Beware of Scary Inhabitants of the Investment World

In just a few days, witches, zombies and vampires will be converging on your house, asking for candy. As is the case every Halloween, you'll likely be merely amused over the sight of these costumed characters. But in other areas of life, such as the investment world, you may need to watch out for some seemingly scary entities. Here are a few of them:

- The Horrendous Headline – Big, glaring headlines rarely offer any comfort to investors. Whether it's political squabbles at home, conflicts in the Middle East or the debt crisis in the euro-zone, there's always something happening that's perceived as jeopardizing the stability of the financial markets. Yet these threats are often overblown, and the markets have proven quite resilient for decades. Here in the United States, the most powerful economic engine in the history of the world has offered investment opportunities as crises have come and gone.
- The Terrible Tipster – He or she could be anyone – your neighbor, friend or relative. But whatever their origins, Terrible Tipsters have one thing in common: They like to tout “hot” stocks or “can't miss” opportunities. The problem is that by the time you actually hear about a hot stock, it may already be cooling off. And the “can't miss” opportunities often do indeed miss. Don't waste time, effort – and money – seeking a shortcut to investment success: There isn't one. Instead, stick with an investment strategy that's suitable for your goals, risk tolerance and time horizon.
- The Scary Statement – When the market is down, you probably dread seeing your investment statements. But don't let a few bad months, or even a bad year, cause you to stuff your money under your mattress. The financial markets can turn around pretty quickly, and if you're out of the market when the next rally begins, you'll miss out on some potentially big gains. So, put those negative statements aside and look back at your investment results over a period of many years – the big picture might look a lot less frightening than you'd imagine.
- The Fearsome Forecast – The performance of the financial markets is notoriously hard to predict – but that doesn't stop a slew of fortune-tellers from trying. And the same is true of the economy as a whole – predictions abound, but many of them prove far off base. You can always adjust your portfolio, as needed, in response to changing market or economic conditions, but don't act on these possible circumstances just because someone, somewhere, has predicted them. Instead, follow tried-and-true principles such as diversification, which can help reduce the impact of volatility on your holdings. (However, diversification can't guarantee a profit or protect against loss.)

The ghouls and goblins you see on Halloween are unlikely to cause you nightmares. And the various phantoms of the investment world may prove just as illusory. Don't let them scare you away from investing.

ISP Announces Results of Alcohol Countermeasure Enforcement

Captain Darryl Bogard, District 21 Commander, announced the results of an Alcohol Countermeasure Enforcement (ACE) patrol, which was conducted in Kankakee County October 17. They are as follows:

Driving under the influence arrests – 2; drug/alcohol-related arrests – 4; suspended driver's license citations – 2; speeding citations – 15; occupant restraint citations – 2. Total citations – 33; total written warnings – 20.

The Illinois State Police (ISP) reminds those who drink and drive that future patrols will be conducted. The ISP will continue to work to save lives by taking Driving Under the Influence (DUI) offenders off the road, arresting them, and locking them up. This project was funded by the Illinois Department of Transportation, Division of Traffic Safety.

Dwight Schools Receive Annual Audit Results

by Madelyn Fogarty

A special joint meeting of the Boards of Education for Dwight High School District #230 and Dwight Common School District #232 was held on October 21 where annual financial audit results were presented.

Across both Districts, reports showed finances to be in order with no deficiencies noted. Audits are designed to look for problems that can occur in situations within small accounting offices. No inconsistencies were found.

According to the auditor, across both Dwight Districts, and with most school districts across the state, more revenue continues to come from local sources with 77 percent of local funds making up Dwight Grade School's funding and 87 percent feeding Dwight High School. For both Districts, six day enrollment is dropping or flat and assessed valuation is flat which, the auditor noted, is very common among districts now.

One new report available and shared with the Board

includes the TRS (certified staff pension) and IMRF (non-certified staff pension) liability.

"It is mind-blowing to see the pension liability," stated the auditor who also noted that the "lion's share" of the obligation currently belongs to the State of Illinois.

For the Grade School District, the TRS pension obligation is \$18,000,000 with \$360,000 of that being the District's obligation. The IMRF obligation for DGS District #232 is \$78,000.

For Dwight High School District, the TRS liability is \$12,000,000 with \$200,000 being the District's obligation. The IMRF obligation for DTHS District #230 is \$44,000.

The Dwight Grade School has a Financial Profile score of 3.55 which is just marginally above a "Review" status.

The Dwight High School District has a perfect 4.0 Financial Profile rating earning it "Recognition" status for a fifth consecutive year.

Crash on I-55 Claims Life of Dwight Man

A single-vehicle crash on Thursday, October 22, at approximately 9:46 p.m., claimed the life of the ejected driver, Joseph Haggard, 33, of Dwight. The crash occurred on Interstate 55 at mile marker 202 in the southbound lane. The vehicle, which was southbound, rolled over and came to rest on the shoulder of the northbound lane.

The driver was transported to OSF Saint James – John W. Albrecht Medical Center's Emergency Room in Pontiac, where he was pronounced dead at 10:28 p.m.

The crash is under the investigation of the Illinois State Police District 6 at Pontiac, and their crash reconstructionist.

Extrication was by the Pontiac Fire Department and transportation to the Emergency Room was by Duffy EMS at Pontiac. Traffic control was by the Livingston County Sheriff's Police and the city of Pontiac Police.

An autopsy has been ordered by the Coroner.

Dwight Fire Protection District Hosts LifeStar 1 Chicago Helicopter Training

by Justin Dyer – Deputy Fire Chief

The Dwight Fire Protection District hosted LifeStar 1 Chicago Helicopter training October 12 and was open to area departments to attend. In total, 26 people attended the training from Dwight Fire, Dwight EMS, Odell Fire, Reddick Fire, and the Limestone Fire Department.

Scott Hagemann, who is the Business Development Manager for LifeStar for the central region, taught the classroom portion and coordinated the hands-on landing of the LifeStar Helicopter.

Students learned about Air Methods, who operates the LifeStar Helicopter, and their capabilities. Air Methods operates from Alaska to Key West and runs out of more than 300 bases located throughout 48 states. Most of their fleet is helicopters but they do operate several airplane transport vehicles. The helicopters are staffed with three people: one pilot, one critical care paramedic, and one flight nurse. This team effectively creates a flying hospital/intensive care unit. They have the ability of providing these possible life-saving treatments that are sometimes limited by ground transport ambulances. While providing these possible life-saving procedures in flight, the crew has the abil-

ity to transport patients to specialty trauma centers, burn units, or children's hospitals in a fraction of the time as a ground ambulance, which dramatically increases the chance of survival.

Flight crews are seeing more and more flights for medical emergencies such as strokes and heart attacks. Getting to the specialty hospitals in a fraction of the time greatly increases the chance to reverse damage or even save their life.

Firefighters and EMS personnel learned about the importance of calling early to get the helicopter to the scene to help save more lives. Also, students learned how to set up a proper landing zone, identify possible hazards, and how to communicate via radio with the incoming helicopter.

Training was held at the Dwight Fire Station and the landing was at the newly-acquired training facility at the closed women's correctional facility just west of Dwight.

Gasoline Trend Down

The price of retail in *The Paper's* circulation continued to drop last week due to the decline in oil prices. "The market fundamentals appear to be moving favorably for U.S. motorists; pushing the benchmark West Texas Intermediate crude lower, as it starts of week at \$44.53 bbl," said Gegg Laskoski, senior petroleum analyst for GasBuddy.

Laskoski said the International Energy Agency reported gasoline supply is expected to return to robust levels in the U.S. and the national average has declined six cents per gallon last week.

The average U.S. gallon of regular unleaded gasoline price is made up of several factors including roughly 17% in state and local taxes, 19% in distribution and marketing, 25% in refining and 40% for refining costs.

Chatsworth Corner

by Mare Reardanz

Gary Kinney

Chatsworth is fortunate to have many longtime residents, like our friend, Gary Kinney, and to have residents that are dedicated to the protection and advancement of that town is truly a blessing. Gary Kinney is one of those people. He has dedicated his life to the town.

Kinney served as Superintendent of the Water and Sewer Department, retiring after 27 years. He remains on the town's part-time roster. He dealt with the safety of the town's drinking water and its delivery in a time when the pipes were old and failing. Sewer lines

were starting to crumble and wondering where the next breaks would occur was a daily concern of his. It is easy to take for granted portable water delivered to our homes on an as needed basis. Not for Gary Kinney.

Kinney also served on the Chatsworth Fire Department for 20 years. He still monitors the police scanner as a way to be able to assist the first responders in town if necessary.

"Gary has been serving his community for over 30 years. He is a hard worker and always willing to answer the call for help," added Chad Ledford, current superintendent of water and sewers in Chatsworth.

"The Chatsworth Fire Department continues to appreciate Gary's service, past and present, to the community", said Galen Schaffer, Chatsworth's Fire Chief.

Thanks, Gary for all you have done and continue to do for our town.

Property Tax Freeze Proposals Could Mean More School Troubles

DTHS October Board Actions

by Madelyn Fogarty
madelynfogarty@yahoo.com

Members of the Dwight Township High School Board of Education are preparing for the anticipated financial effects should the state legislature enact a proposed property tax freeze.

At its October 21 session, Superintendent of Dwight Schools, Dr. Richard Jancek, explained the property tax limitation laws and explained the potential effects should the tax freeze become reality.

Currently, there are two active Bills (SB318 & HS4247) related to property tax limitation laws. Either Bill would impose a state-wide property tax freeze. Of the 102 counties in Illinois, 39 are currently under PTELL (Property Tax Extension Limitation Law) which represents 80% of the total population of the state.

The intent of PTELL is to limit the growth of property taxes. Once enacted, the total extension-total dollars requested / received the prior fiscal year-becomes the base amount of tax revenues and can only be increased from year to year by five percent or the Consumer Price Index, whichever is lower. This year's CPI is .08%. The other option for increasing the base amount is by referendum. As the two current Bills are written, the total extension request for 2015 (School Year 2016-17)

would be frozen with no increases for the following two calendar years, 2016 and 2017 (School Years 2017-18 and 2018-19); the rate of growth would be zero and not the lesser of CPI or five percent. PTELL does not limit individual property tax assessments - Equalized Assessed Valuation is not capped. In addition, it does not cap or limit individual property tax bills.

The impact to the Dwight Public School Districts is that it causes the Boards of Education to consider increasing the extension requests this December in preparation of one or both of these Bills becoming a Law. If the Boards increase the extension requests and the Bills do not become Law, the Boards can abate the extensions the following years. However, if the Boards do not take action in December, they could be faced with no extension increases for the following two years which, Dr. Jancek told the board, would almost guarantee deficit spending.

Dr. Jancek recommended the Board take steps to build capacity and put safeguards in place so that, should one or both bills pass, the District is protected.

School finances can be very complicated and the transition to PTELL can make things even more confusing.

"If community members have questions or concerns, please do not hesitate to con-

tact my office at 815-584-6216," said Dr. Richard Jancek, who would like to be available to community members with questions.

Also on the financial front, EAV decreases were reported reflecting continued dramatic declines. In Grundy County, the EAV dropped \$222,831 while Livingston County reported a \$1.2 million decrease.

In another matter, Dr. Jancek presented a recommendation to the board to add one additional office administrative assistant to the District Office. The added employee will have responsibilities for both Dwight school Districts, with the salary being picked up by the High School District. It was recommended the position be a 250 day, eight-hour contract with a starting hourly wage range of \$12.00 – 13.78, pending experience, and will include insurance benefits. The position will be posted with a recommendation for hire to be presented at the November BOE meeting.

In other business, Dr. Jancek reported on efforts to increase partnership and communication with community support groups and organizations. Dr. Jancek met with the PTO, Music Boosters, Athletic Boosters, FFA Alumni, and Football Fanatics and discussed ways to maximize resources. One request to the groups is that donations of significant dollar value (\$1,000 or more)

be disclosed to the school districts prior to any action to ensure no unintended financial impacts down the road. It was noted that donations of equipment become the property of the school district. Also, projects should be discussed with school officials prior to action. It was also requested that beginning and end of year reports be provided to help open communication lines.

The board also:

- approved a \$2,000,000, Five-Year Certificate of Deposit, with First National Bank of Dwight (1.5 percent interest)
- accepted the resignation of Dan Marek as Bus Driver.
- accepted the resignation of Kristy Kjell as Flags Coach.
- approved student attendance to the FCCLA National Conference in Indianapolis, Indiana on November 19 – 22.
- approved Gary Baum as Assistant Wrestling Coach (.5).
- approved Dan Edwards as Volunteer Assistant Wrestling Coach.
- approved Justin Gund as Flags Coach and Musical Vocal Director.
- employed Dennis Dunlap as Boys Basketball Coach (.5).
- approved Ryan Kemp as Boys Basketball Coach (.5).

The next regular meeting of the DTHS BOE is Wednesday, November 18,

LCRT Awards Scholarships

The Livingston County Retired Teachers Association met October 20 at St. Mary's Parish Hall in Pontiac.

Scholarship Co-Chairwomen Cathy Montgomery and Jan Masching presented the organization's two \$250 scholarships to Betsy Mehlberg and Kathy Stewart.

There were twelve applications and these two young women were the recipients.

Mehlberg is a teacher at the Flanagan-Cornell High School and submitted a project called T's by Teens for grades nine through 12. It is an ongoing project that began in October and involves approximately 50 students.

Since the special education department recently

obtained a t-shirt press, the students are focusing on the actual shirt production, packaging and quality control. All students will design prints and will advertise to local businesses and organizations.

The t-shirt business provides an opportunity for all students to learn key skills that are needed to be successful in the real world.

Stewart is a teacher at Dwight Common SD #232 (fifth grade). She submitted a project designed to hunt for clean water.

This project will take approximately two weeks and involves 47 students. They will venture out with GPS instruments to record coordinates for water samples collected and students

TEACHERS Betsy Mehlberg and Kathy Stewart were awarded \$250 scholarships from the Livingston County Retired Teachers.

will collaborate to test the sample for water quality.

The students will conduct a secondary experiment to discover how natural filtration purifies water; they will record their findings on a data spreadsheet. Finally, they will analyze the quantitative evidence in order to answer the essential question in a formal presentation.

The instructor hopes the students will be able to identify problems and synthesize potential solutions when completing this project.

Herscher Area Historical Society Marks 15th Year Serving County West

By Myke Feinman
Managing Editor

For a decade and a half the Western portion of Kankakee County has been served by the Herscher Area Historical Society including moving into its new home five years ago.

But even its new location, 190 S. Main Street in Herscher, is becoming too small for all the memorabilia.

The museum serves not only Herscher, but the communities of Reddick, Buckingham, Union Hill, Essex, Bonfield, Irwin, Cabery and Limestone.

Founding members in 2000 were Pat Wagner of Buckingham, Jim Ridings, Janice Schneider, Mike Piper and John Branz, all of Herscher. Mr. Piper is deceased.

And although Laura Gaus of Buckingham was not a founding member, she provided a great deal of historical material.

“Laura was the driving force,” behind the historical society, Wagner told *The Paper*. “We wanted to save the [Herscher train] depot, but the railroad tore it down.”

The group met with the Herscher Village Board to form the society, and were lent the use of the basement at the Village Hall for the historical society.

In addition to help from many people in the communities, Laura Jensen provid-

ed a lot of help in the early days, Wagner said.

Wagner said she went to businesses in the area to collect donations.

Data was compiled in book form by Jim Ridings and published by the society.

The book was published in 2003.

“The village was supportive,” Wagner said, saying the museum officially opened in the Village Hall basement in 2004.

The cabinets for the museum were all built by Ridings, Wagner said.

The basement, however, flooded three times, and the society decided it was time to move to preserve the museum artifacts.

Plus with donations of memorabilia and documents, the museum outgrew that basement location. So the society moved to its current location at 190 S. Main Street in downtown Herscher five years ago.

It opened in 2011, with Carol Desch as president.

The new home of the museum was originally medical offices.

The society, which is a non-profit organization, formed a foundation to accept donations.

Current officers of the society are Janet Boyer, president, of Reddick; Bob Voss, vice president, of Herscher; Teresa Wagner, secretary, Buckingham; and Myrna Masching, treasurer, Cabery.

Other volunteers helping out are Ron Shank, Cabery; and Herscher residents Brandon Stokes, Mary Kirstein, Monica Ruder, Wendy Skarstad, and Dennis Schwark.

A total of 17 volunteers help keep the museum staffed and ready for visitors.

Bus tours are hosted including a recent tour for residents of Harvest View of Herscher Grand Old Homes.

On Nov. 15, a special Civil War program will be open to the public.

Members also receive a newsletter quarterly.

There are several rooms devoted to various subjects and organizations including a church room, a farm/household room, rooms devoted to various towns including Reddick, Bonfield, Irwin, and Cardiff; and a military room.

Dwight Love Boxes

With the Christmas season right around the corner, it’s time to start thinking about community initiative Love Boxes.

Dave Bossert of Dwight began organizing the mission of sharing generous food baskets to families in need in the community 37 years ago and the tradition continues.

If you or someone you know is in need of a Love Box during this Christmas season, sign up by calling the Dwight United Methodist Church at 815-584-3420, e-mailing DwightLoveBoxes@gmail.com, or enrolling at www.dwightloveboxes.com (only choose one option).

This initiative over the years has been funded by many generous individuals and community organizations. If you would like to donate to this initiative, feel free to drop off your donation at any of the four local banks in Dwight (Bank of Pontiac – Dwight Branch, First National Bank of Dwight, Centru Bank, and Streator Onized Credit Union) or contact Max Sulzberger at 815-739-2315, Destiny Connor at 815-584-9081, or Rosie Miller at 815-228-9241 and they would be happy to assist you with a deposit.

If you would like to volunteer your time to help, join the committee Friday, December 11, at 9:00 a.m. and/or Saturday, December 12, at 9:00 a.m. at the Dwight United Methodist Church. Everyone is invited and no pre-sign-up is required.

If you have any questions, contact the above members.

Physician’s Corner

Elbow Pain

The elbow is prone to overuse and injury. One common ailment is “Tennis Elbow”, a painful condition of the outer elbow that sometimes radiates along the arm and results from overuse at work or during our daily activities. It typically involves dysfunction of the elbow joint and the related elbow muscles. A similar pain on the inside of the elbow is commonly referred to “Golfer’s Elbow.” Proper healing of an elbow requires professional assessment of elbow joint and muscle health followed by physical therapeutic treatment aimed at restoring adequate joint motion, resolving stiffness, and restoring muscle strength and coordination. When the muscles and joints of our body function properly together, these painful and injured areas often calm down, and feel and work better during our daily lives. Consider an expert Chiropractic Physician examination of your pain, injury or physical disabilities to get back on the road to a better quality of life! LETTER TO THE EDITOR

Cheerless Cheerleaders

First, I want to congratulate the Dwight Youth Football teams on a great season!

On October 10, our family traveled to Clifton to watch my grandson's team, the Juniors, as well as the Mighty Mites, play for their league's "Super Bowl." Two out of the three Dwight teams had made it to the league championship. They both played hard and well but lost to very good opponents. Good sportsmanship prevailed and a good time was had by all.

It's too bad the Dwight cheerleaders were left out of the festivities. The girls had rooted for the two teams from Dwight all season long, and into the playoffs, but for the last and most important game of the season they were conspicuously missing.

All the other teams had their cheerleaders there. At halftime the opponent's

cheerleaders performed for the stands on the other side of the field. However, the girls that would have been cheering on fans of the boys in green were either in the stands or at home.

Basically the same group of girls had been disappointed before. Those that attended a cheer camp were supposed to perform at halftime of a high school game. When it was postponed because of weather they were simply cancelled. Now it was happening again.

The girls were certainly disappointed. The teams were likely disappointed. All the families and fans were disappointed as well.

Perhaps a little more spirit would have helped the teams to victory, perhaps not. I don't know. I do know one thing for sure. Someone dropped the ball.

Caught in The Web

The internet is a crazy place. I think that a lot of my columns usually have something to do with the internet in some facet or another. I'm just really fascinated with it, it's something that has only been heavily used by people for the last 15 years or so. It's constantly evolving, it's the place where everyone's ideas flow and the product is sometimes very scary, but sometimes hilarious. The funniest things come from people who may have never had another outlet to express their creativity and have it seen by a lot of people in a fairly short amount of time. Recently one of my favorite writers, who lives in New York (Paul Cantor), needed an interview transcribed. Basically taking every word from audio and typing it, and transferring it into text. I halfway jokingly responded with "will I be paid?" The next thing I know I have a direct message from him telling me the amount I will be paid, and that it needs to be done by midnight. This is around 3 in the afternoon. The interview, which he conducted, was with platinum recording artist Young Jeezy. I went from a sarcastic tweet to being temporarily employed by an author who's been published in Rolling Stone, Billboard, and Yahoo Music among other publications. It's something that I'm going to put on my resume going forward, and I was financially compensated. I think too often we get told to be careful on social media, and not often enough about networking and fully utilizing the platform, and even in some circumstances creating opportunities for ourselves. Sometimes they're just hidden in the web.

Remodeled Basement Provides Solace for Parents of Four

by Myke Feinman
Managing Editor

Converting the basement of a Dwight home now provides a “parents’ cave” for the mother and father of a blended family containing four youngsters.

“We were combining two households,” said Craig Smith, the father of half of the household children. Shelley Fieldman is the mother of the other two.

“It’s a nice living area for us to be away” from the kids. He added the children have “kind of taken over the rest of the house.”

SHELLEY FIELDMAN, DWIGHT is behind the bar of her newly remodeled basement. The bar was built by her father, Rodney Bryant of Essex. The home, built in 1918, included a poured concrete wall basement with a concrete floor.

The Paper photo

Originally, the basement was concrete flooring with concrete walls and no bathroom facilities.

The newly-remodeled basement now includes a full bathroom, a built-in bar area, bedroom, a pool table, television and couch.

There is also a washer and dryer, full freezer and full refrigerator.

“The floor had to be busted out for plumbing in the bathroom,” Smith said.

“We did most of it on our own, with some friends along the way,” he added.

Bill “Bandit” Humbert did the tiling in the bathroom

and carpeting throughout the rest of the basement. He works at Zeke’s Furniture Mart in Dwight and also does contracted work on his own.

Shelley said the work was started a year and a half ago, and estimates the cost to be \$8,000, most of which was due to the bathroom installation.

The home, built in 1918, is at 118 W. Chippewa, and is a two story dwelling with one and a half baths (originally).

Shelley’s father, Rodney Bryant of Essex, built the bar for the 1,000 square foot “parents’ cave.”

But the project did not all go smoothly, like many construction projects, especially do-it-yourself jobs.

“We had sewer problems after we put in the plumbing which caused the downstairs bathroom to flood,” Shelley said.

She said when a person flushed a toilet upstairs, “it was like a geyser” in the basement bathroom.

“I about freaked,” Shelley explained. “We had just put the carpet down.

“I called my dad and said ‘why is it doing this?’ He told me to call somebody else.”

They had a friend help them fix the plumbing issue.

The carpet remained undamaged.

But then they found that water was seeping in the front from the front porch.

“So we had to go back in and seal it,” she explained.

Tips to Keep Your Lawn & Garden Equipment in Top Shape

Autumn is a busy time for lawn and garden equipment users – with leaves to mulch, garden beds to clean out, and yards to prepare for winter. The bustle of fall outdoor activities and chores can take a toll on outdoor power equipment, and it’s important for homeowners to check their equipment, maintain it well, and store it properly for the winter.

The following tips are to help homeowners keep their lawn and garden equipment in top shape and ready for winter storage:

- Set up a safe work zone.
- Collect your outdoor power equipment.
- Turn equipment off.
- Protect yourself.
- Inspect your outdoor power equipment.
- Clean your equipment.
- Drain the fuel.
- Store leftover fuel properly.
- Lubricate, sharpen, and charge as needed.
- Service equipment.
- Identify and clear a safe storage space.
- Properly store supplies.
- Locate your winter outdoor power equipment.

Home Video System May Provide Peace of Mind

By Myke Feinman
Managing Editor

If someone tries to break into your house, you may be able to catch the thief in the act—or at the very least have video of him to show police after the fact with a home security camera system.

Derrik Schwartz of Absolute Security, Pontiac, a video surveillance company, said such a system provides “peace of mind.”

He offers video surveillance equipment, the smallest system providing four different camera locations in a home, with larger systems available.

“If a break-in or robbery occurs, you have video evidence to show the police,” Schwartz explained.

He said he provides technical support locally for homeowners, and the equipment is warrantable for 10 years. The package includes free installation.

In addition to residential systems, he installs systems for commercial buildings.

Homes serviced are within a 40 to 50 mile radius of Pontiac, which includes *The Paper* circulation area.

All the equipment is network compatible, so it can be forwarded to a smart phone or other internet devices.

“If I take a trip to Costa Rica, I can see what’s going on at my house back in Illinois,” Schwartz said.

He said this will help if children are home alone. If someone comes knocking, you can see the person remotely, and tell your children, “it’s okay, it’s just Grandma,” or “I don’t know this person, don’t open the door,” Schwartz suggested.

He will show the homeowners the best way to place cameras to secure the property.

It will also work well for farmers who wish to have video surveillance on their livestock and don’t want to disturb the land digging trenches for hard cables.

“This is wireless technology, so you can go to the shed from the house without wires,” Schwartz said. “A lot of farmers put it in barns.”

DGS LADY REDBIRDS BASKETBALL

Thursday, October 15
Dwight vs. Seneca
7th Grade -

The Lady Redbirds were victorious on the road against Seneca October 15, 25-10.

Nellie Rieke led with ten points, with Kayla Kodat adding nine. Nora Anderson, Alexis Cuaya, Eden Beier, and Emily Weissman each had a basket.

“This was a nice win for us,” said Coach Forneris. “The girls worked as a team and took better care of the ball. Nellie and Eden did a great job on the boards and Jordan Schultz and Kayla Kodat really pressured the ball – causing several turnovers. Our goal is to keep each team we play from scoring more than 20 points and that goal was met tonight.”

Friday, October 16
Dwight vs. Flanagan
7th Grade -
LCT Consolation
Championship

Dwight won their consolation match-up with Flanagan October 16 in Forrest, by a score of 26-10.

Kayla Kodat scored a game-high 19 points, in addition to her six rebounds. Also scoring for the Lady Redbirds was Eden Beier with four and Nora Anderson with three. Beier

also grabbed 12 rebounds, including four offensive boards.

“The girls played hard and took better care of the ball,” Coach Forneris stated. “We still need to work on our boxing out and moving the ball quickly on offense.”

Monday, October 19
Dwight vs. Coal City
7th Grade -

Dwight’s seventh grade girls continued their hot streak as they defeated Coal City 23-6 at home October 19.

Kayla Kodat’s 17 points led the way for the Lady Redbirds, with Nellie Rieke adding four. Eden Beier chipped in two points.

“The girls are playing well and are focusing on both sides of the ball,” stated Coach Forneris. “Our defense held them to six points with a nice job again by Jordan Schultz and Kayla Kodat pressuring the ball.”

8th Grade -

In the eighth grade game, Dwight would fall to Coal City.

Scoring for the Lady Redbirds was Destinie Drapeau – four; Kelsie Transour – three; Felicia Nelson and Haley Jennings – two; Lilli Groves – one.

Transou and Groves led on the boards for Dwight as

well.

“The girls played as a team and met team goals as well as personal goals,” said head coach Sarah Jones after the game.

Tuesday, October 20
Dwight vs. Elwood
7th Grade -

Dwight captured their fourth straight win October 20, taking out Elwood 21-16 on the road.

Kayla Kodat had 16 to lead the Lady Redbirds. Nora Anderson contributed three points, while Nellie Rieke put in two.

“Kayla stepped up again for us on man defense and took it to the basket off the screen,” Coach Forneris stated. “We struggled being pressured and we will continue to work on that in practice. Eden Beier has really stepped up on the boards and boxing out. We will continue to work as a team.”

Dwight is now 7-3 overall.

8th Grade -

In the eighth grade contest, the Lady Redbirds were defeated by Elwood.

Destinie Drapeau’s six points led Dwight. Kelsie Transou had nine rebounds and five steals. Felicia Nelson and Madison Gamble each had two swipes.

OFFICIALS WITH THE Midwest Professional Basketball Association stopped by Victory Lanes bowling alley owned by Scot Banks. They included from left, Banks; Buzz Zeller, project manager of the Basketball Museum of Illinois to be opened in Pontiac next June; Ed Schumer, CEO of the MPBA; and Mark Myre, coordinator of the Pontiac team, the Pontiac 66ers.

MPBA Officials Stop by Victory Lanes in Dwight

By Myke Feinman
Managing Editor

Officials from the Midwest Professional Basketball Association, now in its second year, stopped by Victory Lanes bowling alley in Dwight, Oct. 21, to promote the new Pontiac 66ers professional team.

The league, which feeds into the NBA development league, international leagues and top-tier NBA teams, was formed last year with six teams including two in St. Louis, Missouri and the rest in Illinois, two in Chicago, one in Bloomington and one

in Champaign.

This year a seventh team based in Pontiac, the Pontiac 66ers, will be part of the league. There will also be a team in Lima, Ohio.

Players and coaches in the league are paid, and last year one member signed with the Chicago Bulls, said Ed Schumer, CEO of the MPBA.

“We had a good first year,” Schumer said. “We played 63 days in 98 games.”

The purpose of the visit was to let business and community leaders in Dwight

know the league will be a part of the communities in Livingston County.

“This is not a Pontiac effort,” Schumer stressed.

In addition, the league is accredited by the University of Illinois to provide internships for sports management majors.

Besides Schumer, Buzz Zeller of the Basketball Museum of Illinois based in Pontiac, was at the bowling alley to talk with people about the effort being housed in the former K-Mart building.

It is scheduled to be opened in June 2016.

Planned exhibits include Chuck Rolinski, Dike Eddelman, Harlem Globetrotters, State Championship displays for both boys and girls, referee section, coaching icons, NBA Players, NBA coaches, NCAA coaches, radio display, Pontiac Holiday Tournament Exhibit, basketball trivia, and an onsite shooting center for clinics, team practices, and special events.

Tri-Point Chargers Cross Country

Saturday, October 24
Tri-Point at IHSA Regional
The Chargers competed in the IHSA regional held at KCC and hosted by Bishop McNamara October 24, and despite having just three runners in each race, they still churned out some good performances.
On the girls side, Abby Kerrins led the way for Tri-Point, finishing in 20th place with a time of 21:40 – good enough for her to advance to sectionals.
Ali Flessner was next, coming in at 27th overall with a time of 22:01. Anica

Bruner followed with a personal record time of 25:57 – over a minute faster than her previous best.
David Amador led the boys, finishing in 26th place with a time of 17:56 – good enough to advance to the sectional meet. He was followed by Jacob Ritchie at 18:53 and Nathan Berens at 19:16 – good enough for 43rd and 48th overall, respectively.
Kerrins and Amador will be in action at the sectionals Saturday, October 31, at Lisle High School.

GSW Panthers Cross Country

Saturday, October 24
GSW at IHSA Regional
The Panthers were in regional action October 24 at KCC, with the boys squad finishing fifth overall with 129 points – advancing to the Lisle sectional Saturday, October 31.
Daly Galloway reigned as girls regional champion for the third straight season.
With just one senior and five first time runners, Coach Lane said “all of the team members who ran stepped up their level of intensity and delivered great races – I am proud of all of

them.”
Individual results are as follows:
Boys -
Michael Mankowski, 2nd, 16:21; Dan Muller, 11th, 17:00; Payton Christoff, 30th, 18:19; J.C. Santos, 32nd, 18:24; Calvin Croy, 61st, 19:45; Kerrick Dyer, 60th, 19:44; Josh Pearson, 61st, 19:45.
Girls -
Daly Galloway, 1st, 18:01; Rylie Bond, 38th, 22:59; Hayley Cummings, 40th, 23:15; Tori Hayner, 54th, 24:35.

DTHS Trojans Football

Monday, October 19
Dwight vs. Iroquois West JV -
Dwight JV Trojans picked up their second win of the season on October 19, defeating Iroquois West 8-0 in Gilman.
Defense was the key for Dwight, as they held IW in check throughout much of the night – including two big red zone stops.
The lone score came from Colton Holm on a one-yard run – followed by a two-point conversion made good on a pass from Holm to Dakota Wahl.

quarter – followed by a two-point conversion from Fox – giving the Trojans a 24-12 edge at the half.
In the third, a ten-play drive orchestrated by Fox would end on a wild play in which he lost the ball amongst the sloppy field conditions, only to find it right back in his possession – scoring on a two-yard run and giving Dwight a 32-12 lead after a successful two-point attempt.
After the Bombers broke for a 35-yard run halfway through the third – cutting the lead to 32-18 – the Trojans would put up two scores in less than a minute early in the fourth, giving Dwight a commanding 46-18 lead. Fox would get the score on another two-yard rush, while Jordan Tyner capitalized on a previous recovered fumble on defense, running one in just a play later.
Argenta-Oreana was not done, though, as they connected on a pair of touchdown passes in the final frame. But it was too little, too late, as Dwight closed the book on them and their season – finishing with a record of 5-4.
Fox would end up 2-5 on the evening, throwing for 37 yards total.
In the air, Kavanaugh would snag a 21-yarder, with Jordan Tyner grabbing a 16-yard catch.
On the ground, Kavanaugh picked up a game-high 277 yards on 31 carries. Jordan Tyner gained 69 yards on 12 rushes, with Fox picking up five yards on eight runs. Alek Murray rounded out the rushing with four yards on five carries.
On defense, Jansen Tyner led with 8.5 tackles, including one for a loss. Blake Graham had four tackles, with Connor Gantzert getting 2.5 tackles. Jeshua McCullough, Jordan Tyner, and Andrew German had two tackles each, while Ethan Stewart, Riley Christoff, Trimi Asllani, Jack Hilt, and Michael Bennett each added a tackle – Stewart with one for a loss.

DURING HOMECOMING WEEK 2015, the DTHS student body competed in a Penny War with all proceeds to benefit Dwight Christmas for Kids. At the end of lunch on Thursday, the containers of change were taken to Dwight Bank to be counted and tabulated. Freshmen Class of 2019 brought in the most pennies, but the upperclassmen made sure to counteract their effort by contributing a lot of silver in their containers. Overall, the big winner of Penny Wars was Christmas for Kids, as the DTHS student body presented a check in the amount of \$773.02. Class Treasurers are: Riley Connolly – freshmen; Ryan Hogan – sophomore; Delaney Haase – junior; Jackson Gettinger – senior.

'Christmas for Kids' in 23rd Year

of Helping Families in Need

Christmas for Kids is a program started 23 years ago in Dwight to help families in need at Christmas. Using funds donated by various Dwight area organizations and individuals, a volunteer committee sends offers of help to families in need who are parents or legal guardians of children living in the Dwight school district. Those families are asked to fill out a "Wish List" of items needed and/or wanted by their children. These wish lists will be provided by the committee.

Once the "Wish Lists" are returned, the committee determines how much money can be contributed for each child, depending upon the funds available at that time.

Then the committee needs your help! Volunteers are needed to shop for the children using the "Wish Lists" and funds from the Christmas for Kids committee.

The committee asks that gifts be returned wrapped and properly labeled. The committee then organizes the gifts to be delivered. Volunteers are again needed

Upcoming Events

at Limestone Library

Limestone Twp. Library, 2701 W. Tower Road, is hosting the following programs:

- **The Over-18-Crowd Movie Afternoon: Friday, October 30, 1:30-3:30 p.m.** What would the day before Halloween be without a screening of the 1932 classic horror film Dracula starring Bela Lugosi as the creature of the night?
- **PowerPoint Class: Tuesday, November 3, and Thursday, November 5, 6:00-7:30 p.m.** Want to learn how to put together a spiffy presentation?
- **Happy Anniversary Party: Saturday, November 7, 1:00 p.m.** Celebrating the 20th Anniversary of the Library.
- **Introduction to Excel: Monday, November 9, and Thursday, November 12, 6:00-7:30 p.m.** Using a spreadsheet can be very helpful but creating one might be a problem.
- **Adult Book Club: Tuesday, November 10, 6:30-7:30 p.m.** Discuss Jodi Picoult's "The Storyteller". Stop in to pick up your copy.
- **Scrabble Saturday: Saturday, November 14, 1:00-2:00 p.m.** Compete against family and friends with the word game that makes you pull out tiles and fill the available spaces on the board. Fifth grade and up.

Registration is required for all programs. To register stop in at the Library, call them at 815-939-1696, or visit www.limestonelibrary.org

to help deliver the gifts before Christmas.

To shop for a family: Please go to the Dwight United Methodist Church, 701 S. Columbia St. (next to the Dwight Grade School) between 10 a.m. and 2 p.m. (sooner if all lists are gone), on Thursday, November 12. Gifts will need to be dropped off at the church by Thursday, December 10, between 11 a.m. and 5:30 p.m.

To deliver gifts: Go to the Dwight United Methodist Church on Saturday, December 12, at 9 a.m. Delivery of Christmas for Kids gifts is done along with the delivery of Love Boxes (a program that provides food boxes for families in need).

Last, but not least: Monetary donations are needed! The program buys gifts from each child's "Wish List" and therefore cannot accept donations of general items. Monetary donations are accepted at each of the four Dwight banks. Checks should be made payable to "Christmas for Kids."

If you have any questions, you may contact the Christmas for Kids Committee at 815-584-2179.

Read to Rhoda at Library

Elaine Mortensen will be at the Prairie Creek Public Library from 3:30 to 4 p.m., Tuesday, Nov. 3. She will be bringing her furry friend, Rhoda, to participate in the "Read to Rhoda" program, a way for children of all ages to practice reading aloud.

GIRL SCOUT TROOP 1505 kicked off the 2015-16 scout year by holding a Bridging Ceremony at their October 6 meeting to honor the three girls that completed the requirements to advance from Daisy to Brownie. Surrounded by family and friends, the girls were presented certificates and a Brownie sash. The 2015-16 scout year is just beginning. It's not too late to join a troop. For more information about joining, contact Michele Brant at 815-824-6004 or visit the Girl Scout website at www.getyourgirlpower.org. Photo provided.

CAMPING, HIKING, CIVIL WAR, O MY! Boy Scout Troop 459, Chartered by Godley Park District, had a great time on October 16 and 17. The Troop camped at Channahon State Park, then the next day, hiked 6.5 miles on the I&M Canal to Dollinger Farm to watch the Civil War Re-enactments. This is the second year the troop has done this and it has become one of their favorite outings. Scoutmaster Tom McDaniel said that the scouts did a great job setting up and taking care of camp and all were ready for the hike. The scouts really enjoyed the Civil War re-enactment, especially the cannons. In the picture(L-R) are Nick M, Michael S, Austin N, Danny P, James M, and John H. Photo provided

Tri-Point to Use Warrants to Secure Cash Flow Next May-June

By Myke Feinman
Managing Editor

Because the Tri-Point School District receives roughly one fifth of its annual budget funds at the end of the school year, they start to run into cash flow problems in the last couple of months.

To resolve the issue, the district plans to issue tax anticipation warrants to shore up red ink in May or June, 2016.

Superintendent Jeff Bryan told *The Paper* that Ford County has been paying their first installment of taxes in the third week in June. The payments are for early for the following school year.

The early tax money began funnelling into school coffers from Ford County five years ago each June.

Early money is counted in

the year in which it is received, not the next year, thus shorting the following year that much money. The shortfall was previously made up with cash reserves, Bryan explained.

Now that those reserves are depleted, the district will, for the next two school years, have to use the tax anticipation warrants to alleviate cash flow issues at the end of each school year.

By the 2017-18 school year, the district should be back in the black with wind farm funds sailing into the school district budget.

“Fifty-six percent of the EAV [equalized assessed valuation] is in Ford County,” Bryan said.

The early tax money payment in the third week in June is roughly \$1.3 million or roughly one fifth of the

entire \$5 million annual school budget.

Out of the \$5 million, roughly \$3.6 million is local property tax dollars from EAV revenue. Of that total \$3.6 million in EAV, roughly \$2 million is from Ford County alone.

\$1.3 million is the first installment of next year’s \$2 million.

The second payment of roughly \$700,000 comes in August.

Bryan was authorized by the board Oct. 19 to research bonding institutions, and said he will be contacting local institutions for the warrants.

“The interest is pretty cheap right now,” he said. By law school districts may borrow for 60 days up to 80% anticipated taxes.

GGs Receives \$117,598 TIF Payment

By Myke Feinman
Managing Editor

The Gardner Grade School board learned that it received a \$117,598 payment from its Tax Increment Finance district at its regular board meeting Oct. 15.

According to Superintendent Tony Whiston, the district has received a total of \$331,412 in TIF district funds this year so far.

In other action, the board:

- authorized Whiston to hire a school secretary, four days a week at the rate of \$11.50 an hour. This position is to replace Andrea Brodinski who resigned.
- Heard the district will hold its Blue and White day Oct. 23 and parent-teacher

conferences were to be held Oct. 22-23.

- Oct. 7 was grandparents day with an attendance of 300 adults.
- Teachers were taught CPR techniques Oct. 7 by

the Gardner Fire Department.

- For Fire Prevention week, the Gardner Fire Department hosted an assembly of students in the school gymnasium Oct. 9.

Dec. 28 is Deadline for Binding Referendums

By Myke Feinman
Managing Editor

The deadline for all municipalities, park districts and school districts to file a binding referendum for next March is Dec. 28.

Because the election last spring was a consolidated election statewide, there will be no election this November, said Gail Smythe, election deputy for Livingston County.

However, there will be a primary election for nation-

al, state, and local offices and party officials March 15, 2016.

If any one is interested in placing a non-binding question on the March ballot by filing a petition, the deadline is earlier, Dec. 15, Smythe said.

The referendum and public deadline and question deadlines are statewide dates, not just for Livingston County, according to Bruce Clark, Kankakee County Clerk.

Adopt-A-tree Early Bird deadline approaches

The Dwight Economic Alliance will again sponsor Adopt-A-Tree for the holiday season. Live Christmas trees will be available for adoption by businesses, organizations and families. Decorations should be weather and wind proof. Lights may also be used. Trees will be located around Santa’s House on West Main Street. All trees must be decorated by December 3.

Trees adopted before November 1 will be available at a reduced price.

A decorating party will be held Sunday, November 29 from 2-5 PM. The park on East Main Street will also be decorated that day. Everyone is welcome to come and join the fun.

Notice is hereby given that the Treasurer and Ex-Officio County Collector of Livingston County, in the State of Illinois, will apply to the Circuit Court of said County at 11:30 AM on Friday, November 13, 2015, for judgment against the lands, lots and mobile homes described in the foregoing lists for taxes, interest and costs due and unpaid thereon for the real estate year 2014 and mobile home year 2015, or any part thereof, and also for forfeitures for prior years. Said lands, lots and mobile homes being situated in the Townships of _____Dwight, Round Grove, Odell, Union and Broughton Townships, in the County of Livingston, State of Illinois, as set forth in the foregoing lists. Simultaneously an application will be made for an order to sell the taxes on the same lands, lots and mobile homes for the satisfaction thereof, and for judgment fixing the correct amount of any tax paid under protest.

And Notice is hereby given that on the first Tuesday succeeding application for judgment, said date being November 17, 2015, the taxes on all lands, lots and mobile homes in the foregoing lists against which judgment shall have been pronounced and for sale of which an order shall have been made will be exposed for public sale at the Office of the County Treasurer, Courthouse, Pontiac, Illinois. The amount of sale being taxes, interest and costs thereon. Said real estate sale will commence at 10:00 A.M. on November 17, 2015 and continue until all parcels have been offered for sale. Said mobile home sale will commence at 1:00 P.M. on November 17, 2015 and continue until all have been offered for sale.

Any persons wishing to purchase delinquent taxes at the tax sale must be registered with the County Collector at least ten (10) business days prior to the sale. A written registration is required and must be received before November 2, 2015.

Dated at Pontiac, Illinois this 23th day of October, 2015

Barbara R. Sear, County Treasurer and
Ex-Officio Collector of Livingston County, Illinois

GSW HS Board Seeks Working Cash Bonds at No Cost to Taxpayers

The Gardner South Wilmington High School board is considering re-issuing working cash bonds but with no increase in the tax rate.

David Pistorius, First Midstate Investment Bankers, explained details of working cash bonds to the board at its meeting Oct. 21.

The Board had previously discussed pursuing working cash bonds to provide access to revenue.

Pistorius pointed out that a working cash bond at this time should not increase the tax rate for residents.

Superintendent Mike Perrot told *The Paper* last week that there will be no net increase in the tax rate because the new working cash bonds will begin immediately following the retirement of old working cash bonds.

Brian McElroy was in the audience and had several questions: How much money was being transferred from Working Cash Funds into other funds? Mr. Perrott responded that as approved in this year’s budget \$206,161 would be abated into Education, \$100,000 into Operations & Maintenance, and \$150,000 into Transportation.

Perrott estimates the dis-

aid/scholarships; housing contract/campus safety; time management; overcoming life’s challenges; and school pride.

Oct. 7 was a professional development afternoon for the teachers at Coal City High School.

A surprise security search of all students occurred one morning before school.

On Friday, Oct. 16, Jody Latham, English teacher from Bradley-Bourbonnais, worked with English teachers at GSW on mapping the English curriculum. She returns Nov. 9 to meet with the teachers.

Two state-mandated safety items were completed: a fire drill with the Gardner Fire Department Oct. 1; and a lockdown drill with the Grundy County Police Oct. 7; There are two additional safety items this year to be state compliant.

GSW will host the volleyball, girls basketball and boys basketball regionals this year.

The Oct. 26 all-school assembly in the gym explained the dangers of heroin and opiate addictions, with Tim Ryan as presenter.

Cassie Bashayreh, GSW Spanish teacher, addressed the board about a trip, taking students to a “Spanish Speaking Country.” She is considering Costa Rica, and would need a minimum of 15 total participants to be able to take a private group trip.

It would be an 8-day trip with a cost of \$2,123 per student. The price includes flights, meals, ground transportation, buses, hotels, and extra trips in the country. Bashayreh distributed packets of information with details of the trip, and a list of fund-raisers they can do to help students with the cost.

McElroy’s second question: was the part-time custodial position posted in the website and in the paper? Perrott responded that it was.

Village Commissioner James Riley complimented on how “great the school looks.”

He also stated that he would know more about the Village of Gardner’s sewer project after the Village meeting Oct. 26 and would let Perrott know the status.

GSW received a thank-you letter from the Village of South Wilmington Park Committee regarding participation at Party in the Park; and a thank-you letter from the Class of 1955 for the Sunday afternoon, Sept. 20, building tour given by Engelman.

Board policy revisions/additions were distributed to board members, with some discussion regarding the policy that discusses private/homeschool student participation in GSW extracurricular activities.

Perrott reported on several building / grounds projects; the Board has a generator proposal from Elliot Electric, awaiting those from Excel and Baker Electric to compare costs; the new scoreboard is installed and being used for volleyball games. The Athletic Boosters donated \$3,000 toward the cost of the board; an insurance settlement check has been received for the flood damage last summer;

NOTICE OF INTENTION OF TOWNSHIP HIGH SCHOOL DISTRICT NUMBER 73 GRUNDY AND KANKAKEE COUNTIES, ILLINOIS TO ISSUE \$755,000 WORKING CASH FUND BONDS

PUBLIC NOTICE is hereby given that on the 21st day of October, 2015, the Board of Education (the “Board”) of Township High School District Number 73, Grundy and Kankakee Counties, Illinois (the “District”), adopted a resolution declaring its intention and determination to issue bonds in the aggregate amount of \$755,000 for the purpose of increasing the Working Cash Fund of the District, and it is the intention of the Board to avail of the provisions of Article 20 of the School Code of the State of Illinois, and all laws amendatory thereof and supplementary thereto, and to issue said bonds for the purpose of increasing said Working Cash Fund. Said Working Cash Fund is to be maintained in accordance with the provisions of said Article and shall be used for the purpose of enabling the District to have in its treasury at all time sufficient money to meet demands thereon for expenditures for corporate purposes.

A petition may be filed with the Secretary of the Board (the “Secretary”) within thirty (30) days after the date of publication of this notice, signed by not less than 236 voters of the District, said number of voters being equal to ten percent (10%) of the registered voters of the District, requesting that the proposition to issue said bonds as authorized by the provisions of said Article 20 be submitted to the voters of the District. If such petition is filed with the Secretary within thirty (30) days after the date of publication of this notice, an election on the proposition to issue said bonds shall be held on the 15th day of March, 2016. The Circuit Court may declare that an emergency referendum should be held prior to said election date pursuant to the provisions of Section 2A-1.4 of the Election Code of the State of Illinois, as amended. If no such petition is filed within said thirty (30) day period, then the District shall thereafter be authorized to issue said bonds for the purpose hereinabove provided.

By order of the Board of Education of Township High School District Number 73, Grundy and Kankakee Counties, Illinois.

Liv. Co. Health Dept. Encourages Flu Vaccines by Veterans Day

In an effort to help everyone protect themselves and their families from the flu this Thanksgiving, the Livingston County Public Health Department recommends both adults and children get their flu vaccines by November 11, which just happens to be Veterans Day. How easy is that to remember?
Keeping yourself, and those you spend Thanksgiving with, free from the flu takes planning ahead by about two weeks. That is how long it takes for your flu

vaccine to become fully effective. The public health department will be closed on November 11, for Veterans Day, and November 26 and 27 for Thanksgiving.
The flu vaccine is available at the health department, Monday through Friday, 8:00 a.m. to 4:30 p.m., on a walk-in basis. Other times for vaccinations are available by calling the health department at 815-844-7174 for an appoint-

ment.
A fee applies for the influenza (flu) shot. The health department will bill Medicare, Medicaid, and most private/employee health insurance plans. Cash, check, and debit cards are also accepted. The cost for the flu vaccine for children and adults who are under/uninsured is discounted through the VFC/VFA program. People who have Medicare Part B or Medicaid

coverage need to present their cards. State employees and retirees need to present their employee I.D. cards.

The CDC recommends everyone six months of age and older get the flu vaccine.

Vaccination is also important for anyone who has close contact with a person at high risk for complications, or a child younger than six months of age.
