CHILDREN IN THE orphanages in India run by Lifesong are taught Bible verses, such as the Isaah 49:16 being held up by Nisha. This is a proactive way to teach the children a Bible message.

Sometimes God chooses your path for you.

In the case of Dwight native Masha (Wilkinson) Ellis, the choice was to serve orphan children in India.

She and her husband Caleb were married in 2016 and currently work with an agency based in Gridley, Illinois called Lifesong for Orphans.

On the group's web site, it says that the group pledges:

"Our Children will: Not want for food, clothing, medical care, or shelter; be taught the Gospel and how to live as followers of Jesus Christ; receive a quality education to provide a foundation for their future; and experience continued love and support as they transition into adult living."

tion into adult living."

Masha has been doing mission work in India since shortly after she graduated from Dwight Township High School in 2009.

She is the daughter of Brad and Barbara Wilkinson of Dwight.

For a while she was working at a home for children who were formerly part of the illegal brothel system in Mumbai, India. She worked with 10 teenage girls who were at risk for being trafficked. "Some of the girls' parents were prostitutes themselves," Caleb explained.

Some of these children came from the "red light" district of Mumbai. The district is called Kamathipura.

"It's about half the size of Dwight," Masha said.

"There are rows and rows

of brothels. Masha explained that the job ended up being more like one-on-one counseling with the girls.

"These girls have had a lot of emotional trauma," Masha said.

In 2014, she met her future husband Caleb. He had previously worked investigating the brothels for a law enforcement agency.

Recently the couple has transitioned to Lifesong, which is an advocate for orphans in 12 countries with 19 different projects. This allows them to work together on a mission as a couple.

"Lifesong helps people adopt, are advocates for adoption, provide orphan care around the world and promote community development projects," Caleb explained. The newlyweds find the work rewarding.

Emmanuel Lutheran Marks Century And A Half of Service to Dwight July 9

THE CURRENT CHURCH building for the Emmanuel Lutheran Congregation in Dwight was constructed in 1956. An addition was built in 2008 with a half-court gym, and rooms for Christian education.

by Myke Feinman
Managing Editor

The Emmanuel Lutheran Congregation of Dwight will celebrate 150 years in Dwight with a special service Sunday, July 9.

As part of the service, Dwight native son Peter Kirby will give the sermon.

"I never forget my roots," Kirby said in an email message to *The Paper* last week.

"The Lord has blessed me to be able to travel widely in his service, but this place will always be home for me as long as I live in this world."

The church, located at 325 East Mazon Avenue in Dwight, was originally organized in 1867, then being served by Rev. Franz Schmitt of Trinity Congregation of Goodfarm.

At that time, land sold for \$1 an acre, according to the church history.

"On March 19, 1893, during a voters meeting of Emmanuel, a call was extended to Rev. G. F. W. Westerkamp," the church history said. "He was installed as the first pastor of

REV. HARVEY NICHOLSON (left) and Secretary Linda Andersen flank a stained glass window artificially lit in the foyer of Emmanuel Lutheran Church in Dwight. The congregation will celebrate its 150th birthday July 9.

Emmanuel on Sept. 3, 1893."

Prior to that, Emmanuel shared pastors with other area congregations.

The Rev. Paul Hartmann, grandfather of Peter Kirby, was the scheduled speaker July 9, was installed Feb. 1, 1953 where he remained until 1977. Kirby followed in

grandfather's footsteps, now running the Lutheran Hour Ministries, travelled to Jamaica, Latvia, Russia, Kazakhstan, Mongolia and Turkey.

On July 9, coffee and fellowship, open to the public, begins at 8 a.m. at the church.

Dwight Village Street Work Progressing June 26 Dwight Village Board Actions

by Madelyn Fogarty
madelynfogarty@yahoo.com

The Dwight Village Board of Trustees met on June 26 where street work updates were reviewed following a Properties Committee meeting prior to the regular board session.

Plans are being finalized and several projects are getting ready to be put out for bid. Village Engineer Ryan Hansen of Chamlin and Associates was on hand to provide a status of the projects.

Chippewa Street from Route 47 to Chicago Street will be bid out for complete reconstruction. In addition, North Street from Morris

Road to Chicago will also be put out for bid for complete reconstruction. Bids were to open June 30 and will be discussed at the next village board meeting.

Bid plans for Wilmac Street, St. Louis Street and Clinton Street are being finalized with the intention of the board to put these plans out to bid in July. All streets are being bid for complete reconstruction. On all streets, the board will compare the complete rebuild bid with the cost to only resurface the street and add new storm sewers. The board will review and evaluate all plans, bids and costs before making any final

determinations.

West Main Street construction is nearing completion with one more pour needed along with some sidewalk work at the historic depot, landscaping, grading, striping and final cleanup work remaining.

\$174,000 of the approximately \$250,000 project has been paid for by High Speed Rail monies with the Village of Dwight responsible for the balance. The board discussed adding Prairie Avenue in that area to the West Main Street contract.

Resurfacing projects currently underway are moving along and nearing completion. (continued on page 4)

Ransom Contracts for Waste Hauling

The Village of Ransom passed an ordinance concerning residential garbage disposal and recycling at its board meeting, Wednesday, June 14.
The Village of Ransom entered into an agreement for garbage and recycling collection with Republic Services of Pontiac.
Republic Services will begin delivery of garbage and recycling totes to residential addresses in July.
In March 2017, Ransom passed an Ordinance authorizing and regulating the use of non-highway vehicles on streets within the village.
Residents who wish to operate a non-highway vehicle within Ransom can contact the Village Clerk for a permit application and requirements.

Gardner Resident Raises Concern About Need for Fence

Gardner resident Don Phillips raised concerns at the Gardner Village Board meeting, June 26, regarding a lack of fencing around the storm sewer work currently taking place in the village.
Phillips also thanked the board for their support of the recent Morris tractor ride when they stopped in Gardner for lunch on June 10.
Mayor Mike Serena commented extensively on visiting with the drivers and meeting Max Armstrong during the stop.
Serena thanked Phillips for arranging the stop and the Public Works employees for their efforts to prepare the village.
Commissioner Terry Jensen said he would contact Ron Williams of Naperville regarding purchasing a home

in the village. Williams has visited with several residents during his search and found the village to be very inviting.
The board reviewed and approved the budget appropriations ordinance for fiscal 2017-18.
The total budget for the village is \$7.72 million, increased from the previous \$6.96 million budget.
Commissioner Dick Hileman reported the sewer plant work has been completed.
He would like to complete cleaning of the salt pit at the water plant and additional cleaning at the sewer plant.
Village Clerk Pat Malinowski reported the village audit was completed last week with no significant findings.

Emmanuel Lutheran Marks Century And A Half of Service to Dwight July 9

Peter Kirby

(continued from page 1)
Historic memorabilia of the church will be on display, according to Linda Andersen, church secretary.
Kirby's sermon, also open to the public, begins at 9 a.m.
Kirby's parents, Jim and Elaine Kirby, are currently

residents of Oregon.
The 250-member congregation has also invited former pastors to the event.
On May 6, 1956, the current building was dedicated, which cost \$214,000 to build at the time (costs included furnishings).
"The Lord had more plans for Emmanuel," the church history continues.
"In 2004, Emmanuel Lutheran Church was notified that former member, Louise Tock Bowman, had left a sizeable bequest to the church."
This bequest was used to build a multi-purpose addition to the east side of the church building. It was dedicated April 6, 2008 and includes rooms for Christian education and a half-court gym.
The current vacancy pastor, Harvey Nicholson of St. Anne, has been serving in

Dwight since Jan. 1. The church is still in the process of securing a full-time pastor.
"The congregation can be proud of the fact that for 150 years it has spoken the good news of Jesus Christ and has been very active in the community," said Nicholson.
And Dwight holds a place in the hearts of those returning for the event too, such as Kirby.
"It's always exciting to me to be coming home to Dwight," Kirby explained. "The church holds so many memories for me growing up — confirmation, Sunday school, vacation bible school, dartball, special events with my grandfather. I'm sure all the members have those same connections with the church, but for those of us who have been away for a long time, it is very special to come home."

Dwight Village Street Work Progressing June 26 Dwight Village Board Actions

(continued from page 1)

In other Village business, Mayor Jared Anderson thanked Randy Irvin and all of the people that volunteered their time to make the recent Cruise Night a success. Mayor Anderson also commended the Public Works department for their work during recent heavy rains when lift stations were failing.

In Public forum, resident Tom Tock asked if there was anything the village could do with regard to resurfacing the Renfrew Park tennis courts. With redoing the tennis courts not in the current budget, the board will review for next year. Mayor Anderson estimated the cost to redo the courts to be \$25,000. It was suggested that this project might align with the Dwight Economic Alliance Fund a Need program.

The board also approved:

- payment of 6/12/17 bills totaling \$126,016.43.
- payment of 6/26/17 bills totaling \$90,047.85.

- the Treasurer’s Reports for April and May, 2017.

The next meeting of the Dwight Village Board of Trustees will be at 6:30 p.m. on Monday, July 10 in the Public Services Complex.

Driscoll Motors Buys Lynn Chevrolet

by Myke Feinman Managing Editor

Lynn Chevrolet is closing its doors after selling and servicing vehicles since 1976 in Pontiac. The dealership is being purchased by Driscoll Motors, also of Pontiac. The General Motors sale is expected to close sometime in the third week of July. Driscoll Motors owner Pam Schahrer told The Paper last week that the intent is to close the Lynn dealership building, remodel it for about one month, then move Driscoll’s current dealership one mile west to the Lynn building on West Reynolds in Pontiac. John DiNardi started his business two days after the nation’s bicentennial celebration, July 6, 1976, and this will mark 41 years in business for the dealership named after his wife. “I told Lynn I would put her name up in lights,” DiNardi joked last week. But DiNardi is hanging up his salesman’s suit and will now be a vehicle purchaser going forward. “I’d like to thank each and every person who’s done business with us,” DiNardi said. He said his philosophy has always been to treat each customer as you would want to be treated and to be fair. DiNardi said he hopes the new dealership keeps all the current employees, but that decision is up to Driscoll. “I’m interviewing the staff now,” Schahrer said of the Lynn Chevrolet employees. “We’re trying to get a good team.” She said she did not know how many people will stay as there is some duplication with the two dealerships.

MAKING SENSE OF INVESTING

What Can Investors Learn from the All Stars?

Next week, the 2017 Major League Baseball All-Star Game will be held in Marlins Park in Miami. If you’re a baseball fan, you may tune in to admire the skills and grace of the players. And if you’re an investor, you can learn some valuable lessons from the All Stars, including these:

- **Alertness** – Most of us can only dream of having the outstanding reflexes of major league ballplayers. But we can develop a similar trait: alertness. Just as a ballplayer who wants to steal a base needs to be alert to the pitcher’s delivery and the strength of the catcher’s throwing arm, you should be vigilant about investment opportunities and the potential need to make changes to your portfolio.
- **Patience** – When you watch the best hitters – such as those appearing in the All-Star Game – you will notice that most of them are very patient, willing to wait for several pitches until they get the one they feel they can hit. As an investor, you, too, need patience. The investment world contains many myths, one of which is that it’s possible to get rich quick by finding “hot” stocks when they’re cheap and selling them after a meteoric rise. But these events are actually pretty rare. The most successful investors are typically the ones who invest steadily, through good markets and bad ones, and who follow a long-term strategy appropriate for their needs, goals and risk tolerance.
- **Preparation** – During the All-Star Game – or, for that matter, during any game – the ballplayers will know exactly what to do in almost any given situation. To take one example, consider what happens when a runner is on first base and the batter hits a ground ball to the shortstop. Almost without thinking – because he’s already prepared for this very scenario – the shortstop will flip the ball to the second baseman, who is already standing on the bag, because he too is ready for this play. The second baseman completes the double play by immediately throwing to the first baseman, who is also in the right place, standing on first base.

When you invest, you also need to be prepared for certain situations and how you’ll respond. When your children head off to college, you should know if and how you’ll help them pay for it, maybe because you’ve prepared by saving in a 529 plan or another college-savings vehicle. When the day comes for you to retire, you should know how you’d like to tap into your retirement accounts, such as your 401(k) and IRA.

By being alert, showing patience and preparing for your goals, you can put some of the All-Stars’ skills to work when you invest — and by doing so, you might improve your personal “box score.”

Livingston County Retired Teachers Association Met June 20

Fifty-eight members and guests of the Livingston County Retired Teachers met June 20 at the Country Mansion in Dwight. After member sign-in, a breakfast buffet was held.

President Roger Tuttle welcomed everyone and then led the membership in reciting the Pledge of Allegiance. Navana Ahrends led the group in singing "God Bless America".

Mary Flott introduced the speaker for the day, Lynn Neville, from the Dwight Historical Society. She gave a very informative slide presentation on the Keeley Institute. She brought out the significant role it played in the community of Dwight.

Dr. Leslie Keeley (1832-1901), a self-proclaimed Civil War Surgeon, came to Dwight after the war to continue his study of alcoholism that began among the Union soldiers.

In 1879, a small wooden frame building, the Keeley Institute was founded with the proclamation from Keeley, "Drunkenness is a disease and I can cure it." His treatment centered on a secret preparation of bichloride of gold.

He claimed a 95% cure rate. Whatever the success rate, he had a lasting and profound impact on the treatment of alcohol and drug abuse including narcotic additions, the tobacco habit and neurasthenia.

By 1893, there were 92 Keeley Institutes in the US, Canada and Mexico and that number grew to over 200 and expanded to Europe.

In 1990, Keeley suffered a heart attack in Los Angeles, California and died at age 63.

President Tuttle called the meeting to order. Secretary Dee Dee Raube's report was read and approved. Larry Exton made the motion to accept the minutes and Larry Hart seconded it. Motion carried.

Dee Dee Raube then read a card from Laura Bruer thanking the group for remembering her 100th birthday in May.

Treasurer Sue Schnell reported the balance on hand 5-31-17 was \$3,345.40. Karen Harms made the motion to accept and Janet Beyer seconded it. Motion carried.

President Tuttle announced a new toll free phone number and email address for TRS. For all who wish to have it, it is as follows: 877-927-5877 or (877) 9-ASK TRS. The new website address is <http://www.trsil.org>.

LYNN NEVILLE is wearing a Keeley Cure apron for her presentation for the Livingston County Retired Teachers Association meeting that was held at The Country Mansion in Dwight on Tuesday, June 20.

and can be used in mid July.

Navana Ahrends and Sue Schnell wish to remind everyone if phone numbers or addresses (including email) changes, notify one of them.

The Area I Conference was held May 15 at Oglesby. LCRTA members in attendance were Roger Tuttle, Marjorie Ehrhardt, Don Gibb, Alberta Kinate, Cathy Montgomery, Marlene Landstrom and Navana Ahrends..

Committee Reports: Membership- Alberta Kinate---"Bert" reported Mary Loudon was the one new member who joined LCRTA. Other hopefuls for this year are: Nancy Knilands, Ruth Goodwin, who retired last year, and Joan Smiltzer. All three were in attendance.

Legislative-Don Gibb---He reported the 100th General Assembly adjourned on May 31 without approving a budget. The leaders announced that members would move into "continuous sessions" which means the members were scheduled to meet on Wednesdays in June. They met the first three Wednesdays with little progress on the budget.

The Governor has now called

the General Assembly into a special session for 10 days starting June 21.

Illinois is running a deficit of roughly \$6 billion and has \$14.5 billion in overdue bills. The amount the State of Illinois owes the various pension systems is over \$110 billion and rising.

The following three bills are intended to help address the substitute teacher shortage problem throughout the state: HB751, HB3080 and HB33298.

SB1790 would allow pharmacists to refill a prescription without a doctor's authorization in emergency circumstances and has passed both the House and Senate without a single no vote. This bill awaits the Governor's action.

This bill is a call for action by IRTA---SB 2219. Call your senators and ask them to vote NO! It is the New BIMP bill presented by Sen. Brady and the Republican caucus with the approval of the Gov. This bill removes the continuing appropriation for Healthcare provided to annuitants of TRS. Under the legislation, the State of Illinois' portion of retiree healthcare will be subject to appropriation after fiscal year 2017. If there is no appropriation, premiums could increase by almost 30% as opposed to 5% now. Again, each member is asked to call their senators.

Vice president Marjorie Ehrhardt conducted the 50/50 drawing. The winner of the \$67.00 was Judy Pharis.

Ehrhardt then told the group Christ Child Society will put labels in the books our organization bought to give to the recipients telling them the LCRT donated the money to buy the books and now it is their duty to read the book to their baby.

President Tuttle reminded the Nominating Committee they need to be asking members who wish to take an active part in LCRTA to take an office or sign up to help. Marjorie Ehrhardt is the Chair. Members who are on the committee are: Bert Kinate, Navana Ahrends, Dee Dee Raube and Steve Rapp.

The next meeting will be Aug. 15 at Edinger's Filling Station in Pontiac. After the business meeting, a trolley tour of historic Pontiac will follow.

Dee Hanner made the motion to adjourn and Bill Flott seconded it. Meeting was adjourned at 11:00 a.m.

Conklin Players Begin Farewell Performances with Classic Country, Comedy at Five Points Washington

Conklin Players have announced their next production to be held in the Caterpillar Performing Arts Theatre at Five Points in Washington.

"A Grand Old Country Tribute" is a revue featuring hit songs of country music, along with some comic moments. The show will play four performances from July 13-16. Evening performances will take place at 7 p.m. and the Sunday show will start at 3 p.m.

Mary Simon and her troupe of players and musicians will be joined by special guest stars Julie Seeley – who so memorably portrayed the legendary Patsy Cline last year at Five Points, along with Lana Warner bringing country comic legend Minnie Pearl to life.

They will be joined by Conklin's regulars April Bieschke, Dan Challacombe, Pat Gaik, Chad Kirvan, Jimmy LaHood, and Dave Windsor.

The country comedy of

Minnie Pearl and shows like Hee-Haw will be sprinkled liberally throughout the evening.

"A Grand Old Country Tribute" will be the first of the last three shows produced by Conklin Players at Five Points Washington. Due to the length of the ongoing legal battle with the insurance company that denied the company's claim for weather damages that closed the Barn in 2015, the Conklin Players Corporation will no longer be able to produce commercially past the announced 2017 season at Five Points.

These three shows will be the final chance to see them perform together at Five Points.

The production is directed by Simon, with technical direction by Bieschke and publicity by Gaik.

Reservations can be made at fivepointswashington.org, or by phone at 309-444-8222 or 309-444-8600. For more info. call Brian Garnant at 309-444-8600.

LETTER TO THE EDITOR

Video Gaming Owes
Communities More

It was enlightening to read the Pantagraph's two front page stories Sunday, June 25, concerning the proliferation of video gambling in Illinois communities.

Bloomington, for the second year in a row, has the dubious distinction of being on the Illinois Gaming Board's list of Top 10 Video Gaming cities.

Some of Bloomington's leaders are concerned that they may have too many video gaming/liquor-serving establishments in their town, one for every 329 residents.

Dwight has one video gaming terminal for every 83 of its residents. It may have reached the saturation point. Or not. The Illinois Gaming Board doesn't have

a Top Ten list for vgt-saturated villages.

The bottom line is: do the video gaming terminals provide more prosperity or more poverty?

In any event, several months ago I suggested to our State Representative, Tom Bennett, that the state should raise the local take on the operation of video gaming to 10%, rather than 5%.

That would seem a reasonable thing for the Illinois Gaming Board to do in view of the problems, visible and invisible, that are created by gambling addictions.

If communities must bear the brunt of the addiction problems, they should at least be compensated.

2017 Tri-County Tournament

2017 was a great year for GSW baseball, as Chris Halpin's Bronco level team finished 10-4 on the regular season — good enough for second place.

On June 24 in Mazon, they defeated Seneca 7-5 to take first place in the 2017 Tri-County Tournament. Jamie Wilkey's Mustang level team finished the season 9-3, with Mark Vyce's Mustang level team finishing 8-4, good enough for third and fourth place, respectively, during the regular season.

Both GSW Mustang teams squared off for the championship, with Wilkey's Mustang team winning a hard-fought game and the Championship. Vyce's team took home second place.

At the Pinto level, Pete Millette's team finished 10-2 during the season, taking second.

They placed for the Championship on June 24, coming up short to Dwight — finishing in second for the tournament.

BOTH GSW TEAMS BATTLED FOR THE CHAMPIONSHIP, and even though Wilkey's Mustang team won, everyone agreed they were both champions. Tdap Vaccines Available at Grundy County Health Dept.

The Grundy County Health Department is offering discounted Tdap (Tetanus, Diphtheria, and Pertussis) vaccines to adults age 19 years and older who do not have insurance that covers the vaccine, are residents of Grundy County, and who've not had the vaccine before.

The Tdap vaccine will be offered to those who meet these qualifications for a reduced fee. The price reduced vaccines will only be discounted for a short time and will not be restocked once they've run out.

What are Tetanus, Diphtheria, and Pertussis?

Tetanus (Lockjaw) is rare in the United States today. It caused painful muscle tightening and stiffness, usually all over the body. It kills about one out of ten people who are infected, even after receiving the best medical care. Diphtheria is also rare in the U.S. today. It can cause a thick coating to form in the back of the throat and can lead to breathing problems, heart failure, paralysis, and death. Pertussis (Whooping Cough) causes severe coughing spells, which can cause difficulty breathing, vomiting, and disturbed sleep. It can also lead to weight loss, incontinence, and rib frac-

tures. Up to two in 100 adolescents and five in 100 adults with pertussis are hospitalized or have complications, which could include pneumonia or death.

Who should get the immunization?

One dose of the Tdap vaccine is routinely given at age 11 or 12. People who did **not** get Tdap at that age should get it as soon as possible. Only one dose of Tdap is routinely recommended. After the first dose, an adolescent or adult can get the Td (tetanus and diphtheria)) vaccine once every ten years.

Tdap is especially important for health care professionals and anyone having close contact with a baby younger than 12 months.

Pregnant women should get a dose of Tdap during **every pregnancy** to protect the newborn from pertussis. Infants are most at risk for severe, life-threatening complications from pertussis and do not receive a vaccination containing pertussis until they're two months of age or older.

If you feel you meet these qualifications and are interested in the vaccine, call 815-941-3404 to schedule an appointment today. Appointments are available each week on Monday and Wednesday between 8:00 a.m. and 4:00 p.m.

These readers can enjoy great fictional stories or educational ones that cover classic literary works or historical events. Recently, the library added

some new graphic novels. Titles include: Dog Man Unleashed by Dav Pilkey, The Baby-Sitters Club: The Truth About Stacey, The Baby-Sitters Club: Mary Anne Saves the Day, and The Baby-Sitters Club: Claudia and Mean Janine, all by Raina Telgemeier; and Phoebe and her Unicorn by Dana Simpson.
