28-38 on the evening.

Boma would end up leading Dwight, and all scorers, with 22, including two threes and 14-14 from the line. Drew Travers put in 14 points, knocking down six of his own big free throws. Collin Irvin had ten points, with a triple. Jace Kennedy scored eight, including a three-pointer. Justin Fox

contributed six, while Drew Jensen and Colton Fieldman each made a free throw.

For GSW, Kyle Robison put in 16 points, going 8-12 from the charity stripe. Scott Horrie had a big game, scoring 14 with two threes. Brendan Elens had ten points, including three treys. Braden Marks contributed two big threes, with Blake Marks adding five, with one three. Austin Kavanaugh and Walker Eutsey each put in a bucket.

The Panthers were 13-20

from the line on the night.

Just two years removed from a 2-24 season, the Panthers end the year with a 19-10 record overall, with a 10-2 record in the RVC.

"We didn't finish the year with the prize that we were after, but this is certainly something to build upon,' Gibson added. "These kids have really bought into the system and the progress they made is a direct reflection of that. I'm really proud of how far they have come."

DTHS Drama Department Presents...

"The Music Man" - Show Opens March 5 -

DTHS Drama Department will be presenting it's spring musical, "The Music Man" this weekend! The Music Man follows fasttalking traveling salesman Harold Hill as he cons the people of River City, Iowa into buying instruments and uniforms for a boys' band he vows to organize - this despite the fact he doesn't know a trombone from a treble clef.

His plans to skip town with the cash are foiled when he falls for Marian the librarian, who makes him reconsider his scheme.

Show opens Thursday, March 5 at 7:00 pm in the DTHS auditorium. Tickets will be available at the door. Saturday, March 7 will offer another 7:00 pm showtime and seniors involved with the drama department will be recognized after the performance. Sunday, March 8 (*Daylight Saving Time) will wrap up the weekend with a 2:00 pm matinee.

Tickets are \$5 for students (K-12) and Senior Citizens; \$7 for General Admission. Come out and enjoy a fun show for the whole family!

JOSH KRISCHEL (left) and Marc Rosales (right) seem to both have something of importance to say to Sam Carlson's character (above). Below, the whole cast sits in front of the set of The Music Man, which opens Thursday, March 5 at DTHS. The cast includes: Back row (from left) - Ryan Beier, Lindsey Krug, Trimi Asllani, Jake Esposito, Jasmine Lyons, Jackson Gettinger, Josh Krischel, Ethan Stewart, Marc Rosales, Dylan Prouty, Lucy Rieke, Leah Flynn, Brandon Huffman; front row (from left) - Gabby Rameriz, Maddi Groves, Morgyn Moyemont, Jane Tyler, Skylar Hakey, Sam Carlson, Abby Tyler, Faith Rowland, Sage Ozment-Herr.

CHRIS BISSEY, A GRADUATE OF Dwight Township High School, was recently presented with a Cancer Hot Pink Jeep from her siblings so she can ride around in style as she fights the fight and spreads the word about finding a cure for Cancer. In January 2013, Bissey was diagnosed with breast cancer, and went through Chemo and radiation. She was then told she was cancer free, until December 2014 when she was told the cancer had returned. She is, once again, fighting the good fight to beat this disease. She has worked and lived in the area for 51 years.

Riverside Healthcare Gives More Then \$9,800 to Local Schools

The Scores for School program was a big success again this year, earning more than \$9,800 for 12 local schools.

This year, each participating school was inivted to the Riverside Medical Center to see the facility, enjoy some refreshments,

Schools were able to earn \$25 for every home varsity touchdown, \$20 for every home volleyball game won, and \$10 for every varsity soccer goal scored at home if they do not have a football program.

Area Student Selected for GSU Art Show

Wimington High School District 73 Board met in regular session Wednesday, February 18.

During public comment, Gary Cox told the Board that he is running for Mayor of Gardner and would like to get the Gardner Beautification Committee back up and running to help clean up the town. In the past, the Village has used community service students from GSW, with it working well.

A "thank you" letter

was received from the Masonic Lodge for the Sports Basket, with several items including season passes, that GSW donated for the Silent Auction held during the Masons' annual chili supper. The Masons reported they had raised enough money to give six \$1,000 scholarships to the Grundy County Area High School students.

• Wednesday, February 11, was a half-day for students. The day was a Student Development Day, focusing on loyalty and relationships. The students were put into five groups that rotated sessions, five including healthy relationships from three married couples, (two were GSW teachers and their spouses); survival in life; and a speaker from House Harbor Kankakee. Mr. Engelman read a letter received from a member involved in the sessions, complimentary to GSW, administration, teachers and students.

Monthly average daily attendance was 96% for January. The ADA spreadsheet will be updated each month.

• There were seven discipline issues, three of which were for students driving too fast in the parking lot area.

• The process of working on student growth assessments is continu-

ing and nearing the end. • Work continues with the Union on Teacher Evaluation Instrument.

• Eighth Grade Registration Night February 11 and Ms. Kilmer did a very nice job, and there was a good

• Dates/schedules are set for PARCC and ACT

Board Policy Revisions/Additions, referring to procedures for children with disabilities, were distributed to each board member for first review.

Mr. Engelman has worked with the area Grundy County High School, GAVC and the three grade schools to put together a school calendar for next year, and a Preliminary Calendar for 2015-16 was distributed to each board member. Mr. Perrott stated he still needs time to review with the grade schools and GAVC. The final calendar will be taken to the March meeting approval.

The Board recommended April 22 for the hosting of the GSW Open House, from 6 until 8 p.m. During the Open House, a ceremony will be held to honor and acknowledge Marge

Gaddo for her generous monetary donation to GSW High School. There will be boys' and girls' home ballgames that night; dates are very limited in the spring.

In the library, Mrs. Morgan has provided information/options and recommendations for an electric card catalog.

Mr. Perrott reported on the following building grounds projects: Electric project - phases II and III; window project; gym window block fill-in/tuck pointing; stage curtains; baseball dugouts - materials are being ordered and anticipate building in early March. Mike Gerrish and volunteer carpenters will complete the project.

Mr. Perrott also stated that a new wiring harness and some components have arrived for the baseball scoreboard, and it is planned to install them when the weather breaks; the lighted trophy cases were installed the week of February 19 and 20 in the gym area and front office entryway, and glass will then be set in.

Action items included: approval of Board Policy Revisions/Additions (second reading); conrenewal milk/dairy with Lockwood Dairy; activity accounts' transfer to the General Activity Account within the Activity Fund, as they go dormant.

Also included were the renewal of certified staff as presented; twoyear contract renewal of IGA GSW/Dwight Sports co-op; approval to loan the GSW driver ed car to Morris High School for Morris Summer Driver

Education; and cancelled the second meeting in the month of February. There was no action taken on electric update nor window replacement.

Items under Superintendent Information included: No FOIA requests during the past month; GAVC Director Award winners for January were: Tyler DeMoraes in computer maintenance; and Trevor McDaniel in criminal justice. A \$750 School District Library Program grant has again been received, to be used in the library; A \$300 BP Fabric of America donation was received, double the amount of previous

Illinois School Board Association meeting/ training dinner March 3; and new member training July 10-11.

The Business Club blood drive - from 2 until 6:30 p.m., February 18; GSW has been approached by the Joliet Slammer Baseball organization about having area schools host a BGSW Community Night, and the Superintendents will choose a summer date. A section will be reserved, there will be a few other perks, and BGSW will sell tickets to interested community members.

The Senator Rezin/ Grundy Economic Development Council Internship Program has 28 intern positions available in 12 companies, many of the positions being paid. Last year three GSW students participatand were well received by their intern-

Dan Proft to Speak in Kankakee at March 5 Farm Bureau Meeting

Dan Proft

The 103rd Annual Meeting of the Kankakee County Farm Bureau will take place on Thursday, March 5, at the Hilton Garden Conference Center. The evening will begin with a social hour at 5:30 p.m., with dinner served at 6:30. Following the dinner, there will be a short business meeting and election of directors. Once the business portion is concluded, the featured speaker will be

introduced. This year's speaker will be Dan Proft, who will be speaking on the current political landscape of Illinois. Proft is an entrepreneur and editorial contributor to the Chicago Tribune. He was a 2010 Republican candidate for governor and currently is a radio talk show host, formerly with WLS

and now with AM 560 The Answer in Chicago. On AM 560, Proft co-hosts the morning drive show with Amy Jacobson. Additionally, Proft works as a Senior Fellow at the Illinois Policy Institute, a free market think tank in Chicago.

Proft also serves on the boards of directors for the Disabled Patriot Fund, a non-profit that provides assistance to Illinois military families; Freedom to Learn-Illinois, a non-profit that provides private elementary school scholarships to disadvantaged children Chicago, and Aid for Women, a Catholic lifeaffirming pregnancy center in Chicago. Most importantly, Proft is an aspiring basketball coach. He earned his BA from Northwestern University, and his JD from Loyola University-Chicago School of Law.

Along with the election of eight directors to the County Farm Bureau Board and reports to the membership, the evening at the Hilton will also include an extensive dinner of marinated and grilled pork tenderloin with caramelized apples and brandy sauce, along with everything else to complete the meal. A ticket fee applies.

Farm Bureau members receive a discount.

Market Outlook Breakfast March 11

Dale Durchholz

Dale Durchholz from AgriVisor will be giving a market outlook presentation at an upcoming breakfast meeting on March 11. The breakfast will begin at 8:00 Kankakee Hilton Garden Conference Center. With profit margins becoming narrower, it is important for farmers to brush up on their marketing skills. A fee applies to attend the breakfast, and registrations are required by contacting the Kankakee County Farm Bureau office.

With the downslide that the markets have taken over the past year, it is important Farm Bureau at 815-932to arm yourself with as much knowledge as you can with

the next cropping season approaching. That's why the Farm Bureau is sponsoring a Market Outlook breakfast.

Durchholz is the Senior Market Analyst at AgriVisor, trees. LLC, a company jointly Illinois Farm Bureau. He has over 30 years experience flowering dogwood trees. working in the commodity industry. His primary activity encompasses the analysis of grain and livestock markets and the development of related marketing strategies. Other activities include the analysis of other markets and economic developments that affect agriculture and

AgriVisor clientele. Prior to assuming his a.m. and will be held at the present position, Dale headed the research departments of two Chicago brokerage houses and was a grain analyst for another producer market consulting firm. Dale was raised on a Logan County farm. He received a bachelor's and master's degree from the University of Illinois. Durchholz and his family reside in rural Bloomington.
