## AA Roundup

- Save The Date -

### ‘Keeley Institute Day’ July 17 in Dwight

The Dwight Village Board has proclaimed Sunday, July 17, “Keeley Institute Day,” to commemorate the 150th anniversary of Dr. Leslie E. Keeley opening his medical practice and the closing of his institute for the treatment of addictions 50 years ago. Members only of The Alcohol and Drug History Society are holding a “I’ve Been To Dwight” conference July 14-17 at The Country Mansion, 101 W. South St. It, as The Lodge, housed patients of The Keeley Institute from 1939-1966.

The public is invited to participate in Sunday’s

activities planned by the Dwight Historical Society. A special Keeley exhibit has been made in the 150 year old railroad depot museum. It will be open for no charge from 11:00 a.m. to 4:00 p.m. Throughout Sunday, hourly, narrated bus tours of Keeley sites will be offered.

A simulated Alcoholics Anonymous Summer Round-Up is to start at 1:00 p.m. on The Mansion grounds, free to the public. A temperance sermon will open the program, followed by addiction-related speeches and a panel discussion to address audience questions. A Keeley time capsule, buried in 1939, will be opened at 4:00 p.m.

The Dwight Historical Society Museum is open the second and fourth Saturdays of each month from 10:00 a.m. to 1:00 p.m., or by appointment.

**THE CIVIL WAR ROOM** in the Essex Historical Society Museum includes memorabilia from the Civil War through current overseas conflicts. The Essex Historical Society is marking its 25th anniversary Sunday, June 26 with an Open House from 9 a.m. to 1 p.m.

## Essex Historical Society Reaches Quarter Century Mark

by Myke Feinman  
Managing Editor

The Essex Historical Society has been serving Essex area residents for 25 years, marking the anniversary with a special open house Sunday, June 26, 9 a.m. to 1 p.m.

As part of the event, Nick Koba, of Diamond, will be on hand with pictures and his extensive expertise on the Coal Mining operations in the area.

“He will be able to answer all sorts of questions on strip mining when those big crawlers were there,” said Dee Wepprecht, president of the association who has been involved with the museum since the inception of the association in 1991.

“A lot of people want to know what happened to such and such,” Wepprecht said. Koba has all the answers, she explained.

The society’s original officers were Wepprecht as

president; Elouise Ferrence, vice president; Richard “Dick” Jones, treasurer; and Burt Stauffenburg secretary.

“Back when we started, Dick Jones, who was always grinning, said the going law of averages is only 10 years for an organization such as this,” Wepprecht joked. That was 25 years ago.

The newest addition to the museum is a section dedicated to Jacob “Jake” Jacklich, the last deep coal miner in the area, in a mine south of South Wilmington.

The display includes Jake’s tools, and “everything about deep mining,” Wepprecht said.

The historical society’s museum is housed in the former Essex Grade School and also includes the historic one-room school house where several Essex residents who are still living attended school many decades earlier, (continued on page 5)

## Area Teachers Retiring

**Dwight Grade School**

**Mrs. Beth Goodwin** retires from Dwight Grade School after 21 years of teaching Health Education and Kindergarten P.E., as well as coaching track and field and serving on many school and DEA committees over the years.

“My thoughts and feelings on my time spent teaching are beyond words,” Goodwin says. “Students still hug me when they leave on their last day of the term and say ‘I will miss you.’”

“I will miss seeing the excitement on my students’ faces after having them teach a lower grade level about the ‘Body Systems,’” she adds. “The students can’t wait to tell me how much fun they had and that they wanted to teach another class. Some may even decide to go into teaching after having this experience.”

Prior to her teaching at

DGS, Goodwin substitute taught in the Homewood District Schools for eight years.

Goodwin’s career accomplishments include being chosen for the Illinois Principals Association Staff Recognition Luncheon in 2014 and 2016, receiving a Certificate of Excellence Award in recognition of continued Excellence in teaching Health Education, and acting as chairperson for Red Ribbon Week for 14 years.

Of her most memorable moment, Beth remembered Dr. Jancek e-mailing her, asking her to be sure to attend the Board of Education meeting in November of 2014.

“He surprised me with an award of Excellence in making a difference in students’ lives,” she said.

The award was given to her because a former student needed to perform the Heimlich Maneuver on his older brother in order to save his life while his grandparents and younger sister watched in shock.

When his grandparents asked their grandson how he knew what to do, he said he learned how to do the emergency procedure in Mrs. Goodwin’s Health class.

“A memory I will never forget,” states Goodwin.

## Assistant Principal/AD Change at DGS June 8 BOE Actions/No July Session

by Madelyn Fogarty  
[madelynfogarty@yahoo.com](mailto:madelynfogarty@yahoo.com)

At its June 8 meeting, the Dwight Grade School Board of Education accepted the resignation of Jon Fox, Assistant Principal and Athletic Director for District #232. Mr. Fox, who had been with the Dwight District for two years, has accepted a position in another district. Board President Marc Ellis opposed the move.

Replacing Fox as Dwight Grade School’s new Assistant Principal / Athletic

Director starting with the 2016-17 school year is Brandon Owens. Mr. Owens comes to Dwight with six years of teaching experience at the middle school level and three years of administrative experience in Kindergarten through 8th grade. He earned his Bachelor Degree from Olivet Nazarene University and his graduate level degrees in Administration and in Curriculum and Instruction through American College of Education. Mr. Owens received a two-year contract with a starting

salary of \$67,000 for 2016-17 along with paid TRS at 9.4%, medical insurance at \$605/month (same as all other staff), and all other regular benefits. Owens’ salary for 2017-18 is to be determined. His start date is July 1.

In another matter, due to an issue regarding a time-frame requirement with the Bonding Company, no action was taken on a Resolution providing for the issuance of General Obligation School Bonds (Alternative Revenue Source) Series 2016A in the

amount of \$300,000 with a two-year payment schedule beginning June 1, 2017 for the purpose of a new heating system for the school. In May, the BOE did approve a low bid of \$331,519.00 from A & R Mechanical, Inc. for installation of a new boiler and controls. An A&R Mechanical bid was also accepted for the removal of existing piping at a cost of \$9,250. Along with the new boiler system, an area of asbestos abatement will be necessary with a bid cost of \$46,430 from Midwest Serv- (continued on page 5)

June Pontiac Cruise-In to Benefit Livingston County Cancer Fund

Hot rod drivers and car lovers alike will have an opportunity to support the local county cancer fund on Saturday, June 18th at the Pontiac Cruise-In. Before, and during, the event, Public Health Department staff will be selling 50/50 raffle tickets to raise money for the cause. Through funding raised from the 2015 50/50 drawing, donations received from private individuals, and memorials, 13 people in Livingston County were provided assistance in 2015, as they fought battles with cancer.

The Livingston County Cancer Fund, which is administered by the health department, uses funding for direct services for county residents. No funding is used for administration, research, or support of any agency. Sometimes it's a one time need, such as help paying for a medication not covered by insurance. Frequently, assistance is needed with paying for gas to travel to specialist appointments in Chicago or Peoria, or making multiple trips to Normal for radiation or chemotherapy treatments. "Transportation to health care services within the

county can be an issue for some citizens in our geographically large county, making it easy to understand the need to travel to specialized medical care only available outside the county" says Louie Lyons, Pontiac Township Supervisor, who strongly supports the County Cancer Fund.

"We are thankful for the funding that provides us the means to provide assistance for needs that are not covered by any other resource," says Hillman. "And, it is always heartwarming to receive cards and kind words from those who have received assistance, or their families, telling us how much this assistance helped

them when they were going through a very difficult time in their lives."

Whether you're cruising in a finely restored Ford, a classic Chevy, a maniac Mopar, or a totally rad Ratrod, or you just enjoy cruising around the Pontiac Square on foot, we hope you will support the efforts to help those battling cancer cruise through treatment just a little easier. 50/50 tickets can be purchased in advance at the Livingston County Health Department or the Pontiac Township Office, or on June 18th at the Cruise-in from 4 to 7:30 p.m. You don't have to be present to win - but why wouldn't you want to be there?

THIS PHOTO WAS TAKEN DURING TWA DAYS at the Glenview Club on September 19, 1930. Dr. James Oughton is in all white. Banker Frank L. Smith is at the right. Attorney C.J. Ahern, Sr. is on the left. The fourth man is unknown. Call Mary Flott at 815-584-2107 if you know this man.

## The Murder of Dr. James H. Oughton, Sr.

**Note: The Paper continues its articles about the Keeley Institute culminating with the Dwight July 14-17 Alcohol and Drug History Society conference.**

The Dwight Keeley Institute treated 869 patients in 1930, the years that it began housing them in The Lodge. The 1929 Depression caused a decline again, with 747 treated in 1931 and a few over 500 the next two years. Dr. Oughton closed all but four of the franchise institutions which resulted in more coming to Dwight. The 21st Amendment repealed prohibition in 1935, and The Keeley's revenue spiked to over \$180,000 with almost 900 treated.

Late in the morning of August 1, 1935, a blue Chevy Coach, with wire wheels but no license plates, parked in front of 310 S. Prairie Ave. This was the brick bungalow that had been converted into The Keeley administrative offices in 1919, not the pres-

ent Keeley Building. Three passengers exited the vehicle, while the driver kept the engine running. One cut the telephone line, and the other two men, wearing dark suits, entered through the front door. They pulled revolvers and herded the employees into a side office. Keeley Co. Treasurer, Maurice Nelson, hid in the front office, and was able to jump out a window and run for help.

Hearing the commotion, Dr. Oughton walked to the front lobby. He was met by one of the gunmen who, without hesitation, shot him in the temple. Dr. Oughton died about 1:30 that afternoon.

One of the men grabbed a strong box, and they both ran to the waiting car before the police arrived. The Chevy was last seen five miles north of Odell. The identity of these men remains a mystery, as well as why the only item taken was

a box containing papers only valuable to The Keeley that were never recovered.

Dr. Oughton was survived by his wife, Barbara, and their three children, Dorothy, James, Jr., and Richard James, Jr., a recent graduate of Dartmouth, who assumed the administrative duties of the Institute. In 1942, The Keeley office building was remodeled, adding the second story, as it appears today. The lab was moved from the basement to a large modern lab in the second story with additional offices.

Richard left college to join the Marine Air Corp. James later enlisted in the Army, requiring their mother to run the business. James resumed as administrator in December 1945. When Richard returned home, he managed the several hundred acres of Keeley Co. and Oughton farmland out of an office in The Keeley Building.

## Herscher Labor Day Celebration

The Herscher Chamber of Commerce and its Labor Day Parade Committee announces the following for its 2016 Labor Day Parade.

The Parade will have a theme this year as the Village of Herscher and the Herscher Chamber of Commerce host the 96th Homecoming Celebration.

The theme that has been selected is: "Herscher...Then and Now". The Parade Committee believes that this theme allows the Churches, Businesses and Organizations of the Herscher area an opportunity to showcase changes that have occurred over the years in the community.

The Parade Committee is looking for the graduated classes of Herscher High School with their year ending in a 6 - such as: 1946, 1956, 1966, 1976, 1986, 1996, 2006, and 2016 - to build a float for the Labor Day Parade. Additionally, any graduated class of Herscher High School is welcome to enter a float in the Parade.

Parade applications will be mailed in mid July, 2016 to those on the Chamber of Commerce's mailing list. Additional forms will also then be available locally at the Herscher Village Hall and Centruue Bank in Herscher.

## Essex Historical Society Reaches Quarter Century Mark

(continued from page 1)  
“The brown one-room school was out by the strip mines,” Wepprecht explained.  
“All I was trying to do was preserve the history of the soldiers,” from the Essex area, Wepprecht explained of the idea for the museum 25 years ago.  
The military area of the museum includes memorabilia from the Civil War through current overseas conflicts including a wall dedicated to nine members of the Lade family that served during WWII.  
“Joe (Lade), the baby, he still lives,” she said,  
Wepprecht remembers Memorial Day in Essex when she was a child.  
“On Memorial Day we put flags on graves,” she said, “Kids would be dressed in their Sunday best.” She said at the time

people walked on a gravel road to the graves at the cemetery.  
“World War II was so bad, there were some that didn’t come home,” she said. Five people from Essex were lost in World War II, roughly 1 percent of the town’s population.  
A special World War II memorial was deteriorating in the center of Essex, so the historical Society built a new smaller version in the museum, dedicated in 2012.  
“The honor roll used to be on Main Street,” she explained, saying it was designed by the Essex Ladies Relief Corps. “We built one just like it.”  
Among the historic displays is a section dedicated to the metal Sculptures of the late Jack Barker.  
She said members from all across the Essex commu-

nity have been active in helping preserve the area history, but alas, many of them have passed away too. Just last year five active members died: John Wepprecht, Martha Unz, Jan Joyce, Jerry Strachan, and Margaret Dvorak.  
The current officers include Wepprecht as president; “Speedy” Maldonado, vice president; Shirley Lundgren, secretary; and Robin Sheputis, secretary.  
The event coincides with the Essex Lions Pancake breakfast, served at the Essex Lions Hall across the street from the historical society building, all morning long.  
There will also be refreshments served at the anniversary celebration. For further information, call Wepprecht at (815) 365-4048.

The Brown School, sometimes called the Wooduff School, was built in 1897. It stood at the southwest corner of Section 5 in Essex Township. By 1948, like many other country schools with small enrollment, it was closed.  
It served as a primary classroom in what eventually became a four room school. A number of Essex residents attended the one-room school.

## Assistant Principal/AD Change at DGS June 8 BOE Actions/No July Session

(continued from page 1)  
ice Group approved for the abatement work. The BOE will issue \$300,000 in bonds with the balance needed for the heating project coming from Capital Projects Fund 60, Operations & Maintenance Fund, and Health Life Safety. Monies used for physical building improvement projects are not tied to education or salaries. The Board is expected to take action to pass the Resolution at its Board retreat session scheduled for June 23.  
In other business on June 8, with the Board’s earlier decision to not meet in July, several actions were

approved in preparation for items that might need attention before the next regular session in August. Those actions included the authorization to pay Fiscal 2016 bills; authorization to pay July 2016 bills, authorization of inter-fund transfers, and the authorization for the employment of new faculty and staff members or to make RIF recalls should any sudden need arise prior to the August BOE session.  
Jana Kinkin was employed as a new Pre-K teacher for DGS. Ms. Kinkin comes to Dwight with six years of private school experience and will receive a starting salary of

\$44,724 plus benefits. Kinkin will take over for Leslie Grieff who will be relocating and resigned last month.  
In other hiring actions, the Board approved the employment of Beth Goodwin as a K-8 Physical Education Aide. Summer school teachers and aides were also approved for employment including Suzanne Schall, Sue Peters, Laura Reamer and Laura Franks.  
The Board discussed classroom phone upgrades including adding phones to classrooms that do not have phones and also adding an element to the system that

would allow access to the intercom system for all phones giving added communication during crisis situations. Estimated costs are expected to be \$25,000 to \$30,000. A formal proposal is expected at a later date.  
A renewal of the Prairie State Insurance Cooperative for coverage and premiums of property, liability, auto, and workman’s compensation was approved by the BOE at a cost of \$44,499. This reflects a 5.29 percent decrease in cost over last year. This is a one year renewal.  
The Board considered an Intergovernmental Agreement with the Livingston

County Sheriff’s Department which would allow the Sheriff’s Department access to the school’s surveillance footage in a crisis/emergency situation. Due to some language concerns regarding sunset and opt out clauses not included in the agreement, the BOE delayed action until the concerns could be addressed. The agreement is expected to come before the BOE again for approval at its June 23 Board retreat.

The Board also approved:  
• IASB annual membership dues for \$2,444.  
• IESA annual membership dues for \$855.  
• the 2016 – 17 Student and Activity Handbook.  
The next meeting of the Dwight Grade School Board of Education will be 6 p.m. on Wednesday, August 10, in the DGS Library. There will not be a regular Board session in July. Meetings are open to the public.

## Area Retiring Teachers

(continued from page 1)  
retired life, Beth intends to travel more and spend some extra time with her mother and children.  
“I would also like to do some much-needed projects around the house.”  
Beth and her husband, Mike, moved to Dwight 24 years ago and have no future plans to leave the area. They have four children, James, Susan, Marianne, and Katherine.

School.  
“Somehow, you just know when the time is right,” Gantzert says of her decision, though it was not an easy one.  
“I am passionate about teaching and my subject area. I’ll miss not being able to share that every day. I’ll miss my students. No two classes were ever the same. Their energy was amazing and I learned so much from them.”  
Gantzert fondly recalls the senior prank of the teachers’ cars used car lot and all the “discussions” in Sociology as memories that will stay with her forever.  
When asked about DTHS, Betty said “DTHS is a great place to work! I thoroughly enjoyed my time

with the district and I will miss everyone there!”  
Looking towards retirement, Betty plans to spend time with her grandchildren, organize her house, and travel.  
A Dwight resident for 35 years, Gantzert says she is “not going anywhere else!”  
She and her husband, Allen, have two daughters, Ashley Thompson of Channahon and Alyssa Gantzert of Dubuque, IA. Their two grandchildren are Adeline and Aiden.  
Mrs. Mary Pfeifer will retire from teaching after 21 years, with 16 of those taking place at Dwight Township High School.  
“Life is one big novel,” Pfeifer says. “Teaching has

been a wonderful experience, but the time was right. My husband is retired. Our kids are grown. Now I have other chapters to write.”  
Pfeifer taught Unified Science, Biology II and Horticulture/Greenhouse classes, but in 2001 played a vital part in the rebirth of the Ag program at DTHS, acting as an FFA adviser for (continued on page 13)

## Grapevine Mission Celebrates 10th Anniversary

The Grapevine Mission celebrated their 10th Anniversary of Community outreach services with a dinner and auction at the VFW in Morris on April 23, 2016. Many amazing milestones were shared and priceless partners recognized. Entertainment was provided.

Please consider supporting the businesses that give back to empower the community. Together we build a stronger tomorrow.

Huge shout out to everyone who contributed in both big and small ways, as well as those that supported anonymously. It takes amazing "earth angels" (volunteers and supporters) to promote GVM's neighbors helping neighbors' mentality.

## Dwight Historical Society Meeting June 20

The Dwight Historical Society is meeting Monday, June 20, at 7:00 p.m. in the Dwight Depot on West Main Street.

Joanne McMillan, who became Jim Oughton's private secretary after Anne Withrow retired, will join in on an informal conversation about the Keeley Institute and attendees are invited to take their comments and questions.

Joanne also donated several Keeley artifacts to the museum.

The Keeley displays will

be available for viewing during the evening. A short business meeting will also be held.

Reproductions of the 1892 Souvenir Book, which includes pictures of Dwight Keeley sites as well as other homes, are available in limited numbers for purchase from the Historical Society museum, at Emling Florist, and at The Country Mansion.

All meetings of The Society are open to the public. All are welcome.

## Vacation Bible School at Emmanuel Lutheran June 20-24

Emmanuel Lutheran Church, Dwight, will be hosting a Vacation Bible School, "Barnyard Roundup – Jesus Gathers Us Together," beginning Monday, June 20, through Friday, June 24, from 9:00-11:30 a.m. All children of the community ages three through fifth grade are invited to attend.

At Barnyard Roundup, the children will learn through five Bible stories, in addition to meeting new friends, doing activities, singing songs, making crafts, playing games, eating snacks, and more.

For registration and more information, call the church office 815-584-3433.

## Regional Karaoke Competition

The 2016 Illinois and DuQuoin State Fair are partnering with eight county fairs to sponsor and host regional karaoke competition.

The Grundy Fair in Morris is one of the fairs selected for regional competition. The 1st and 2nd place winners from each of the county fair regional contests will advance to the Illinois State Fair karaoke finals to be held on the Saturday, August 20th. Finalists will be competing for a chance to perform two songs on the Illinois State Fair grandstand stage before the David Nail/Little Big Town concert as well as a performance on

the DuQuoin State Fair Grandstand Stage. The concert date for the DuQuoin performance is yet to be determined.

Rules are: There is no cost to register for the contest. Must be 18 years old. Registration is available on the Illinois State Fair website ([www.illinois.gov/state-fair](http://www.illinois.gov/state-fair)) and due to limited slots available at each host site. Once available slots are filled at a host site, registration will be closed for that site.

The Grundy County Fair contest will be held on July 3rd from 4 p.m. through 6 p.m. Registration is currently open.

OBITUARIES

Mary Lucille Hoffman

DWIGHT – Mary Lucille Hoffman, 95, of Dwight passed away at 7:50 a.m., Thursday, June 9, 2016 at Evenglow Lodge in Pontiac.

There will be no visitation.

A private family graveside service will be held at McDowell Cemetery. Pastor Kurt Hoover of St. Peter's Lutheran Church will officiate.

Mary was born May 24, 1921 in Dwight, daughter of Daniel E. and Lydia Lippold Finley. She married Kenneth J. Hoffman March 14, 1942. He died February 8, 2003.

She is survived by three sons: Bill (Becky) of Phillips, Wisconsin; Dan (Mardi) of Crystal River, Florida; and Tom (Debbie) of Pecatonica, Illinois; one daughter, Beverly (Lee)

Jensen of Dwight; 11 grandchildren; and 16 great-grandchildren. She was preceded in death by two brothers, William "Bud" and James Lloyd Finley; and

one sister, Mildred Watters.

Mary attended Dwight Township High School, graduating with the class of 1939. Before she was married, she worked for the Keeley Institute, and later as a secretary at the Veterans Administration Hospital in Dwight, retiring from Fox Center in 1986.

The family asks memorials be sent to Prairie Creek Public Library and the Dwight VFW for the Dwight Veterans Memorial.

On-line condolences may be made at: [hagermemorial.com](http://hagermemorial.com)

Stacia Lynn Allyn

CULLOM – Stacia Lynn Allyn, 18, of Cullom went home with her Lord late Friday, June 10, 2016.

A Celebration of Life will be held at 11 a.m., at Shelter #2, North Park, 710 N. First St., Fairbury, Saturday, June 18, with a balloon release following. Pastor Brian King will conduct services.

A picnic lunch will take place following the celebration. The family asks that you bring a lunch or dish to share.

Stacia was born February 19, 1998 in Kankakee, daughter of David Paul and Melanie Ann Dubie Allyn of Cullom.

She is survived by her parents of Cullom; her maternal grandpa, Chuck "Big Skunk" Dubie and Ann Cusick of Manteno; and her paternal grandparents, Eric and Pam Allyn of Villa Park.

Also surviving are aunts and uncles: Anna and Troy Hoover of Manteno, and their children: Krystin and Danielle; Dawn Cryer of Texas and her children: Mike, Misti, Chris and Candice; Phil and Courtney Allyn of Mackinaw, and their children: Grace and Benjamin; and Liz and Trent Ohm of Elmhurst, and their children: Lilly, Sadie and Emma.

The love of her life, Jacob Karnes of Chatsworth; her best friend, Emma Tatro; and her beloved cats, London and

Joey also survive.

She was preceded in death by her maternal grandma, Mary Dubie; maternal great-grandma, Doris Mancuso; and her great-uncle, Don Dubie.

Stacia graduated from Prairie Central High School May 27, 2016. She was well liked in school by everyone and was involved with choir and art. She enjoyed writing – 20 to 30 of her writings and poems had been published.

Stacia was headed to Mizzou for Journalism in the fall to pursue her dreams. Her friends meant everything to her and she would do anything for them.

She was currently the Assistant Director at the Forrest Public Library and worked at Marchelloni's Pizza in Fairbury, and had previously worked at Dairy Queen in Fairbury.

Stacia was a born-again Christian, professing Jesus Christ as her Savior. Stacia's faith was most important to her. She was a bright light to those around her. She is surely now in the presence of the Lord.

Memorial contributions may be made to Forrest Public Library or Livingston County Humane Society.

Condolences may be sent to her family at: [calvertmemorial.com](http://calvertmemorial.com)

Calvert & Martin Funeral Home in Chatsworth is in charge of arrangements.

Lindsay R. Price

ODELL – Lindsay R. Price, 38, of Odell and formerly of Dwight, passed away Sunday, June 12, 2016 at OSF St. James Hospital, Pontiac.

Visitation will be from 11 a.m. until 1 p.m., today, Wednesday, June 15, at Hager Memorial Home in Dwight.

Funeral services will be at 1 p.m., at the funeral home.

Burial will be in Mount Olivet Cemetery, Dwight.

Born December 29, 1977 in Hammond, Louisiana, she was the daughter of Donald and Brenda Antoine Price. They survive in Dwight.

Lindsay is also survived by sons, Clayton Roff and Ayden Roff; daughter, Alexis Roff; and the children's father, Michael Roff, all of Odell; brothers: Curtis (Natashia Furlano) Price of Emington; Andy (Deanna) Price of Morris; sister, Kelly

(John) Klingler of Gardner; maternal grandparents, Malcolm (Georgia) Antoine and Helen (Edward) Canizaro, both of Vicksburg, Mississippi; numerous aunts, uncles, nieces, nephews and cousins.

She was preceded in death by her paternal grandparents, Douglas (Shirley) Price, and her aunt, Rose Price.

Lindsay graduated from Dwight Township High School. She worked for the Circle K gas station as a manager for the last 15 years, and loved spending time with her family on long walks and at the local parks.

She will be greatly missed by all of her friends and family.

Memorials may be directed to the family.

On-line condolences may be left at [www.hagermemorial.com](http://www.hagermemorial.com)

Anton Youskevitch

GARDNER – Anton "Tony" Youskevitch, 83, of Gardner passed away Thursday, June 9, 2016 in Morris Hospital, Morris.

Family and friends will meet at St. Lawrence Catholic Church in South Wilmington today, Wednesday, June 15, at 10 a.m. for Mass of Christian Burial. Rev. Stanley Drenniak will celebrate the Mass.

Interment with military honors will follow at Abraham Lincoln National Cemetery, Elwood.

Visitation was Tuesday from 5 until 8 p.m.

Born November 10, 1932 in South Wilmington, son of Anton and Mary Shoudis Youskevitch, Anton was a veteran of the United States Army, serving during the Korean Conflict.

Tony retired from the Laborer's Union Local #75;

he was a member of the elite group that received their 50-year gold card.

He enjoyed gardening, tinkering in his garage, and visiting with family and friends.

Surviving are his children: Greg Youskevitch of Morris; Rick Youskevitch and Kristal (Eric Lopez, fiancée), both of Bloomington; dear friend and former wife, Kim Youskevitch of Morris; four grandchildren: Talise Lopez, Cheryl Williamson, Sarah Youskevitch and Ryan Youskevitch; six great-grandchildren; nieces and nephews.

Preceding him in death were two brothers, John Youskevitch and Joe Youskevitch; and one sister, Ann Smith.

with

Boma

Your Attention, Please!

The gym I go to is probably about a 10 minute walk from my apartment. Usually I have my headphones in, and don't pay much mind to anything else that's going on around me at that time.

There are so many different people in my part of Chicago - business people, a lot of construction, blue collar workers, plenty of restaurant employees - it's really a melting pot of different work backgrounds, and types of people.

For whatever reason, people keep trying to talk to me while I have my headphones in. I thought that having headphones in was kind of the universal signal for "I don't want to talk to anyone right now," but that doesn't seem to be the case.

I was at the gym the other day and some man insisted on talking to me complaining about the gym because they hadn't fixed the sauna. I don't use the sauna, I don't care who uses the sauna, and this man really thought it was important that I knew. He also informed me that there are people that only go to the gym just to use the sauna. I'd like to point out that he made some very valid points in his argument to me, but I don't work at the gym, nor do I know anyone at the gym, and therefore cannot aid you in fixing the sauna. I am sorry, random man.

Then there was a man the other day who was mad that someone who worked on his shoes messed them up, again, as much as I'd love to share three seconds of empathy with these people they're really hampering my ability to enjoy this song that I'm listening to intentionally to avoid them.

It will be interesting to see if people keep doing this. I may have to upgrade from the earbuds to the over ear headphones to really send home the idea.

## Saunemin Eagles 10U Takes Two from Express Gray

The Saunemin Eagles 10U squad picked up a pair of wins in a double-header sweep on June 8 when they played host to the Express Gray of Bloomington.

Jimmie Riley picked up the win in game one, tossing three innings and giving up three runs, in an 8-7 win. He struck out seven hitters in the contest.

The Eagles only needed three hits, and they came from Riley Chayse Knobbe, and William Trainor. Myles Gilliam and Trainor each scored two runs. Trainor, Knobbe, Preston Jama, Timmy Logan, Alex McMeen, Hayden White, and Brandon Taylor each scored a run.

Trainor got the “W” in

game two, striking out seven in three innings of work.

Trainor, Knobbe, and Jama each had hits. Gilliam and Trainor each scored twice, with Riley and Logan each scoring a run.

The wins move the Eagles 10u record to 4-4 on the summer season.

Annual Drinking Water Quality Report

SOUTH WILMINGTON

IL0630650

Annual Water Quality Report for the period of January 1 to December 31, 2015

This report is intended to provide you with important information about your drinking water and the efforts made by the water system to provide safe drinking water.

The source of drinking water used by SOUTH WILMINGTON is Ground Water

For more information regarding this report contact:

Name Jeff James

Phone 856 711 0034

Drinking water, including bottled water, may reasonably be expected to contain at least small amounts of some contaminants. The presence of contaminants does not necessarily indicate that water poses a health risk. More information about contaminants and potential health effects can be obtained by calling the EPAs Safe Drinking Water Hotline at (800) 426-4791.

In order to ensure that tap water is safe to drink, EPA prescribes regulations which limit the amount of certain contaminants in water provided by public water systems. FDA regulations establish limits for contaminants in bottled water which must provide the same protection for public health.

Some people may be more vulnerable to contaminants in drinking water than the general population.

Immuno-compromised persons such as persons with cancer undergoing chemotherapy, persons who have undergone organ transplants, people with HIV/AIDS or other immune system disorders, some elderly and infants can be particularly at risk from infections. These people should seek advice about drinking water from their health care providers. EPA/CDC guidelines on appropriate means to lessen the risk of infection by Cryptosporidium and other microbial contaminants are available from the Safe Drinking Water Hotline (800-426-4791).

If present, elevated levels of lead can cause serious health problems, especially for pregnant women and young children. Lead in drinking water is primarily from materials and components associated with service lines and home plumbing. We cannot control the variety of materials used in plumbing components. When your water has been sitting for several hours, you can minimize the potential for lead exposure by flushing your tap for 30 seconds to 2 minutes before using water for drinking or cooking. If you are concerned about lead in your water, you may wish to have your water tested. Information on lead in drinking water, testing methods, and steps you can take to minimize exposure is available from the Safe Drinking Water Hotline or at <http://www.epa.gov/safewater/lead>.

Source of Drinking Water
The sources of drinking water (both tap water and bottled water) include rivers, lakes, streams, ponds, reservoirs, springs, and wells. As water travels over the surface of the land or through the ground, it dissolves naturally-occurring minerals and, in some cases, radioactive material, and can pickup substances resulting from the presence of animals or from human activity.
Contaminants that may be present in source water include: - Microbial contaminants, such as viruses and bacteria, which may come from sewage treatment plants, septic systems, agricultural livestock operations, and wildlife. - Inorganic contaminants, such as salts and metals, which can be naturally-occurring or result from urban storm water runoff, industrial or domestic wastewater discharges, oil and gas production, mining, or farming. - Pesticides and herbicides, which may come from a variety of sources such as agriculture, urban storm water runoff, and residential uses. - Organic chemical contaminants, including synthetic and volatile organic chemicals, which are by-products of industrial processes and petroleum production, and can also come from gas stations, urban storm water runoff, and septic systems. - Radioactive contaminants, which can be naturally-occurring or be the result of oil and gas production and mining activities.

Source Water Assessment

We want our valued customers to be informed about their water quality. If you would like to learn more, please feel welcome to attend any of our regularly scheduled meetings. The source water assessment for our supply has been completed by the Illinois EPA. If you would like a copy of this information, please stop by City Hall or call our water operator at 856 711 0034. To view a summary version of the completed Source Water Assessments, including: Importance of Source Water; Susceptibility to Contamination Determination; and documentation/recommendation of Source Water Protection Efforts, you may access the Illinois EPA website at <http://www.epa.state.il.us/cgi-bin/wp/swap-fact-sheets.pl>.

Source of Water: SOUTH WILMINGTON Based on information obtained in a Well Site Survey, published in 1992 by the Illinois EPA, three possible problem sites were identified within the maximum setback zone. The Illinois EPA has determined that the South Wilmington Community Water Supply's source water is not susceptible to contamination. This determination is based on a number of criteria including: monitoring conducted at the wells; monitoring conducted at the entry point to the distribution system; and the available hydrogeologic data on the wells.

Lead and Copper

Definitions:  
Action Level Goal (ALG): The level of a contaminant in drinking water below which there is no known or expected risk to health. ALGs allow for a margin of safety.  
Action Level: The concentration of a contaminant which, if exceeded, triggers treatment or other requirements which a water system must follow.

Lead and Copper	Date Sampled	MCLG	Action Level (AL)	90th Percentile	# Sites Over AL	Units	Violation	Likely Source of Contamination
Copper	2015	1.3	1.3	0.815	0	ppm	N	Erosion of natural deposits; Leaching from wood preservatives; Corrosion of household plumbing systems.

Water Quality Test Results

Maximum Contaminant Level Goal or MCLG:	The level of a contaminant in drinking water below which there is no known or expected risk to health. MCLGs allow for a margin of safety.
Maximum Contaminant Level or MCL:	The highest level of a contaminant that is allowed in drinking water. MCLs are set as close to the MCLGs as feasible using the best available treatment technology.
Maximum residual disinfectant level goal or MRDLG:	The level of a drinking water disinfectant below which there is no known or expected risk to health. MRDLGs do not reflect the benefits of the use of disinfectants to control microbial contaminants.
Maximum residual disinfectant level or MRDL:	The highest level of a disinfectant allowed in drinking water. There is convincing evidence that addition of a disinfectant is necessary for control of microbial contaminants.
Definitions:	The following tables contain scientific terms and measures, some of which may require explanation.
ppb:	micrograms per liter or parts per billion - or one ounce in 7,350,000 gallons of water.
na:	not applicable.
Avg:	Regulatory compliance with some MCLs are based on running annual average of monthly samples.
ppm:	milligrams per liter or parts per million - or one ounce in 7,350 gallons of water.

several years. And due to her agriculture credentials, when the FFA Alumni and the school joined forces to build a greenhouse, Mary was dubbed grower and manager.

Her students have competed in many horticulture contests over the years, taking second place at many of them.

On top of her DTHS duties, Pfeifer also has teaching credit for horticulture classes she taught at Joliet Junior College for the College of Agriculture.

Though she admits that, occasionally, she may miss the feeling of a full day well spent doing something valuable and important, she has great memories of laughter with her fellow teachers and times of camaraderie.

“The same would be true about memories of the students,” she adds. “The laughs on the bus heading to and from a contest and around the potting bench, as well as, the satisfaction of doing well at a horticulture contest.”

Pfeifer added that the hardest part about teaching was “seeing those kids that did not value the enrichment of their minds. It was hard to see them defeat themselves and potentially their futures. My message to them quite often was that knowledge is power and everything you learn has value.”

“Conversely, some of the finest moments,” she says, “were the ‘A-Ha’ moments, when you could see a student ‘getting it.’”

Mary and her husband, Don, will remain on their family farm west of Gardner, and keeping busy will be easy since they are very active people.

“I have been a professional singer for the last seven years,” Pfeifer said, “and I plan to put more energy into that pursuit for the next few years.”

The couple has six kids, four of which are married, with a son getting married in August and a daughter getting married in November. They have a ninth grandchild on the way.

Marcia Brandt, Library Media Specialist at Bonfield

Grade School and Herscher Intermediate School, has retired after 35 years of teaching – 29 of which were served in Herscher CUSD2.

Brandt worked at GSW High School from 1981-87, and would take over duties at Bonfield, Herscher, and Reddick Grade Schools in 1987.

“I have spent 35 years as a Teacher Librarian,” she states. “This is a position being cut from far too many school districts by those who do not understand that it has an increased value today. It is still about the books, but it is also, today, about information and technology literacy. I will always be a librarian. It goes beyond the paycheck and into the mindset; it is who you are.”

During her time serving the area, she was involved in administering the Rebecca Caudill Young Readers’ Book Award on a Steering Committee as Awards Chair (the Illinois children’s choice book award for grades four through eight) from 1996-2016.

Brandt has also been an annual presenter at the Illinois School Library Media Association and/or Illinois Reading Conferences, and was also an Illinois State Library 2014 ILead U team member – part of Team S.U.P.E.R. (Sharing Useful Professional Electronic Resources).

With the current conditions of the State of Illinois, however, Marcia admits she is worried about her retirement as the situation wors-

ens, and is “getting out before more rules change.”

She will miss her colleagues, students and the library collection, though.

“After 29 years, I have purchased everything on those shelves and the books are friends that I will miss.”

Brandt speaks proudly of moving 17,500 books (and their digital catalog records) as they reworked the Herscher School District libraries in 2013 from four locations to three, changing to grade centers and closing Reddick.

“Our clutch of librarians wore themselves out making that move happen and retooling our libraries for the new needs,” she says. “I was in charge of the move and remain so *very* proud of our work.”

Marcia will also miss connecting kids to a book – that “A-Hah moment,” as she describes.

“A reluctant reader once could not pick a book to read for a class assignment. I begged the student to trust me with the selection. I promised I would pick a good book for them that they would like and be successful with. A week later, while in a deeply similar discussion with another reluctant reader, the first student walked by, leaned in and said, “Trust her!”

After almost 18 years of Herscher living, Marcia and her husband and radio broadcaster for WVLI in Bourbonnais, Jim, have lived in Bradley near Jim’s work since 2009. They have two adult daughters, one

son-in-law, and two grandsons.

When asked what her plans are now, Brandt says, seriously, “Work until I die.”

With a forthcoming library textbook – Reference and Information Services: An Introduction, 5th Edition – featuring a chapter authored by Brandt, to be published and released in July or August, she hopes to have opportunities to pursue more writing for publication goals and to have more time for service to other people.

**Melinda Hogan’s** entire teaching career – 34 years – has been at Reed-Custer High School, Braidwood.

She has been the Family Consumer Sciences Teacher - Foods II, Apparel and Textiles, Co-op and Teaching Internship this past year, and has taught all areas including Foods and Nutrition I, Child Development, Housing and Interior Design.

Melinda was named Outstanding New Vocational Teacher for Home Economics in 1987 by the Illinois Vocational Association, and was a Those Who Excel = Teacher Educator Finalist, 2000.

Her plans for after retirement will be finding time for all the special people/projects that you often put off until you have “time,” including spending time with family and friends for travel, rest and relaxation.

She will continue as an adjunct professor at Olivet Nazarene University, teach-

ing in the FACS department as well as substitute teaching.

Mrs. Hogan believes that teaching is an all-encompassing profession. Working with young people to help guide them toward their future career and professions, as well as seeing them evolve into great people and citizens, is an honor and privilege.

She said, “Retirement seems strange, but it really hasn’t sunk in. Give me until school begins in the fall and then I may feel different.”

Her day-to-day interaction with colleagues, friends, and of course, students, will be what she will miss most.

Among her favorite memories of teaching is seeing three generations from preschool, high school, and then their children/grandchildren coming through the school system. As an FCCLA-sponsor, seeing students who volunteered, competed in events and developed leadership skills that make them successful adults, is also special.

She said, “My family is from Reddick; we are farmers; my husband of 33 years, Dan, will continue to farm and we will be here (with travel when he’s not farming.)”

The Hogans’ three sons are: Matt, 27; Will, 23; and Jack, 21 years old.

## Pet of the Week

### Atticus

Atticus is a 3-month-old Domestic Short Hair male who loves to cuddle! He's a playful little boy who would love to find his forever home. He gets along with just about anyone but is not a big fan of dogs. It might be best if he finds a home as an only child or a home with just cats. Come out to the shelter and meet Atticus!

Buzz The Gut

"Let's Buzz the Gut" - This year's event takes place on Saturday, June 25th from 4 - 9 p.m. in downtown Dwight. Vendors set up at 2 p.m. Vehicle registration and Concessions start at 4. DJ. Raffles all evening. 7 p.m. judging begins and auto extrication demonstration by the DFD. 8 trophies will be awarded.

THE TORCH RUN for SPECIAL OLYMPICS made its way through Dwight Friday before heading to Bloomington. The Summer Games involve more than 4,000 athletes who participate in six different sports. A Dwight team, open to all individuals in Livingston County with intellectual disabilities, was formed by parents in 2016. The Dwight Police and Livingston County Sheriff's Dept. are sponsors of the event.
