Locals Volunteer To Create Wig Stands For Cancer Patients

by Myke Feinman
Managing Editor

A Dwight retired carpenter and a craft artist have combined forces to create wig stands for cancer patients.

They are part of a network of wood turners and other artisans who donate the wig stands to the Susan Komen Foundation in Peoria. Cancer patients often lose their hair during the treatment for the disease.

The foundation serves people from Interstate 80 south to Springfield and across the state from Indiana to the Iowa border, according to retired engineer Terry Quiram of Roanoke, who creates the wood parts for the wood turners to put together.

The stands are a community project of the Central Illinois Wood Turners, a group of which Dave Razunas of rural Dwight is a member.

Razunas turns the wood

for the pedestal and glues them together for Brooke Baker of Dwight to decorate and paint.

Quiram said there are about 20 members around Illinois who create the wig stands.

The stands are free to all cancer patients.

Wood used includes just about every kind of wood you can imagine, including pine, poplar, birch, and cedar.

“Hard woods are best with less sanding,” Quiram explained.

The wood turners have two sources of wood, companies that use wood in manufacturing and formerly burned the scrap. Now the scrap is given to the wood turners for the wig stands.

Some of the scraps are up to eight feet long, which Quiram cuts down into stands, posts, and tops.

He creates the kits, brings them to club meetings in Peoria, and members take

the kits home to finish the wood stands.

Baker said she does the stands in her spare time while doing other craft projects, when she is not caring for her two children. She described herself as a “Jane of all trades.”

She said she finds doing the wig stands relaxing.

“You are kind of like — you’re not going to need this but you are aware of others who will need it.”

On her Facebook page, with pictures of the painted wig stands, she said she has “linked up with a group who turns these beautiful wood wig stands for local cancer patients. I am enjoying the process and hoping to keep these in the mix while I continue my work in my studio.”

Each stand takes an hour or so to put together without paint, Razunas said.

Baker’s painting could take longer. Baker is signing (continued on page 10)

Haunted Country Mansion?

BOB OHLENDORF, of The Country Mansion in Dwight, points to a place in the basement restroom that he says was the scene of human blood dripping down the wall and pooling on the floor. But it mysteriously disappeared and has never been explained.

The next time you sit down to a meal at Dwight’s Country Mansion you might want to avoid the basement if you are afraid of ghosts.

The restaurant is the former Keeley Institute building known as “The Manse” with a long history in Dwight.

But the history never included any murders or bloody scenes to justify what

many witnesses say they saw one strange night in the basement of the building.

Did they really see it or was it a group hallucination?

The spooky incident took place close to Halloween in the early 1990s, when Bob Ohlendorf of the restaurant was attending his son’s last home football game at the high school.

Ohlendorf suddenly received an urgent call from his bartender to come to the

Country Mansion for an emergency.

He said at first he was reluctant to go since it was his son’s last home football game.

“But the bartender said ‘you’ve got to come,’” Ohlendorf recalled.

When he arrived at the restaurant, several of his employees were waiting,

2017 Crop ‘Bullet-Proof’ Despite Less Rainfall This Summer

Predictions of lower yields for this year’s corn and soybean crop in Illinois have been adjusted higher, and experts are now saying the crop is of better quality this year compared to 2016, despite a lack of rainfall.

Before the harvest began, agronomist Emerson Nafziger told *The Paper* that he believed that due to slight rainfall this summer, there would be a large variability in crops.

Now, with the state’s farmers about halfway done with harvest, he has changed his opinion.

“The variability is not as much as we thought,” Nafziger said.

As of Oct. 15, the U.S. Department of Agriculture said that 47% of the state’s corn had been harvested and 64% of the state’s soybeans.

By the same date in 2016, corn was 71% harvested and soybeans were 55% harvested.

Nafziger said the corn harvest slowed with last week’s rainfall and colder weather.

Police Blotter

The following are reports from the Dwight police incident book this week:

Sept. 17: **Battery** - At approximately 2:52 p.m.,

Dwight Police had a walk-in to the Police Department with a male complainant, 28, of Saunemin, stating he was chest-bumped during the Harvest Days parade by a male, 36, of Dwight. The report was sent to the Livingston State's Attorney's office. Upon review, the S.A. determined there was insufficient evidence to prosecute the case. This went previously unreported due to an ongoing investigation.

Oct. 5: **Fraud** - Dwight Police had a walk-in at 2:44 p.m. by a female, age 69, of Dwight, stating she was the victim of fraud. The complainant was having computer problems. She received several phone calls for her to purchase I-tune cards to fix the problem. She spent about \$1,500 on I-tune cards but the computer was never fixed. This case went previously unreported due to an ongoing investigation.

Oct. 17 - **Stolen Bike** - Dwight Police received a call at 3:11 p.m. regarding a stolen bike. The female complainant, 32, of Dwight, said the bike was a 26" Silver/Pink/Purple Schwinn mountain bike. The bike was last seen at the residence in the 300 block of W. James St. on Oct. 14. Anyone with information is asked to contact the Dwight Police Department at (815) 584-3132.

Oct. 18: **Criminal Damage to Property** - Police received a phone call at 10:29 a.m. from a male, 38, of Dwight, regarding criminal damage to property. Dwight Police went to the 200 block of East Mazon Ave. to speak with the complainant. Dwight Police were informed that the resident had two vehicles damaged between Oct. 11 and Oct. 12. The first vehicle was primer-colored, a 1978 Jaguar XJ6. The rear window and both taillights were busted out. The second vehicle, a white, 2003 Chevy Astro van had both rear windows knocked out. Anyone with information is asked to call the Dwight Police Department at (815) 584-3132.

Two Counterfeit \$100s Found In Night Deposit

Two \$100 counterfeit bills were discovered in the night deposit at a Dwight business Oct. 16.

Dwight Police were called to the 100 block of W. Main Street at 2:54 p.m. concerning two counterfeit \$100 bills discovered in the previous night deposit box.

These bills were in two separate business deposit bags. Dwight Police encourages all businesses to make sure "they are paying extra attention to this issue and they incorporate all their safety precautions."

Any business that might have experienced a similar issue is asked to call the Dwight Police Department at (815) 584-3132.

Dwight EMS Recertify In Pediatric Life Support

Paramedics Annette Aichele, Danielle Aichele, Jenny Kasper, Jake Lindberg, Andi McGraw, Rob McGraw and Director Al Metzke attended the refresher class to recertify in pediatric advanced life support. The class was held at the Dwight Public Services Complex.

Paramedics in the Morris Hospital EMS System must recertify in PALS every two years to be able to practice. PALS is an American Heart Association course that teaches paramedics advanced care to administer to infants and children. This includes advanced airways, medication dosage and administration; along with special resuscitation methods. All paramedic skills are tested (as shown in picture) and in addition must pass a written test. Peg Jones assisted teaching the class through OSF St. Francis in Peoria.

This class is just part of the continuing education paramedics must attend every two years to maintain their license.

Rash Of Vandalism In Dwight

The Dwight Police Department is investigating a rash of vandalism in town.

The first call came in after 8 a.m. Oct. 20.

The complainant is a construction crew worker who was at the intersection of North Franklin Street and East North Street.

"The complainant states someone had taken a can of spray paint and sprayed one of the construction crew's trucks," police said in a news release.

The second report came in from a resident in the 500 block of North Clinton Street, stating someone overnight Oct. 20 had spray-painted a green line on his mailbox.

A third complaint came from a resident in the 300 block of North Franklin Street, saying sometime in the overnight hours Oct. 20 someone had taken green spray paint and sprayed the driver's side door of his utility truck.

A fourth complaint was from someone who lives in the 300 block of Spencer Street. The complainant stated that overnight Oct. 20, someone took green construction paint and changed a speed limit sign to 40 mph and spray-painted a light fixture.

A fifth complainant who lives in the 400 block of North Franklin Street stated someone had entered his patio garden and spray-painted with green paint the light which shines on the flag.

There are no leads at this time, Police said Friday.

Anyone with information is asked to call the Dwight Police Department and speak with Detective Gary Beier at (815) 584-3132.

IDOT Reminding Drivers to Watch for Deer

The Illinois Department of Transportation (IDOT) is reminding motorists to be on the lookout for deer on the roadways. With the coming of fall, deer are more active and can be harder to see along roadways because of the shorter daylight hours. IDOT is encouraging drivers to drive cautiously and "don't veer for deer."

More than 40 percent of crashes involving deer in Illinois occurred in October, November and December according to IDOT. Close to three-quarters of deer-related accidents happened in the low-light conditions around dusk or dawn. IDOT reminds drivers that suddenly swerving to avoid a deer on the roadway carries its own severe risk: a driver can lose control of a vehicle and end up in a wreck anyway.

IDOT suggests safe driving tips for deer season, including paying attention to deer crossing signs, scanning both sides of the road for deer or for the reflection of headlights in the deer's eyes, slowing down if you

see a deer because they travel in groups. A driver should also be prepared for a deer to behave in an unexpected fashion, such as stopping in the middle of the road or suddenly doubling back in front of you.

There were 14,759 crashes in Illinois involving deer last year alone, with 581 personal injuries and five fatalities. By driving carefully and being attentive for deer, you can help reduce your chance of being involved in an accident this fall.

2017 Crop ‘Bullet-Proof’ Despite Less Rainfall This Summer

(continued from page 1)

But the rain has since stopped and fields are dry once more.

He said the soil was so dry it did not stay wet long. “It was kind of a sponge waiting to be re-wetted,” Nafziger said.

Yields are slightly below last year, as of now.

USDA is projecting corn yields of 193 per bushel, compared to 197 last year. Soybeans are expected to be 57 compared to 59 last year.

The big “difference” is the grain quality, Nafziger said.

“The grain quality is better,” he explained. “Last year we had a lot of corn infected with fungus and disease due to standing water.”

His projections about the high quality and yields are confirmed by local elevators.

Andy Cotter at Herscher Grain said that this year’s crop has been normal, with average yields.

“The corn is better than they thought,” Cotter told *The Paper* last week, referring to quality compared to the 2016 crop.

Christine Gravesen of Alliance Grain in Campus echoed Cotter’s comments.

“The corn is pretty clean,” she said.

This year’s corn harvest is about halfway done in the Campus area, she said.

Cotter said corn is just 20% harvested in the

Herscher area.

All agreed soybeans have to be harvested now ahead of corn.

“Last week’s rain goofed things up a little bit,” Gravesen explained.

Kevin Hoegger of rural Dwight said he is about halfway done with his corn harvest. Last week he was harvesting soybeans, which were very dry.

Hoegger farms 2,400 acres of corn and soybeans in the Dwight area.

Nafziger said that even without as much rainfall this summer, the crop “eeked out enough moisture” to ripen well.

“I wonder whether the crop is sort of bullet-proof this year,” Nafziger said.

DWIGHT’S COUNTRY MANSION was the site of a mysterious scene that has never been explained in more than two decades.

The Paper photo

Haunted Country Mansion?

(continued from page 1)

warning him there was a gruesome scene in the restaurant’s basement.

The bartender told Ohlendorf that a man “casually” said that the men’s restroom downstairs needed some attention.

When Ohlendorf went down to see for himself what was down there, he witnessed a bloody scene with blood running down the tiles of the bathroom wall.

“There was blood on the wall, all over the floor,” Ohlendorf said.

No body was anywhere to be found.

Ohlendorf recalled that there were no footprints in the blood, either.

He wondered how someone could have walked away after losing so much blood.

The employees with Ohlendorf searched the rooms downstairs to try and locate the injured person.

He said there are six or seven rooms downstairs, and the employees all went down to search with flash-

lights.

Ohlendorf’s employees asked him if he should call the police, but he wanted to make sure he could help someone and find them first if they were injured.

They reasoned maybe someone had left the restaurant and made it to their car outside, but after a search outside, nothing could be found.

“We couldn’t find anything,” Ohlendorf said.

After the brief search outside, the employees returned inside and Ohlendorf said he wanted to go downstairs one more time before calling the police.

To his surprise, the entire bathroom was spotless.

Not a drop of blood could be found.

“It was all clean,” Ohlendorf said. “It was gone.”

Nobody to this day knows who the man was who “casually” mentioned that the bathroom needed attention.

Ohlendorf said he contin-

ues to journey down to the basement and there have been no incidents since that “bloody” night.

Ohlendorf had to move the ice machine upstairs because his employees refused to go down there after that.

He said after the story was featured by the Dwight Historical Society a few years ago, customers were scared to go down into the basement.

So is Ohlendorf pulling everyone’s leg?

He swears it happened and said his bartender and others can back him up.

Plus, that is not the only spooky thing that has happened in the location.

Ohlendorf said about 12 years ago, when he was helping with baking in the wee hours of the morning, lights would get turned on by themselves and doors would close by themselves.

Is the Country Mansion really a Haunted Mansion? We leave it to the readers to decide.

DTHS Board of Education Receives \$5,000 Donation for Drama, Band Programs

The Dwight Township High School board learned at its board meeting Oct. 18 they received a gift of \$5,000 from Susan Spaniol-Fujinaga, for drama and band programs at the school.

Spaniol-Fujinaga wrote: “This donation is dedicated to Dwight Township High School music and fine arts program to be used as they see fit,” she said. “In loving memory of Steve D. Fujinaga, 12-18-61 to 10-7-16.”

September Students of the Month are Morgan Fritz, senior; Gretchen Hilt, junior; Alexis Brooke, sophomore; and Dustin Hauert, freshman.

DTHS will hold its own Veterans Day Ceremony for its staff and students on Friday, Nov. 10, 10:45 a.m. Principal Dan Kaiser said he is working with Jan Schreiner of the Dwight Women’s Auxiliary to develop the program.

The DTHS academic awards ceremony was held Oct. 11 with a total of 180 in attendance, 65 of those being recognized. Twenty-seven of the 30 DTHS Board

Scholars were in attendance to receive their certificates.

Mrs. Froelich conducted the annual College Information Night after the award ceremony discussing such topics as ACT/SAT scores and prep, applications deadlines, and college visit, FAFSA procedures, career and college websites and scholarship opportunities.

The board made the following employment decisions:

- hired Kathryn Crouch, special education aide.
- accepted the resignation of Ryan King, head wrestling coach.
- hired Carol Pfeifer, substitute aide.
- hired Aidan Connolly, substitute aide.
- hired Kady Sassenger, substitute teacher.

Financial Elder Exploitation

Older adults are at risk for financial exploitation. Abusers can be friends, caregivers, financial advisors, strangers and even family members. Understanding the risk can help you protect yourself from exploitation.

"Elder Financial Exploitation" will be presented at the University of Illinois Extension Office, 1412 South Locust St., Pontiac on Thursday, November 2, from 10 to 11 a.m. In this program they'll focus on recognizing and reducing the risk of financial exploitation for yourself as well as for your friends and older relatives. Resources and strategies for best practices will be shared.

The lesson will be presented to Home and Community Education (HCE), whose mission is to "enhance the lives of individuals and families through quality education programs and experiences encouraging responsible leadership and service to the community." HCE invites the public to attend this free educational opportunity. This lesson will be presented through distance technology; you will have an opportunity to ask questions. Additional resources will be shared as well.

Pre-registration is required by Monday, October 30 for program materials to be prepared. Seating is limited. Call the office at 815-842-1776 to register.

University of Illinois Extension offers practical, research-based programs that help people improve their lives and address critical community issues involving youth, families, economics, health and natural resources.

A free smart phone training and safety class will be presented at the Prairie Creek Public Library, Dwight, 1 to 3 p.m., Oct. 30. The event, presented by IV Cellular, is open to everyone using any phone and any carrier.

Those wishing to attend are asked to R.S.V.P. to (815) 584-3061.

Kruzin’ With The Bileckis’

‘Honor Flight, Military Convoy, Elvis Presley’s Cadillac, and Two Anniversaries’

By: Marty and Geri Bilecki

On May 10, one-half of our crew, Marty, was honored to go on the Honor Flight – Chicago to Washington D.C. – as a Korean War Vet. This was a trip of a lifetime for him as part of 109 World War II and Korean War Vets. To see all of the memorials and the work of all of the volunteers is a humbling experience. This was a little off of Route 66 but needed to be mentioned as part of our patriotism to the USA. What an honor! The land of the FREE because of the brave.

Another landmark occasion for us was on May 19 to celebrate our 60th wedding anniversary. We have been “Kruzin” together as a couple for 60 years. Through thick and thin and we realize how blessed we are. Also, this is our 20th Route 66 anniversary. We joined the Illinois Association in 1997 and have been lucky to travel the road from here to California many times and here in Illinois hundreds of trips on our own and with various groups and friends. What a journey!!!

On June 1, as part of Red Carpet Corridor week-end

the Czech group returned to start here and make their bi-annual trip to California. Our friendship with them now goes beyond the route. The Red Carpet Corridor – from Joliet to Towanda in Illinois-was again a great success. We participated with them for a portion of the tour.

Another touching event was the 5th annual memorial to our son, Marty, Jr., at the Dukes Drive-In in Bridge-view. A little off of 66, but an honor for us to attend. Classic cars and “former” teen-agers were the highlight of this event. Our son, Marty, would say “It’s All Good.” Thanks to Scott and crew who organize this every year.

Another “off of 66” is our trip to Kenosha, WI to go to the Kenosha Car Club show on June 25. We have also been doing this for over 20 years. We especially wanted to attend to support their fund-raiser for Honor Flight Wisconsin for future flights.

What a surprise on August 4 when we participated in an evening to support the N.W. Indiana Symphony in the Indiana Dunes on the shores of Lake Michigan. They are trying to make this area a part of the National Park Service. Beautiful music, beautiful scenery, patriotism everywhere.

One surprise after another was our trip to the Arcada Theater and an afternoon with Priscilla Presley at a question and answer session on Aug. 20. Parked in front of this famous old theater was one of Elvis’ certified Cadillacs. A 1974 custom-ized sedan turned into a sta-

tion wagon courtesy of the Volo Auto Museum. We were told that Cadillac never made station wagons but we have a picture of one to prove it!

66 roadies, Bill and Aida Dalton from England, and true friends of ours, visited from Aug. 24 to 26. They came for a family occasion in Indiana and could not leave before traveling a little bit of Route 66 with us from Joliet to Braidwood with dinner at the Polk-a-Dot! Two seniors from England in love with the USA and Route 66 traveling on a Gold Wing motorcycle from Indiana to get here!!

On September 14 another Czech tour group arrived and were excited to see the Military Convoy traveling Route 66 from Chicago to Los Angeles. This was to be about 100 vehicles but, many of them went to volunteer to hurricane-affected areas, therefore, only about 45 were able to make it to Pontiac overnight. The group parked around the courthouse in Pontiac and greeted visitors. Pontiac had a very, very busy week-end between the military convoy and car shows. What a vibrant community!

On the way back from Pontiac we had to stop in Dwight for their annual Harvest Days festival. Part of the festival is a car show and, of course, the annual “Basset Waddle”. 100’s of Basset hounds from around the country come to Dwight to participate in the parade and to visit with other dog owners. They camp, hold meetings and enjoy all the events along 66 in Dwight on this weekend every year.

MAKING SENSE OF INVESTING

Does Market Volatility Scare You?

Halloween is almost upon us. Of course, on Halloween night, you may see a parade of monsters, demons, Transformers and other frightening individuals stopping by your house, exercising their right to demand candy. Fortunately, their appearance will be unlikely to cause you unpleasant dreams. But some people seem to have real fears about other things – such as what may happen in the financial markets. One way to keep those fears at bay is to avoid certain impulsive moves, such as the following:

• *Avoid ducking out of the market* – Consider this: In March 2007, the Dow Jones Industrial Average stood at about 12,275 points. Exactly two years later, in the immediate aftermath of the financial crisis, the Dow had fallen to about 6,500 – a drop of 47% and the Dow’s lowest point in 12 years. By that time, a lot of people had gone to the investment sidelines. So, what did they miss? Depending on how long they stayed out of the market, they may have missed some, or perhaps most, of one of the longest and strongest bull markets in history, because, just eight years later, the Dow had soared to almost 21,000, a gain of 223%. Of course, investing does involve the risk of losing principal, and there is no guarantee the market will perform as it has in the past. However, it’s fair to say that if you duck out of the market during its lower points, you might not benefit from the gains that may follow.

• *Avoid chasing “hot” stocks* – By the time you hear about a supposedly “hot” stock, it may already be cooling off. Also, how trustworthy is the source? Does this tip come from an unbiased, knowledgeable individual? If not, you have reason to question its value. Even more important, though, you need to ask if the hot stock is appropriate for your needs, goals and risk tolerance. If not, it’s not so hot.

• *Avoid taking on too much – or too little – risk.* If you feel the need to push your portfolio toward the maximum possible returns, you might invest too aggressively and take on too much risk. Conversely, if you are determined to avoid any amount of loss, at any time, you might invest so conservatively that your portfolio won’t grow enough to help you achieve your long-term goals. You need to strike a balance between risk and reward that is appropriate for you, and you need to make investment choices suitable for your individual risk tolerance.

• *Avoid owning too many of the same investments* – If you own a lot of one particular financial asset and a market downturn affects that asset class strongly, your portfolio could suffer. But if you spread your investment dollars among domestic and international stocks, bonds, U.S. Treasury securities, certificates of deposit (CDs) and so on, you may not be as susceptible to a downturn, because different types of investments often perform differently at any given time. (Keep in mind, though, that while diversification can help reduce the effects of market volatility, it can’t guarantee profits or protect against all losses.)

No matter what you do, you can’t take all the uncertainty out of investing. But by understanding market volatility and the composition of your portfolio, you can invest with more confidence.

S.E. Grundy Senior Citizens Meet Oct. 6

At noon, Friday, October 6, the Southeastern Grundy County Senior Citizens met for their regular meeting with 16 attending.

Lunch was ‘choice from the menu’ and served by Kim.

Birthday cake, compliments of Margaret Fjelde, and ice cream sandwiches given by Linn Winters served as dessert.

President Sharon Pickles offered table grace. After lunch, the meeting was called to order and all who were able stood for the pledge to “Old Glory.”

Three monthly birthdays were mentioned: Karen Perkins, who was absent; Margaret Fjelde and Linn Winters. “Happy Birthday” was sung for the celebrants.

Ida gave the secretary’s

report, which was accepted. Donna offered the treasurer’s report which was ordered to be placed on file for audit.

Compliments of Donna, a new 2017 address sheet was distributed.

A letter was read from Sandy Sowers, who recently moved to Texas, thanking them for the gift card and for attending her going-away party.

Shut-ins were reported by Jackie, stating that June Olson has not been well.

Community events were listed: November 5, open house for Florence Kennedy, and plans were made for the club to attend; Oct. 8, Lions pancake breakfast with firemen participating; Oct. 14, S.W. garage sale.

A movie was scheduled

for 1 p.m., Thursday, at Church of Hope; Oct. 11, 1 - 3 p.m., Archives open; Oct. 18, Lutheran chili supper; Oct. 23, Gardner Village Clean Up Day; Oct. 28, KFC/Roast beef supper, Church of Hope; and Oct. 31, Trunk or Treat, Church of Hope.

The Firemen’s Chili

Supper will be November 4 at the Legion.

President Pickles asked all members to take their favorite Thanksgiving recipe, written on a recipe card, to the next meeting, November 3.

The meeting was adjourned, and as always “to be continued.”

Gardner Archives News

A professional photograph in an ornate frame of the Gardner Stars baseball team was received by the Gardner Archives from the Midwest Bank. The photo had been hanging in the Bank for years and is No. 512 in the Archives.

The team, 1901 season Champions of Eastern Illinois, won 24 games while losing 10.

The players were: B. H. Prather, president; J. J. Thorton, secretary-treasurer and pitcher; R. I. Thorton, captain and catcher; T. Granger, pitcher; Will Davis,

1st baseman; Frank Mulvey, 2nd baseman; F. Littlejohn, 3rd baseman; Geo. Hader, shortstop; Dr. W. R. Gibson, manager and center fielder; Fred Minor, left fielder; and R. I. Lutz, pitcher.

The photograph has been hung in a respective place for all to see. It is a treasure of an artifact added to the Archives, and the donation is appreciated.

The Archives are open the second Wednesday of every month from 1 until 3 p.m. Everyone is welcome to stop in.

Dwight Arts and Crafts Show, Sale Nov. 3, 4

The Fifth Annual “Handmade for the Holidays” Arts, Crafts, and Gifts Show will take place at Dwight’s Historic Pioneer Gothic Church, 201 N. Franklin St., November 3, from 9:00 a.m. to 6:00 p.m. and November 4 from 9:00 a.m. to 4:00 p.m.

The setting for the event was built in 1857 as a Presbyterian Church and is on the National Register of Historic Sites. The Prince of Wales, later King Edward VII, worshipped in the church while traveling and hunting in the USA in 1860. The building is now owned by Dwight Township.

The group of selected artists/craftspeople will have many items for Christmas gifting available. Woodworking, clothesline baskets, artist prints, stained glass pieces, jewelry, paintings, pitfired pottery, cloth baskets, and quilted items, including one-of-a-kind quilted purses, will be for sale. Door prizes will be awarded and admission is free.

A percentage of the groups’ sales is donated each year to The Dwight Christmas For Kids Fund. Donations will also be accepted for the Dwight Food Pantry.

Several businesses in Dwight will be having special events also. In the past four years, the group has donated \$1,017 to Dwight Christmas For Kids.

Dancing Zombies Needed

It is almost time for the 11th Annual Thrill The World Piper City Event, which will take place on Sat., Oct. 28, in downtown Piper City, where they will dance at precisely 5 p.m.

Local Zombies will take to the street in Piper City to perform the Michael Jackson's Thriller dance in unison with 68 other events in nine different countries to date.

While there is no cost to participate, each event has the opportunity to raise funds for a worthy cause of their choice. This year the Thrill The World Piper City event donations will go to the Central Illinois Ronald McDonald House in Springfield.

The zombies have ranged in ages four to 67! Anyone can learn this dance!

A free class to learn the entire Thriller dance will be held at Ne's Place (this year's Zombie Central) in Piper City on Wednesday, Oct. 25, from 6 to 8 p.m.

For those not able to make it to the class, there will be a crash course to learn the dance on the day of the event, Saturday October 28, starting at 12:30 p.m. also at Ne's Place in Piper City.

There will be time to practice before the zombies take to the street to do the Thriller dance at precisely 5 p.m. with the rest of the world.

Come as you are or zombie up for a bit of fun

THREE BOY SCOUTS FROM GODLEY TROOP 459 went to the Rainbow Scout Reservation in Morris October 14, completing the Pistol Safety and Marksmanship Training Program. Don Cameron, the instructor for the program, did a fantastic job teaching the scouts about safety, shooting, and cleaning a pistol. The program took eight hours that included class time and shooting time on the pistol range. All three scouts qualified during the program and earned the rating of Pro-Marksman. In the picture, getting ready to shoot are, from left, Don Cameron, Austin Niccum, Nick Meszaros, and Spencer McDaniel.

Omicron Chapter of The Delta Kappa Gamma Society Meets

The Omicron Chapter of The Delta Kappa Gamma Society International met October 17 at Pitstick Pavilion in Ottawa. An initiation ceremony conducted by the officers welcomed Bridgette Thomas of Ottawa as a new member. Thomas teaches sixth through eighth grades at Deer Park Elementary School.

The program for the evening was presented by Laurie Misener Stone of Three Wells Acupuncture Clinic in Morris. Stone is a licensed acupuncturist and board-certified herbalist. She led the group in several acupressure techniques designed to reduce stress. She also suggested several uses for essential oils. Her goal is to support health

through non-drug solutions. Stone is the daughter of Omicron member Patricia Misener of Morris.

The business meeting was conducted by President Mary Sue Myers. Correspondence was read from Mark Giertz, principal at Milton Pope Elementary School, thanking Omicron Chapter for the generous donation of school supplies. Myers, Beverly Madsen, and Teresa Cameron spoke about the Lambda State Creative Arts Retreat they attended in early October. They also displayed many of the crafts they created during the weekend retreat. Cameron presented one of the workshops.

Literacy chair, Paula Freepartner, reminded mem-

bers about the creative writing contest open to all eighth graders in Grundy, LaSalle, and Putnam Counties. Entries should be submitted to her no later than February 16, 2018. Janna Greanias, Personal Growth and Services chair, urged members to encourage young ladies who have junior standing in college and are studying to be teachers to apply for Omicron's \$1,000 grant-in-aid.

President Myers announced that Omicron member Stephanie Benson was elected Vice President of the Illinois Reading Council. She will move on to be President-elect and then President.

The next meeting will be November 21 at Pitstick Pavilion, Ottawa. The program will be Food Pantries presented by Omicron members Jan Kaufman and Mary Sue Myers.

Omicron Chapter welcomes membership inquiries from women educators in any field or level of education or who have retired from an educational position. For more information about membership, e-mail: omicronil15@gmail.com

Tri-Point School Board Makes Employment Decisions

Two resignations were accepted and a maternity leave approved while the Tri-Point School board also voted to hire new staff members at its regular meeting, Oct. 16.

The board accepted the resignations of:

- Josh Nichols as high school assistant boys basketball coach.
- Suzanne Dohe as elementary aide.

The school board also approved a maternity leave for Kayla Highand for the second semester of the 2017-18 school year.

The board hired:

- Tammy Martinez as substitute cook and custodian.
- Treona Kendal as full-time custodian.
- Gary McClanahan as substitute custodian.

In other business, the

board:

- approved a \$150 one-half page ad in the high school yearbook for the 2017-18 school year.
- will let bids for snow removal services for the district for the 2017-18 school year.
- approved the renewal package from United Health.

The next meeting will be Nov. 13, 7 p.m., in the Tri-Point board room, Kempton.

Herscher Unit 2 Makes Final Payment on \$1.5 Million Bond

by Myke Feinman
Managing Editor

Thanks to a five-year program, paid for at \$325,000 annually, every single student attending Herscher Unit 2 schools has access to computers.

The district announced at its Monday, Oct. 16 meeting that it has paid off its \$1.5 million bond to finance converting all buildings so they have wi-fi access and 1,500 "end-point" machines like laptops and other computers for students to use.

"We are not truly one-to-one (one computer for each student)," Superintendent Rich Decman explained to *The Paper* last week.

"If access to computers is needed, we access for every

student in the district," Decman said.

This has been true for the last two years, he said, as the purchases of computer equipment was finalized.

The board also heard that next month a tentative tax levy request will be presented to the board for approval during the December board meeting.

The district is expecting to have a balanced budget for the 2017-18 school year, the first time in several years.

The tax levy is expected to be slightly over 5 percent, but because it will be more than 4.99 percent, a truth in taxation hearing will be required in December before the levy can be adopted.

A tax levy is a request for tax revenue from the counties where Unit 2 schools are located. It is based on the best guess the district believes the property value will be, and superintendents generally ask for the maximum possible, so as not to lose potential revenue.

In other business, the board:

- hired Marilyn Anderson as teacher's aide at the high school.
- hired Terry Walthers as transportation aide for the district.
- heard the FY 16 annual audit, from Dave Meier of Wermer, Rogers, Doran & Ruzon LLC, with the audit showing "no significant findings," Decman said.

GAVC to Add Ag Program

The Grundy Area Vocational Center is pleased to announce they will be offering Agriculture Education beginning in the 2018 - 2019 school year. The program will be available to Junior and Senior High School students from Coal City, Gardner, South Wilmington, Minooka, Morris, Reed Custer, and Wilmington High Schools. Students will study a wide range of agricultural topics including Animal Science and Agronomy.

Additionally, students will become FFA chapter members and work to find creative methods to serve the community with their skill and knowledge of the agricultural industry. GAVC

has received immense community support with several anonymous offers to support the program with land, tools, equipment, financial resources, and more. GAVC is grateful for the warm Grundy County welcome to the agriculture community and looks forward to providing this wonderful opportunity for the students.

GAVC appreciates all the members who are helping make this possible! The Grundy County Farm Bureau will be helping speak with students interested in the program about Ag Education in November. If you are interested in helping please contact Victoria at 815.942.6400.

Speaker Lisa Zimmer (Eureka) applies a doTERRA essential oil to the palms of members Marianne Hall (Dwight), Gail Thorson (Pontiac), and Janet Whittington (Roanoke).

Use of Essential Oils Is Shared with Alpha Beta Chapter

by Carol Hughes, Roanoke

On October 10 Alpha Beta Chapter of the Delta Kappa Gamma Society International met at Edinger’s Filling Station in Pontiac. Lisa Zimmer of Eureka shared how do TERRA Essential Oils helped her recover from serious health issues. With her recovery using these natural remedies, she learned about the effectiveness of the oils which all in her family now use. Essential oils are found in the seeds, bark, stems, roots, flowers, and other parts of plant.

When distilled these oils become highly concentrated and often only a drop is needed to be effective. Depending on the health or bodily need, the oils can be inhaled, taken internally, or applied. Zimmer also said that the inexpensive oils now being sold are ineffective and not safe as they are composed of a very small amount of oil from the actual plant and supplemented with a large amount of petroleum. Those who wish more information on doTERRA Essential Oils may contact her at lisazimmer.net or 309-645-7517.

President Barb Baumann (Minonk) brought up a list of suggestions for chapter programming which were shared at the ten-minute takeaway sessions at the Lambda State Executive Board Meeting. These sug-

gestions will be published in future newsletters.

A memorial ceremony was held for longtime member and a past chapter president Reta Riley who passed away in May. Marianne Hall (Dwight) and Janet Whittington (Roanoke) shared about the life of Reta, and Carol Hughes (Roanoke) added a DKG memory of this key woman educator.

Finance Chair Margaret Janssen (Pontiac) presented the yearly budget which was approved. Treasurer Janet Kilgus (Fairbury) said that membership dues help support many projects at the international, state, and chapter levels.

Legislation Chair Lou Ann Jacobs (Normal) reported to be aware of the federal reduction of taxes bill as it does not appear to be helpful to middle class taxpayers.

Pres. Baumann reported that she and Elaine Cunningham (Minonk) attended the Creative Arts Retreat on October 6-8 at the Lorado Taft Campus in Oregon. Barb displayed the tulpe wreath, gold foiled cube, shibori-dyed bag, and other items she had created. Elaine, who chairs the

Lambda State Music Committee, played the music and directed a play which were featured at the event.

Kay Hammer (Fairbury), International Projects Co-Chair, collected \$90 which will be directed toward the chapter purchase of an eighth well in Malawi.

Alpha Beta’s next meeting will be at Edinger’s Filling Station in Pontiac on November 7 at 5:30 p.m. Sue Dion will present the program, “Zentangle Time”. Zentangle is an easy-to-learn, relaxing, fun method to create beautiful images by drawing structured patterns.

The Delta Kappa Gamma Society International is an organization for key women educators that promotes the professional and personal growth and excellence in education. The Society has chapters in 17 countries and serves over 71,000 members by providing grants for educational projects, scholarships, leadership training, mentoring, and global networking opportunities. For more information, visit www.dkg.org or contact Carol Hughes at (chughes@mtco.com) or 309-933-7370.

Morris Hospital Announces Upcoming Cancer Support Programs

The Radiation Therapy Center of Morris Hospital has announced its schedule of cancer support programs for November. Programs will be held at the Radiation Therapy Center of Morris Hospital, 1600 West U.S. Route 6 in Morris.

The “I Can Cope” cancer support group for individuals with any type of cancer will be held Thursday, November 9, from 1-3 p.m. This month’s topic is learning about cancer.

Look Good . . . Feel Better®, a free program for women undergoing cancer treatment, will be held Monday, November 13, from 1-3 p.m. at the Radiation Therapy Center of Morris Hospital, 1600 West U.S. Route 6 in Morris. This free American Cancer Society sponsored program is designed to teach beauty techniques to help overcome the appearance-related side effects of chemotherapy and radiation treatment. Free cosmetic kits are provided to participants, and women will also learn ways to disguise hair loss with wigs, scarves and other accessories.

The Support for People with Oral and Head and Neck Cancer (SPOHNC) support group will meet on Monday, November 20, from 2-3 p.m. SPOHNC is a patient-directed, self-help organization dedicated to meeting the emotional, physical and humanistic needs of people with oral and head and neck cancer and their caregivers. The SPOHNC Morris chapter meets monthly and is led by a speech pathologist and registered nurse from Morris Hospital who have extensive experience working with individuals with head and neck cancer and can help navigate the illness and rehabilitation process.

All cancer support programs are free. To register, go to: www.morrishospital.org/eve

nts or call the Radiation Therapy Center of Morris Hospital at 815-364-8915.

Registration is not needed for the SPOHNC support group.

Teal Day Fund-Raiser

ST. PAUL SCHOOL'S Civics Club, Odell, recently held a Teal Day fund-raiser. Students were able to "purchase" a comfy day and wear teal for ovarian cancer awareness. The fund-raiser was conducted in memory of Juli Sullivan, a St. Paul teacher who passed away from cancer in 2014. The group raised \$111 total which has been donated to Barnes-Jewish Hospital, where Mrs. Sullivan sought treatment. Pictured are Mrs. Sullivan's former students who are now Civics Club members (from left), Natalie Davis, Tyler Frauli, and Daniela Frauli.

JADON MEJORADO, DOWNS, visited the Dwight Historical Society October 14. The seventh grader was researching the Chicago and Alton Railroad for a school project and decided to visit the historic depot in Dwight. While learning about the 1891 limestone structure, several Amtrak trains came through town – which he photographed. Jadon enjoyed holding the historic Chicago and Alton lantern.

Trinity Lutheran Church Celebrating Reformation October 29, November 5

Trinity Lutheran Church (Goodfarm), 515 E. Stonewall Road, Dwight will observe and celebrate the 500th Anniversary of the Reformation on two Sundays.

The October 29 service at 10 a.m. will be both an observance of the 500th Anniversary of the Reformation and Confirmation Day.

Pre-service music will be three hymns written by Dr. Martin Luther. The service will begin with a dedication of a new 500th Banner. Special music will include a soloist, two trumpets, and accompaniment by guest organist Diana Eggenberger.

The two confirmands, Ashton Burkhardt and Kallista Cox, will read the Scriptures and present an essay on their chosen Confirmation verses. Pastor William Mitschke's sermon theme is from Luther's hymn, "God's Word Is Our Great Heritage."

Following the service there will be cake and beverage refreshment with an opportunity to greet the new confirmands. All are welcome.

The November 5 service at 10 a.m. will include Rick Steve's public television special *Luther and the Reformation* shown on a big screen and serve as the message of the day. Holy Communion will be celebrated.

The service will be followed by a festive congregation potluck. The gathering will include a Martin and Katie Luther skit, a three-minute video on the first Lutheran hymnal, 1524, and Reforma. All are welcome.

65th Wedding Anniversary

DON AND MARILYN FUNK of Dwight celebrated their 65th wedding anniversary with a family brunch at the Country Mansion on Sunday, October 22. Don and Marilyn Fillman were married October 26, 1952 at Trinity Lutheran Church in Goodfarm. They have two daughters: Deb (Bill) Ekhoof of Grant Park; and Sandy Connor of Dwight. They have been blessed with five grandchildren and 10 great-grandchildren. Don farmed in the Dwight area for 53 years. Marilyn was a registered nurse and retired from Fox Children's Center in Dwight.

\$30.5 Million OSF Streator Renovation Planned For Center for Health

OSF is planning a Center for Health in Streator valued at \$30.5 million.

OSF said Streator is a key element of OSF's overall plan to promote health and wellness in a community and region that has a limited population, as well as transportation, but still must be served.

"What's been challenging to us is [finding] a good balance of providing that medical clinical care that we have historically," said Don Damron, Vice President of Ambulatory Services for OSF HealthCare Saint Elizabeth Medical Center.

"Plus building and renovating the facility in a way that is innovative and is forthcoming to what is in the future plans for the community and health delivery across the country."

Lots of research and groundwork had to be accomplished before OSF entered this next phase of building a healthy community.

President of OSF HealthCare Saint Elizabeth Medical Center, Ken Beutke, said both exterior and interior renovations are planned for the Streator Spring Street facility. These include improvements to OSF specialty clinics, rehabilitation, primary care and diagnostic imaging departments.

A new entrance and lobby, with upgrades to registration and the addition of a tech bar for computer users, are also planned.

The closing of Streator's only hospital, St. Mary's, in early 2016 was devastating, but Streator Mayor Jimmie Lansford said he understands the need for health care delivery to evolve, especially in rural communities.

Some renovation work - like the demolition of St. Francis Hall - is already done.

Work on the Center for Health will be done in phases and will start in January with completion scheduled for summer 2019.

OBITUARIES

Doreen Ray

Doreen Mildred Cobb Ray passed away Tuesday, October 17, 2017 at 8:24 a.m. at her home following a short battle with cancer.

Doreen was born April 17, 1943 in Gardner, the youngest daughter of Erlan (Todd) and Hilda Margarette (Treasure) Cobb. She attended both grade school and high school in Gardner and graduated in 1961.

On March 25, 1972 Doreen married Jerome E. (Jerry) Ray in Gardner at the home of her parents. They spent the early years of their marriage in Tampa, Florida. In the early 1980s they returned to Illinois, settling in Coal City and later in Seneca.

Doreen and Jerry were owners of Doreen's Cleaning Service and J&D Feed & Seed, both based in Coal City. They also managed the Just Animals Shelter in Seneca.

She is survived by her step-children: Debbie Ray of California; Mark Ray of Florida; and Sean Ray of Arizona; and step-grandchildren of Arizona.

Also surviving are

nephews: Larry and Linda Hahn of Kankakee; Michael and Carol Hahn of Dwight; Danny and Nancy Hahn of Channahon; Jerry and Lynn Hahn of Braceville; Mark and Angelyn Hahn of Gardner; Andrew and Heather Hahn of Mazon; Matthew Hahn of Gardner; and Todd and Lolly Lyle of Morris.

Nieces, Lisa Hahn Schott of Seneca; Debbie Hahn and Roger Reader and Toni Hahn and Gerald Lucca, of Gardner; Dena Lyle and Todd Knudsen of Braidwood; survive along with many great-nieces and great-nephews.

She was preceded in death by her husband, Jerry; her parents, Erlan and Hilda; her four sisters: Margarette F. Cobb, Donna M. (Betsy) Hahn, Darlene L. Hahn, and Diane M. Lyle; brothers-in-law, Gerald (Jerry) Hahn, Orville (Jake) Hahn, and Louis Lyle; great-niece, Emily Lucca; and many aunts and uncles.

Per her wishes, she was cremated and services will be held at a later date.

Mary Campbell Chagoyan

KANSAS CITY, MO — Mary Campbell Chagoyan of Kansas City, Missouri and formerly of Dwight, passed away at 4:30 a.m., September 16, 2017 in Kansas City.

She was born in Dwight May 22, 1934, the daughter of Ray and Lucille Campbell. Her parents preceded her in death.

Mary married Louie Chagoyan, who survives. She is also survived by sisters: Doretta Humbert of Dwight; Diane Taylor of Pontiac; and Tracy Campbell of Peoria; and a brother, Jim (Joanie) Campbell of Miamisburg,

Ohio.

Also surviving are many nieces and nephews.

She was also preceded in death by her sisters: Gladys Burns and Agnes Holohan; brothers: Cy Campbell and Joe Campbell; and a brother at birth.

Her Funeral Mass was Thursday, September 28, at 11 a.m. in Our Lady of Guadalupe Church in Kansas City with Father Darvin Salazar officiating.

Cremation services were accorded. McGilly and George Funeral Home of Grandview, Missouri were in charge of arrangements.

Hospital Announces Diabetes Screenings in Nov.

In recognition of National Diabetes Awareness Month, Morris Hospital & Healthcare Centers is offering free diabetes screenings on Friday, Nov. 3, from 7-9 a.m. at locations in Channahon, Coal City, Dwight, Morris, Ottawa and Yorkville.

The finger-stick diabetes screenings will provide instant results that indicate whether a person has diabetes or pre-diabetes, meaning the blood sugar level is higher than normal but not high enough to be classified as Type 2 diabetes.

Morris Hospital will offer screenings at the following location in *The Paper* territory:

Dwight - Dwight Healthcare Center of Morris Hospital, 101 S. Prairie Ave. A 10-12 hour fast is recommended prior to the screening for accurate re-

sults. A certified diabetes educator will be present at the screening held at Morris Hospital to answer questions about the results.

Diabetes is a chronic condition that affects the way the body metabolizes sugar. According to American Diabetes Association, in 2015, 30.3 million, or 9.4 percent of the American population had diabetes. Of those, 7.2 million were undiagnosed. While there is no cure for diabetes, proper management of the condition can often help avoid serious health complications including heart disease, blindness, kidney failure, and lower-extremity amputations.

Appointments are not needed for Morris Hospital's free diabetes screening. For information, call Morris Hospital's Diabetes Education Center at 815-705-7367.

Minutes with Boma

On The Road Again

This was quite the week. Very little downtime, a whirlwind of emotions. For starters I came back from California, and the Cubs are down 2 games to 0, which quickly turned into 3-0 and then the series ended. Not how you would've liked to see it go down, but I suppose that you can't win the world series every year, as long as there isn't a 108-year drought between this one and the next one that would be sufficient.

Coming off all that, this weekend, I took on Illinois State's homecoming, the second time now that I've attended as an alum of the university and not a student. I can't say that I feel all that old, yet. I did run into some students who were/are still older than me, which is kind of nice to not be the oldest person there.

Illinois State also got a big win against a top 10 team, so not all was lost in the sporting department this week.

What these past two weeks have really put into perspective, or put into something to appreciate, is people who travel for a living, or just travel a lot – it's exhausting. It takes a few days even after the trip is over to get your legs back, and get back in the swing of things. That's the case and this most recent trip was only to Bloomington-Normal, it wasn't even out of the state.

To do that every weekend, or even several times a month is something to be applauded, because I imagine it would be incredibly difficult to do it consistently.

After painting, the wig stands must be sealed with polyurethane coating so that they will withstand use and

the paint will be permanent. Razunas seals them after Baker returns the painted stands.

The two artisans met at the Franklin Corner store in

Did you know?

According to a survey of its users, the home improvement resource Home Advisor found that the average kitchen remodeling project took six weeks to complete. While some homeowners might be turned off by the prospect of having little or no access to their kitchens for more than a month, HomeAdvisor warns that the length of time it takes to complete a kitchen remodeling project depends on a host of factors, including the scope of the project.

Some homeowners reported to

HomeAdvisor that their projects lasted for several months, though those projects required extensive work, including moving walls and rearranging plumbing. Others who only replaced the flooring and countertops in their kitchens were back in business in just three weeks.

Homeowners should always receive a projected completion date when soliciting estimates from contractors. But it's also important that homeowners plan for unforeseen problems that may arise during the project, thereby extending the length of time necessary to complete it.

Whatever is on Your List

5 Home Maintenance Projects to Tackle this Fall

Fall is the perfect time to complete those pesky home maintenance projects left on your to-do list. If you've been putting off these chores, you're not alone, but it could cost you. In fact, a national survey from Erie Insurance shows many Americans are putting themselves and their homes at financial risk by delaying important home maintenance tasks.

Make sure you're protected by focusing on these five areas:

• **The Roof.** Twenty-three percent of homeowners admit they never inspect their roof or have it inspected unless there is a problem, according to the Erie Insurance survey. Unfortunately, replacing a roof is also one of the biggest expenses a homeowner may have if not maintained properly. Nationally, the average homeowner spends about \$6,600 to install a new roof, but prices can soar upwards of \$20,000.

Don't be stuck with a hefty roof repair bill. Have it inspected to see if any shingles are damaged and need to be replaced. The fall season is the optimal time to do so, since roofing is best installed when temperatures are cooler. Plus, you'll catch any problems before winter weather kicks in.

• **The Gutters.** Make sure downspouts drain away from the foundation and are clear of debris. Clogged gutters can lead to major issues like uneven floors, cracks in walls and interior water damage. This type of claim, also known as seepage, is a maintenance issue and often not covered under your home insurance policy. To prevent any major issues, clean gutters at least twice a year in fall and spring.

• **The Dryer Exhaust Duct.** Does it take you two to three cycles to dry a load of laundry? If so, you may need to clean your dryer vent. One in five (21 percent) admit they never clean their clothes dryer ducts, unless they have a problem. But lint build-up can catch fire easily. Over 15,000 dryer fires occurred nationwide from 2010-2014, with the majority being ignited by dust, fiber and lint, according to the National Fire Protection Association. Avoid this disaster with a thorough cleaning at least once a year.

• **The Fireplace Chimney.** Erie Insurance found nearly half (46 percent) of people who own a home with a fireplace

never have their chimneys cleaned. However, uncleaned chimneys are a leading cause of structure fires, reports the National Fire Protection Association. So, get the chimney cleaned before the cold weather hits and you find yourself tossing logs in the hearth to keep the house toasty, and then have it cleaned annually.

• **The Sump Pump and Pit.** Sump pumps remove excess water from homes that would otherwise cause property damage. It's important to clean a sump pump and its pit annually to keep basements dry and help prevent mold growth and water damage. Do this maintenance project in fall to help protect against heavy rainfalls and accumulated melting snow and ice of winter.

For more information on how you can protect your home through the seasons, visit www.ErieInsurance.com. Now that you have your checklist, it's time to roll up your sleeves while it's still nice outside. Whether you're a DIYer or prefer hiring a professional, crossing these projects off your to-do list will help ensure you're safe and secure before temperatures drop.

Major Changes Coming to New Home Building Methods

Across America, home builders are adopting new approaches to construction to create greener homes with better resale value. One major change that’s tackling energy consumption and rising fuel costs is the use of an airtight, solid concrete system to replace inefficient wood framing. Insulated concrete forms (ICFs) erect a building with an interlocking system, similar to Lego.

“It’s a switch for builders, but those who have switched over tell us it’s quite easy to build with ICFs,” says Natalie Rodgers of Nudura, a leading name in the field. “Customer demand has driven this change and builders are now seeing how green construction options can have a positive impact on their business.”

The ICF system is now the number one choice of wall-building methods for “net-zero” construction in the country. The term net-zero applies to buildings that are energy efficient and don’t tap into any

public utility fuel supplies. The goal is for as many homes, schools and public buildings as possible to be designed to be net-zero.

Here are some advantages of net-zero construction using ICF.

Building guide. Underscoring these proactive measures, the nonprofit organization LEED also reminds us that constructing a green home leaves a much smaller carbon footprint due to less demand on natural resources. Such homes will create less waste and be healthier and more comfortable for the occupants.

Fuel savings. Walls built with ICFs are proven to reduce energy bills up to 60 percent, reduce greenhouse gas emissions and reduce or eliminate exposure to mold, mildew and other indoor toxins. The net cost over time is comparable to owning a conventional home and the resale return is generally assured.

Durability. Concrete is strong. Due to high-impact resistance, these concrete walls assure maximum safety in high wind areas. Fire resistance is also reported to be maximized at four hours. Comfort. Unlike in conventional wooded frames, air gaps are eliminated in ICF, minimizing the potential for mold growth and draft. The end result is an airtight structure that enables the mechanical systems to heat, cool and ventilate the structure more efficiently, creating a healthier living and working environment.

Responsibility. The materials are recyclable and the system is designed to create less landfill waste during the construction process. Combined with other eco-construction methods, this concrete system will significantly reduce carbon emissions by lowering the amount of fossil fuels needed for heating and cooling.

Oxygenation For Dwight Windmill Pond

KEVIN RICKETTS OF FORREST removes some shrubbery in preparation for digging a trench to put electricity to the windmill at the Village of Dwight Windmill pond Oct. 20. The electricity is to provide oxygenation for the pond to keep the water from getting stagnant, according to Bob Ohlendorf, of the adjacent Country Mansion restaurant.

Six Ways to Bring Warmth into Your Home this Fall

With the shorter days and cooler nights of fall can come the urge to hibernate. But first prepare yourself and your home for the season with these cozy and warm accents that will make time spent indoors cozier.

1. Incorporate Metallic Décor. While you're breaking out the pumpkins, cornstalks and cornucopias, take a different approach this season and incorporate copper or brass accents. These metallic items will elevate décor, and the orange and yellow tones will complement the changing leaves outside. Try picking out a unique candelabra or vase or small decorative pieces to style the room.

2. Makeover the Fireplace. Fireplace season is on the horizon, so start thinking about new ways to make it the focal point of a room. Try painting it with a subtle whitewash for a look that will instantly revive brick and brighten the space. Before you get started, prep the fireplace by scrubbing brick with a wire brush to remove any residue. Then, tape off any areas you don't want painted with a quality painter's tape like FrogTape brand painter's tape, to prevent paint bleed and achieve professional-looking results.

3. Layer, Layer, Layer. Bare floors can make your home feel chilly. Warm up a space by layering area rugs on hardwood floors or to an already carpeted area. Not only will this add color and texture to a room, the extra cushioning will ensure feet avoid the cold, so you can keep your slippers tucked away.

4. Update the Guest Bedroom. With the holidays on the horizon, there's no

better time to give your guest bedroom a cozy update. Surprise overnight guests by painting the room a moody green or blue that is on trend and sets a relaxing tone. Don't forget to incorporate little touches like books or a plant on the nightstand to make them feel at home.

5. Update Window Coverings. Heavy drapes keep out drafts and make a room feel luxurious. Switch out summer sheers for curtains with a heavier weight, or layer drapes for an elegant look.

6. Don't Underestimate the Power of White Paint. Vibrant doesn't always have to mean using bold colors. Make a space feel brand new again by repainting wood trim a crisp white color. It may seem like a tedious task, but with a little effort, you can completely transform a room. Start by filling in any imperfections, sanding and cleaning the surfaces to be painted. Then, you'll want to tape off the wall next to the trim so your handiwork looks like that of a professional. For this job you'll want a quality product like FrogTape painter's tape, treated with patented PaintBlock Technology, to help ensure your work looks professional and allows you to achieve the sharpest paint lines possible. When painting trim, opt for a semi-gloss paint to make elements stand out. For different project inspirations, visit FrogTape.com.

Grab your pumpkin spice latte and start adding little touches like these to your home, for a cozy and stylish season.

Did you know?

Of the 29 projects it studied for its 2017 "Cost vs. Value Report," Remodeling magazine found that the average payback in resale value was 64.3 cents. The lone project in the 2017 report to return a higher value than its cost was the installation of loose-fill insulation in an attic, which provided a return of 107.7 percent.

Homeowners who replaced an existing entry door with a 20-gauge steel unit recouped 90.7 percent of their investment at resale, placing that project second on the list. What helps homeowners who finance such projects recoup their associated costs is the relatively low sticker price of the projects, which both rank among the five least expensive projects examined in the 2017 report. But a recovering real estate market has helped homeowners recoup more of their investments on some expensive projects as well. For example, the 2017 report saw the biggest year-over-year percentage increases in value on expensive projects like upscale bathroom remodels, upscale master suites, two-story additions, grand entrance installations, and family room additions. The increase in value on those projects ranged from 5.6 percent to 7.4 percent from a year earlier.

DTHS TROJANS FOOTBALL

Friday, October 20
Dwight vs. PBL
Varsity -

In their final game of the regular season, the Trojans were dealt their second consecutive goose egg in a row – falling at the hands of Paxton-Buckley-Loda this past Friday, 53-0.

PBL put up 20 first quarter points, and would follow that with another 20-point second quarter – and Dwight would head into halftime down 40-0.

The Panthers would find the endzone once again in each of the final two quarters, and would cruise to a 53-0 victory.

Dwight mustered 191 yards of total offense on the night, with quarterback Colton Holm throwing for

72 yards on 6-14 passing – including three picks. Logan Graham would toss a nine-yard completion in the contest.

Dakota Wahl made five receptions for 64 yards in the air, with Carson Crouch catching a nine-yard pass. Cameron Klingler made an eight-yard grab.

On the ground, Crouch led the way with 50 yards on nine carries, followed by Wahl with three carries – good enough for 39 yards. Daniel Gutierrez ran the ball ten times, tallying 31 yards, while Wilton Jackman and Klingler added a two- and one-yard rush, respectively.

On defense, Graham swooped up one sack.

The Trojans finish the season with a record of 3-6.

GSW PANTHERS CROSS COUNTRY

Saturday, October 21
GSW at Class A Sectional

The GSW Panthers competed in the Class A Sectional in Seneca over the weekend, with great weather conditions and top-notch competition – and the top seven teams qualifying for the sectional meet this upcoming weekend.

Both squads finished in eighth place in the team races, missing a sectional qualifying berth by four points.

“All the hard work and effort these athletes put in this season paid off,” stated Coach Lane, “as the teams started well back of the other squads and really gained ground as we improved. While it is disappointing to be that close to a sectional berth, the team has nothing to be ashamed of in this race with all the improvements they made this fall.”

The second way to be a sectional qualifier was to be

one of the five fastest finishers who are not on one of the top seven teams. Rylie Bond, Dan Muller, and J.C. Santos are individual qualifiers who will compete in the Oregon Sectional Saturday, October 28.

Individual results are as follows:

Girls -

Bond, 22:45, 11th; Alexis Brooke, 23:15, 20th; Brooklyn Long, 25:06, 45th; Kathlene Huffaker, 26:09, 57th; Julie Ramsey, 26:12, 59th.

Boys -

Muller, 18:01, 11th; Santos, 18:37, 21st; Joey Fedele, 19:50, 49th; Jack James, 20:11, 57th; Jaxson Tarnowski, 22:03, 81st; Bryce Lucas, 22:34, 85th.

“I am quite proud of the runners for all their hard work and determination during the fall. I really enjoyed being a part of their development and improvement – but they deserve all the credit.”

GSWB LADY TIGERS 8th grade team brought home a fourth place trophy from the Bourbonnais St. Paul basketball tournament.

8th Grade Lady Tigers Earn a Trophy

The GSWB Lady Tigers 8th grade team participated in the 22nd annual Bourbonnais St. Paul's basketball tournament this past weekend and brought home a 4th place trophy. Their first game was played against St. Paul's, where the Tigers came out with a 35-8 win. Claire Hennessy was the team's top scorer with 11 points, followed closely by Riley Klingler with 10. Taylor Conger and Olivia Cerutti each had 4 points for the Tigers. Lexi Latimer, Julie Manzello, and Ashley Frideres chipped in 2 each to the scoreboard.

The Tigers' next game was played against Bradley Central, resulting in a 39-12 loss. Claire Hennessy led the Tigers again, this time with 8 points. The other 4 points were scored by Lexi Latimer and Riley Klingler, hitting 2 points each.

The loss moved the Tigers into the 3rd/4th place game against Kankakee Junior High. The Tigers took 4th place, losing to Kankakee 39-25. Claire Hennessy made 13 of the Tigers' 25 points. Olivia Cerutti banked in 4 points. Kate Farris hit a 3-point shot,

All-tournament Team Member Claire Hennessy

adding to the score, along with Riley Klingler adding another 3 points, and Ashley Frideres adding 2 points.

An all-tournament team was named, which was voted on by coaches and tournament staff. Claire Hennessy made one of the ten all-tournament spots. She ended the tournament with 32 total points.

The Tigers did a great job in all of their games, working together as a team and playing hard until the very end.

Dwight vs. Flanagan
7th Grade -
LCT

The seventh grade Lady Redbirds fell 31-8 to Flanagan in LCT play.

Mia Buck, Njomza Asllani, Skyler Horrie, and Sanna Layne each had a basket on the night, with Layne and Buck leading the team with five rebounds each. Aubree Dzwonkoski and Horrie both pulled down four rebounds, while Layne led with two steals.

Monday, October 16
Dwight vs. Coal City
6th Grade -

In sixth grade basketball action October 16, Dwight suffered a 35-2 loss at the hands of Coal City.

Leah Larson led the Lady Redbirds with two points and three rebounds. Lily Mckelvey and Samantha Harsh each grabbed three rebounds.

In the “B” game, Dwight lost 18-14.

Samantha Harsh had eight points to pace the Lady Redbirds. Kiah Handzus, Lily Mckelvey, and Leah Larson scored two points each. Leading on the glass was Kaitlyn Streit and Handzus with five boards each. Ava Meister and Harsh each snagged four.

Dwight vs. Bishop
McNamara
7th Grade -

Dwight traveled to Kankakee October 16, dropping a 29-6 decision to Bishop Mac, despite playing a much improved game.

Skyler Horrie, Sanna Layne, and Emelia Eitenmiller each finished with a basket. Horrie pulled down eight rebounds in the game, with Layne and Mia Buck each tallying four. Murphy Connolly added three rebounds, while Buck and Njomza Asllani each had three steals.

Dwight vs. Bishop McNamara 8th Grade -

The eighth grade Lady Redbirds lost a heartbreaker to Bishop McNamara, 20-15, October 16.

After trailing 9-2 at the half, Dwight fought back to take the lead in the third. But it was short-lived, as the Lady Irish were able to regain the lead in the fourth quarter and hold on for the win.

Alexis Thetard led with six points and two rebounds. Mikalah Bregin added three points and three boards, while Jordan Schultz (three steals) and Kira Bean put up two points each. Kendahl Weller and Addy Harms (five rebounds) both made a

free throw. Iris Beier led the team with four steals.

Tuesday, October 17
Dwight vs. Elwood
7th Grade -

Elwood bested the Lady Redbirds 20-15 on October 17.

Mia Buck had four points, seven rebounds, and three steals, while Skyler Horrie connected on a deep three. Aubree Dzwonkoski, Njomza Asllani (two steals), Harlie Boucher, and Sanna Layne (five rebounds) all scored two points.

Dwight is now 0-12.

8th Grade -

Dwight defeated Elwood in the eighth grade matchup, 20-17.

In a defensive game, the Lady Redbirds – who trailed by one at halftime – used an eight-point third to take the lead for good.

Alexis Thetard led with eight points and two boards, with Jordan Schultz and Addy Harms (three rebounds) adding four points each. Iris Beier (two rebounds) and Kira Bean each scored two points. Maya Green and Kendahl Weller grabbed six and three boards, respectively. Mikalah Bregin provided two rebounds.

The win puts Dwight at 4-9 on the season.

GSWB LADY TIGERS BASKETBALL

GSWB vs. Tri-Point
7th Grade -

The seventh grade Lady Tigers made a big comeback against Tri-Point after starting out slow in the first half, but would fall 27-21.

Addi Fair led with eight points, followed by Hannah Frescura and Colby Grieff with seven and six, respectively.

8th Grade -

GSWB would lose to T-P, 38-14, in the eighth grade game.

Lexi Latimer and Olivia Cerutti led with four points each. Taylor Conger and

Riley Klingler each hit two points for the Lady Tigers, with Sophie Randolph and Claire Hennessy adding a free throw each.

GSWB vs. Saratoga 7th Grade -

In seventh grade b-ball action, GSWB got the win in their meeting with Saratoga, 18-12, backed by tough defense and smooth offense.

Addi Fair and Sophia Crutchfield paved the way for the Lady Tigers with six points each. Colby Grieff, Hannah Frescura, and Taeryn Lardi all added two points against the Lady

Hawks.
8th Grade -

The eighth grade Lady Tigers came out with a 22-18 win over Saratoga, starting off slow but picking up speed after halftime – nearly doubling their points in the third quarter.

DTHS Students Meet for Leadership Training in Springfield

DTSH FCCLA CHAPTER OFFICERS ATTENDED Leadership Training October 1 and 2 in Springfield with their advisor, Mrs. Kathy Patten. Pictured, front row, are Kat Harms, Jillian Frauli, Lilli Groves; back row, Nellie Rieke, Morgyn Moyemont, Lucy Rieke, Addison Bean, and Izzy Burkhardt.

The Illinois Family, Career and Community Leaders of America (FCCLA) has teamed up with State Farm Insurance Companies to provide approximately 200 high school students training on how to be positive, effective leaders in their homes, schools, and communities. The training, which was held October 1 and 2 at the Northfield Inn/Conference Center in Springfield, emphasized leadership skills, community service, and the State Farm teen safe driving campaign.

The students received leadership training from Patty Hendrickson of La Crosse, WI. The chapter members focused on their Program of Work for the year and set goals for their FCCLA Week activities, community service, and involvement with the

Dude.be nice and State Farm Safe Driving Campaigns. Each FCCLA chapter will conduct projects in their home communities and high schools during the current school year using the information they gathered at the training.

Those in attendance were also privileged to hear from Kari Rogers from the Illinois Department of Child and Family Services (DCFS). Mrs. Rogers shared the impact that Illinois FCCLA could have with their fundraising efforts for the Illinois Department of Child and Family Services. The community service project for the weekend was a Diaper Drive for Illinois DCFS. Over 285 items were donated for the project, including packages of diapers, wipes, lotions, and baby powder.

The Advisors in attendance received training on how to incorporate FCCLA National Programs in their FCS classrooms. Their training was facilitated by Sharon Pierce of Austin, TX.

Sharon is recently retired as the Texas FCCLA State Advisor after serving 36 years in that role.

One of the highlights of the weekend was a Cupcake Challenge that allowed chapters to showcase their baking and display expertise. Trophies were given to the best tasting cupcake and the best overall cupcake display – with best tasting cupcake going to Carterville High School. The best overall display went to Gallatin County High School. Funds raised through the cookie entries and sales of the cookies went towards the Illinois Foundation for FCCLA Scholarship fund.

Dwight FCCLA chapter officers attended the meeting with their advisor, Mrs. Kathy Patten. The chapter had two entries in the Cupcake Challenge, with team 1 consisting of Lilli Groves, Izzy Burkhardt, and Kat Harms; and team 2 made up of Lucy Rieke, Jillian Frauli, and Morgyn Moyemont.

Section 2 – Findings: The Corporate Authorities of the Village of Dwight have determined that the following described personal property are items of unusable personal property that have come into the possession of the Village of Dwight said property being as follows:

2004 Ford Mustang, 164,000 miles

Section 3- Determination: It is hereby declared to be the determination of the Corporate Authorities of the Village of Dwight that the ownership and retention of the above described item of personal property is no longer necessary, appropriate, or required for the use of, profitable to or in the best interest of the Village of Dwight, and therefore said item of personal property as listed above is hereby declared to be **Surplus Property**.

Section 4 – Direction to Sell: The Corporate Authorities of the Village of Dwight hereby direct the sale of the personal property listed above by Sealed Bids as hereinafter directed.

Section 5 – Procedure for Sealed Bid Auction:

Publication of Notice: Notice shall be published of the proposed sale of personal property by Sealed Bids by publishing Notice in a newspaper having general circulation within the Village of Dwight, Illinois. Said Notice of Sealed Bid Auction to be published for two (2) successive weeks, with at least one (1) such date of publication being not less than seven (7) days nor more than fourteen (14) days before the deadline to submit sealed bids as provided for in Notice of Sealed Bid Auction.

Sealed Bid Auction: Said Sealed Bid Auction shall provide that sealed bids must be delivered in writing to the Office of the Village Clerk, at the Public Services Complex Building, 209 S. Prairie Avenue, Dwight, Illinois 60420 on or before 11:00 a.m. on Tuesday, October 31, 2017, at 11:00 a.m. at which time they will be publicly opened and read. Upon determination and acceptance of the highest bid, and payment of the bid price, and removal of the item, the sale shall be final. Successful bidder must leave remaining property in clean and orderly manner after removal of item(s). Any remaining debris resulting from the removal of the item(s) is the responsibility of the successful bidder.

Successful bids shall be paid at the Dwight Public Services Complex on or before November 13, 2017 at 4:00 p.m. No item may be removed until paid for in full. All items successfully bid on must be removed from the property before December 1, 2017 unless prior approval is received from the Village of Dwight.

Disposal of Unsold Personal Property: The Corporate Authorities hereby authorize the Village Administrator, or his duly authorized appointee, to dispose of any item of personal property for which a bid is not received by appropriate means.

Inspection: The item to be sold shall be available for prior public inspection by contacting the Village Administrator at the Public Services Complex Building, or his designee at: 815/584-3077 during regular business hours.

Section 6 – Condition of Property: All property shall be sold “AS IS”, with no warranties or guarantees.

Dwight Woman’s Club Meets at Prairie Creek

The Dwight Woman’s Club held their October 17 meeting at the Prairie Creek Library. Members enjoyed a program on Life Chapters Recorded followed by the club business meeting.

During the evening’s program, Barb Quick of Bloomington shared her passion for the process of family narratives, the telling and writing of the stories of our lives. In her presentation, Barb talked about the wonderful treasure her father had left her family in the writing of the stories of his life. His gift was the inspiration for Barb’s efforts to encourage families to interview, record and document the stories of their family members and for her business, Life Chapters Recorded: your story in your words.

Barb talked about the process she uses to collect family stories and told heartwarming anecdotes about stories she has documented for families. She also shared suggestions on how to get started on collecting family narratives on your own. To conclude her program, Barb encouraged members to find the time to begin on one of the most important and simplest gifts you can give your family, recording the family narrative, and she offered each club member a notebook entitled “The Life Chapters of.....” as a place to start.

Following the program, social committee members Virginia Malone, Jill Mann and Chris Myers served an autumn dessert buffet which was enjoyed by all the members.

Community Involvement committee members took the time before the business meeting began to organize the donations of foods collected from members to be given to the Dwight Food Pantry this month.

Lisa Marsh, club president, opened the business meeting with the secretary and treasurer reports. Lisa reviewed plans for upcoming projects and events. The Woman’s Club will be participating in the DEA Trunk or Treat event again this year, with their trunk decorated in the theme of the “Dwight Woman’s Club Creepy Kitchen.”

Jan Masching and Lisa Marsh will be the featured readers at “Reading with the Residents” at Heritage Woods on November 9 with any club members invited to join them as they share short stories and conversation with ladies and gentlemen at The Woods. This new program was the idea of the Civic Improvement Committee and has been well-received the past two months.

Marcia Drach reported on the sale of Pink Lightbulbs at the First National Bank and Dwight Bank during October for Breast Cancer Awareness Month. She stated the club’s appreciation to these local businesses for supporting the cause and mentioned that The First National Bank has plans for a special pink bulb event

Meet Monday Nights with Wendy’s Cruisers

The "Wendy's Cruisers" of Morris invites all those who love antique cars, trucks, motorcycles etc. to come to our social gatherings on Monday Nights at the Morris Wendy's.

We meet every Monday night from 5-9 all year around. Weather permitting we bring our antique vehicles for the public to view these historical works of art. All are welcome whether you have an antique vehicle or not.

Wendy's Cruisers have been around since 2006. This is a free event open to the public. There are many other activities they are involved with, cruises, campfires, movies, cookouts, show and tell nights etc.

Got something unusual to show them or want someone to tell you what it is, they want to see it.

Wendy's of Morris is located on Rt. 47 just south of the I-80 exit 112. For more information call Ken at 815-942-2032 or preferably e-mail at: willis824@comcast.net

in late October and would be buying a large quantity of bulbs from the club. Woman’s Club profits from the sale of the lightbulbs will be given to local families affected by cancer and the Livingston County Health Department Cancer Fund.

After much discussion at earlier meetings, the Board of Managers of the Woman’s Club and Club members have decided to sell the Dwight Woman’s Club china dishes. Dessert plate and cup sets from the 1920’s The Arcadia pattern are available to club and community members at the price of \$10 per set and dessert and cup luncheon plates in a light gray and silver are available for \$5 per set.

Money raised from the sale of the plates will be used to support the Woman’s Club Scholarship fund. Anyone interested in purchasing a set

should contact Marcia Drach or Lisa Marsh at: 4dwightwomansclub@gmail.com

Plans for the annual Festival of Trees to support charities were discussed. The Festival will be held on Saturday, December 2 from 8 a.m. to 2 p.m. at the Emmanuel Lutheran Church. The Church ladies will be holding a breakfast and bazaar during the hours of the festival.

Virginia Malone is coordinating the Woman’s Club 50-50 raffle. Dee Hanner, Julie Rikken and Sue Strickland are in charge of the annual Cookie Sale at the Festival. Chris Myers is arranging for entertainment throughout the day.

Participation letters have been sent to businesses and community groups with information about this year’s festival. Anyone interested in partici-

pating who did not receive a letter can contact Lisa Marsh for more information. The Woman’s Club tree, to be raffled to support the annual DWC Scholarship Fund, will have the theme of SUPER HEROES.

The November meeting of the Dwight Woman’s Club will be held on the 14th at 6:30 p.m. in the community room at the village hall (a change in location for November only). Woman’s Club meetings are open to the public.

Any ladies in the community interested in joining the club and participating in club community projects are welcome to attend.

NOTICE OF INTENTION OF COMMUNITY CONSOLIDATED SCHOOL DISTRICT NUMBER 65, LASALLE AND LIVINGSTON COUNTIES, ILLINOIS TO ISSUE \$300,000 WORKING CASH FUND BONDS

Public Notice is hereby given that on the 18th day of October, 2017, the Board of Education (the "Board") of Community Consolidated School District Number 65, LaSalle and Livingston Counties, Illinois (the "District"), adopted a resolution declaring its intention and determination to issue bonds in the aggregate amount of \$300,000 for the purpose of increasing the Working Cash Fund of the District, and it is the intention of the Board to avail of the provisions of Article 20 of the School Code of the State of Illinois, and all laws amendatory thereof and supplementary thereto, and to issue said bonds for the purpose of increasing said Working Cash Fund. Said Working Cash Fund is to be maintained in accordance with the provisions of said Article and shall be used for the purpose of enabling the District to have in its treasury at all time sufficient money to meet demands thereon for expenditures for corporate purposes.

A petition may be filed with the Secretary of the Board (the "Secretary") within thirty (30) days after the date of publication of this notice, signed by not less than 57 voters of the District, said number of voters being equal to ten percent (10%) of the registered voters of the District, requesting that the proposition to issue said bonds as authorized by the provisions of said Article 20 be submitted to the voters of the District. If such petition is filed with the Secretary within thirty (30) days after the date of publication of this notice, an election on the proposition to issue said bonds shall be held on the 20th day of March, 2018. The Circuit Court may declare that an emergency referendum should be held prior to said election date pursuant to the provisions of Section 2A1.4 of the Election Code of the State of Illinois, as amended. If no such petition is filed within said thirty (30) day period, then the District shall thereafter be authorized to issue said bonds for the purpose hereinabove provided.

By order of the Board of Education of Community Consolidated School District Number 65, LaSalle and Livingston Counties, Illinois.

Dated this 18th day of October, 2017.

Pet of the Week

BLITZEN is a 1-year-old boxer/lab mix who is one of Daisy's ten puppies. He may be one, but he still acts like a puppy running around and playing with all the toys he can. He is very affectionate. He gets along very well with other dogs and children. He is house trained but could still have an accident here or there. He will need time to get used to your schedule as does every dog from a shelter. Give our handsome boy the family he deserves!

Dwight Woman’s Club to Sell China Dishes

Members of the Dwight Woman’s Club, after much discussion, have decided to sell the Dwight Woman’s Club china dishes, with proceeds from the sale to support the Dwight Woman’s Club Scholarship Fund. Club members have kept place settings for the club archives and the Dwight Historical Society. The dishes are available for purchase by any club or community members.

In March, 1929, Mrs. E.R. Weart of the Dwight Woman’s Club, ordered six dozen dessert plates, tea cups and sherbets in THE ARCADIA pattern from C. M. Baker & Son of Dwight, IL. The cost for all of those china pieces was \$79. Over the years, Woman’s Club members used the china to serve refreshments at meetings and at club-sponsored social events. Unfortunately, the sherbets have disappeared, but a number of settings of the plates and teas are still owned by the Woman’s Club. As time and styles of entertaining and serving have changed, the dishes are no longer used by the club. The decision has been made to make them available for sale in the community and then online.

THE ARCADIA china is English Windsor Ivory, introduced by the W.H. Gridley Company around 1928. The pattern features floral, aqua scrolls and a mustard trim. Dessert plate and cup sets from the late 1920s THE ARCADIA pattern are available to club and

MARCIA DRACH AND JENNIFER JEDLINK, Dwight Woman’s Club members, each purchased place settings of the late 1920s “The Arcadia” pattern Woman’s Club China at the club’s October meeting. The China was originally purchased by the Woman’s Club in 1929. DWC has decided to sell Woman’s Club China place settings to club and community members. The club is also selling their luncheon plate sets. Proceeds from the sales will support the annual DWC Scholarship Fund.

community members at the price of \$10 per set.

The Woman’s Club also has a collection of luncheon sets, plates with indentation for a cup and the coffee cups, in a light gray color with a silver border. These luncheon plate sets are available for \$5 per set.

Proceeds from the sale of the china and luncheon sets will be used to support the Woman’s Club Scholarship fund. Anyone interested in viewing and purchasing one or more sets of either pattern should contact Marcia Drach or Lisa Marsh at: 4dwightwomensclub@gmail.com

TRUNK OR TREAT
