## 30 Years of Shear Satisfaction

By Rachael Reynolds-Soucie  
rachaelthepaper@gmail.com

If you Google Rumors Salon a dozen or more listings come up across the country. Perhaps there's a reason for it: They say if you want to know what's going on in town, ask a cop or a hairdresser.

Not so for Pam Nelson, 52, owner of Creative Clippings in Dwight. She's celebrating 30 years of one-on-one service, a place where gossip leaves at the door and personal, intimate relationships are born.

"It gets said a lot but I don't get a lot of gossip here," she said.

It's almost an anomaly these days. Salons keep getting larger and larger, trendier and trendier, with color, cut and style costing more than a day's work.

Nelson likes to think of her salon as more of a respite. No commotion, a single seat, attention that's all yours and none of the lip-smacking that turns some people off.

As any woman knows, a good stylist is hard to find. They can leave you bounding from the chair feeling fabulous, or driving home in tears from a shear-happy hairdresser.

Nelson has earned a steady clientele in her 30 years. She does color, cuts, styling, facial waxing and even perms (natural-looking, modern ones, not the kinky, springy Conair curls of the '80s).

She graduated from the Morris Academy of Hair Design after high school. She landed a job in a salon but soon found her way into her own space in downtown Dwight, where she rented a small corner of the Edward Jones building and was there for more than six years.

But as any business owner knows, overhead can be a killer. So she and her then-husband built a 3½-car garage which would house her salon right at home. Little did she know what a blessing it would become once

**PAM NELSON GIVES KAY SMITH, of Dwight, a new 'do at Creative Clippings, which is celebrating 30 years of business in Dwight.**

her kids were born. In fact, the day they poured the concrete was the day she brought home her youngest, Tod, now 24. It was May 10, 1994.

It's a small, intimate space of just 24x11 feet where she can really get to know her clients and their preferences. Over the years she's had more than 250 clients. Of course, some have come and gone, but she still sees 20 regular clients each week.

"It's just me. It's always been just me," she said. And her customers like it that way. "People like the small shops."

Being steps away from her workplace also allowed her to not only have a career, but be a

sort of stay-at-home mom, too. She was always there when Tod and Paige, now 28, got off the bus. She was able to help with homework and make home-cooked dinners.

She also got to be involved in Paige's extracurricular activities. She was the cool mom who fixed everyone's hair on her daughter's cheerleading squad before meets.

Today, she caters to those in her shop, has regular appointments to 'do up the pretties at Heritage Woods of Dwight, and has five ladies she sees weekly at Heritage Health.

Some clients want a total makeover, whereas others have

stuck with their personal style.

When she started her career in the '80s, it was big hair, bangs and Aqua Net in blue harlequin aerosol can. (Did we sacrifice style for the hole in the ozone?) Don't forget those feathers, crimps and tight curls. And do you remember scrunchies? Ask any teenager: They're back.

In the 90s, we had the Winona Ryder pixie, butterfly clips and the most copied style of the decade: The "Rachel" cut, named for Jennifer Aniston's character on the iconic television series "Friends."

## Gardner Fire District Referendums

### 2 Percent Property Tax Hike Would Give Firefighters a Raise

By Rachael Reynolds-Soucie  
rachaelthepaper@gmail.com

When voters in the Gardner Fire Protection District go to the polls on Nov. 6, they will have to decide if a property tax hike is worth giving their firefighters, paramedics and EMTs a raise, the first they've had since 2012.

Becky Pasternak, the assistant secretary for the Gardner Fire Protection District, said they are looking for a 2 percent increase between two referendums that will be on the ballot.

The first seeks to levy a special tax not to exceed 1 percent of the value of all taxable property within the district. The second seeks another 1 percent increase on the value of taxable property within the district.

Voters have the option approving one, both or neither of the referendums.

If both passed, they would create an additional \$50,447 a year for the fire protection district, according to figures Pasternak received from the Grundy County Assessor's Office. If only one passed, the district would be able to add about \$25,000 to their revenue.

The purpose of the referendums is to fund a \$2/hour pay raise for firefighters, paramedics and EMTs, equipment and property maintenance and to help pay down some outstanding loans on the department's fire engine, one of their ambulances and their 20-year-old building, Pasternak said.

The district's current tax revenue is \$213,111. Annual payroll is \$247,195; a portion of that comes from ambulance billing.

What does that mean to you if you live in the district?

**The additional cost on your tax bill will be:**

#### Market Value of Home

**\$100,000: \$5.55/month or \$66.60/year**  
**\$200,000: \$11.11/month or \$133.32/year**  
**\$300,000: \$16.74/month or \$200.88/year**

There are approximately 977 homes in the district, Pasternak said.

She explained that the referendums are important because the Gardner Fire Protection District can't provide competitive pay rates for the fire crew with current revenue. The department has both paid and volunteer employees. They also need a reserve in case of emergencies, such as when the building's heat exchanges went out last winter.

Treasurer Don Pfeifer said firefighter/EMTs are paid \$10 an hour; firefighter/paramedics \$15. Those are much lower than surrounding departments. He compared those rates to Wilmington, whose basic EMTs begin at \$18.27 an hour, and paramedics at \$20.86 an hour. Coal City and Braidwood pay \$13.50 for basic EMTs and \$17.50 for paramedics, he said.

Without a raise, the board worries they might lose firefighters and paramedics to other departments that pay more.

"It is extremely hard to get firefighters and paramedics right now," Pasternak said. She said there is a nationwide shortage at a time when 911 calls are up. She blames the cost and time of training when people have the option to go into other fields that pay more.

"We have some very good, extremely dedicated people," she said. "Being a firefighter/paramedic is a labor of love."

**Retirement Security Week -- Take Steps to Boost Your Retirement Security**

To raise awareness about the importance of saving for retirement, Congress has dedicated Oct. 21-27 as National Retirement Security Week. And the evidence shows that increasing this awareness is indeed important. Consider this: Some 50 percent of households are considered at risk of not having enough money to maintain their living standards in retirement, according to the National Retirement Risk Index, produced by the Center for Retirement Research at Boston College.

**What can you do to help yourself stay out of the “at risk” category?**

Here are a few suggestions:

**Define what retirement security means to you.** Everyone has different ideas about what a secure retirement looks like. You might feel that true security means being able to remain in your current home and live independently throughout your life. Or you might only feel secure if you know you can afford to travel or help your grown children or grandchildren financially. Once you've identified your own vision of retirement security, you should be able to determine the financial resources you'll need to reach your desired outcome.

**Create an appropriate financial strategy.** To achieve your idea of a secure retirement, you can't just hope for the best – you need to create a comprehensive financial strategy, accounting for your various sources of retirement income: Social Security, pensions, employer-sponsored retirement plans, your investment portfolio and so on. You need to know how much you can expect from these sources, and how you can strengthen them.

**Be diligent in your retirement savings.** You could spend two or three decades as a retiree, so you'll want to accumulate as many resources as you possibly can – and that means you'll need to save and invest diligently during your working years. Put in as much as you can afford to your 401(k) or other employer-sponsored retirement plan – and every time your salary goes up, try to increase your annual contributions. But you can also go beyond your employer-backed plan and contribute to an IRA. In all your retirement accounts, you'll want to include a reasonable percentage of growth-oriented investments, within the limits of your personal risk tolerance.

**Establish an appropriate withdrawal strategy.** Your retirement security isn't just based on how much you've built up before you retire – it also depends on how you manage your assets and investment income during retirement. As you begin to take out money from your 401(k), IRA and other investment accounts, you need to establish a withdrawal rate appropriate for your age, retirement lifestyle and asset level. If you take out too much each year, you risk outliving your resources, but if you withdraw too little, you might be shortchanging yourself on your quality of life. You may want to work with a financial professional, who can review your entire situation – income, expenses and so on – and recommend an appropriate annual withdrawal figure.

These aren't the only keys to attaining retirement security – but they can still help you move toward that goal. Keep them in mind as the years go by.

Mazon Man Involved  
in Crash in Allen Township

On October 9 at 11:12 a.m., LaSalle County Deputies investigated a two-vehicle accident at IL Route 170 and E. 28th Rd. (Allen Township).  
Edgar Sanchez-Gastelum, 44, of Channahon, was westbound on Rt. 170 and attempted to turn south onto E. 28th Rd., when a vehicle – driven by Jason Berger, 42, of Mazon – attempted to pass and struck the driver's side door.  
Both drivers were treated by Allen Township EMS. Berger was transported to Morris Hospital.  
No citations were issued.

Pink Light Bulbs, Breast Health Services Available at Livingston Co. Health Dept.

October is Breast Cancer Awareness Month and the Livingston County Health Department is again selling pink light bulbs.  
Everyone is encouraged to light their porches and/or windows pink during the month of October to serve as a reminder for all women to get breast exams and mammograms as recommended.  
All proceeds go towards the Livingston County Cancer Fund - helping Livingston County residents battling cancer.  
Is the cost of a mammogram or resulting diagnostic service a concern? The Illinois Breast & Cervical Cancer Program (IBCCP) is here to help. The IBCCP, administered in the county by the Livingston Co. Health Dept., assists women ages 35-64 who do not have insurance attain mammograms free of charge.  
For women ages 35-64 who do have health insurance, IBCCP offers assistance by covering their deductible if diagnostic services are needed.  
There are no income or health insurance deductible requirements.  
For assistance or more information, contact Tondra Harris, Livingston County's IBCCP coordinator, at 815-844-7174, ext. 236.  
Since there is no certain way to prevent breast cancer, early detection is the best defense. When cancer is found early and it's confined to the breast, the five year survival rate is over 95%. The best way to find breast cancer early is through regular screenings.  
The most common risk factors for breast cancer are being a woman and getting older. However, anyone can get breast cancer. One percent of breast cancers occur in men. Younger women can also develop breast cancer.  
In addition to getting breast exams and mammograms, paying attention and knowing how your breasts normally look and feel is important. If you notice any change in your breasts, see your health care provider immediately.  
For more information about purchasing pink light bulbs, or IBCCP benefits, call 815-844-7174.

Millions flocked to salons for Rachel’s crop with choppy layers from crown to end (including this reporter). It defined a generation.

Nelson has seen it all. And through it all it came back to one thing.

Horns To Continue As Trains Roll Through Odell

Acting Odell Mayor Brian Mills presided at the Village of Odell September 10 meeting in the Council Room.

Trustees present were: Brian Verdun, Lisa Lambert, Jamie Johnson, Mark Tissiere, and Brian Mills. Staff member, Iris Thorne; and Attorney Ed Legner and Nick Ehr Gott were also in attendance.

Minutes from the August 13 meeting were approved by roll call vote.

Iris Thorne presented the YTD Fund Summary and Treasurer’s Report supplied by Treasurer Jim Rebholz. This was for the month ending August 31, 2018:

- Odell Checking \$28,273.38
- Illinois Funds Gen Fund MM \$121,315.20
- Illinois Funds MFT Fund MM \$75,059.74
- Odell MFT Checking \$501.16
- Odell Tourism Checking \$41,256.03
- Odell Water Reserve \$106,977.29
- Odell General CD’s \$233,043.28

The Treasurer’s Report was approved by roll call vote.

Payment of bills was unanimously approved: All bills for the Village and all bills for Tourism, due in

September; plus late invoices from Bohm’s PST and Ditchwitch and all the calls between meeting bill list.

Sgt. Mitchell of the Livingston County Sheriff’s Department reported 24 calls during the month of August.

The Finance Committee reported that they are still in the process of updating the employment policy.

The Water and Sewer committee discussed various recommendations with the Board for the water debt rate, deciding to table it until a special meeting can be arranged with the Auditor, who was unable to attend the September 10 meeting. The audit was tabled until the special meeting.

Regarding a quiet zone without horns as trains come through Odell, Acting Mayor Mills advises against requesting a quiet zone. His recommendation stems from the fact there would be a liability issue on the Village if there were an accident. Also, the Village would be responsible for upgrades to crossings in the future.

Attorney Legner provided a Master Pole Attachment Agreement for the Board to review, then discuss at the October meeting. The Board also discussed the addendum from Republic Services, and does not want to take action at this time.

The Acting Mayor continues waiting for specs needed to put out bids for lift stations generators; has not received Lovell’s estimate on repair of the Village Hall sidewalk; and is still waiting for Eppel to drill holes for the pavilions on the trail.

Attorney Legner has prepared a Resolution in Support of the Designation of Route 66 as a National Historic Trail. Trustee Johnson moved to approve the Resolution; Trustee Tissiere seconded it; and the entire Board approved.

The Board entered Executive Session to discuss the Clearwell litigation; then a second session to discuss personnel issues.

At 8:37 p.m., it was moved to adjourn.

Dwight Will Repair Street Sweeper

By Madelyn Fogarty  
madelynfogarty@yahoo.com

The Dwight Village Board of Trustees met in regular session on Tuesday, October 9.

Alternative options to fixing the village’s street sweeper were presented and reviewed. Following \$6,000 spent earlier on street sweeper repairs, additional costly repairs have become necessary. Kevin McNamara, Village Administrator, and Steve Kinkade, Director of Public Works, were directed in September to find alternative options such as sweeper rental or outsourcing the work. The options offered were not cost effective. The board approved moving forward with the necessary repairs at a cost of \$13,960.

Chief of Police Tim Henson reported that Harvest Days was again very successful from a Police standpoint with very few issues occurring over the festival weekend. Chief Henson also reported that Officer Mark Scott has officially retired after 35 years of service. The Dwight Police have begun the process of reviewing applicants and hiring a new officer.

In public forum, residents in the area of 410 Philmar Street expressed displeasure with the location being used as a project stag-

ing area by D Construction and requested that the site be cleaned up now that street projects are completing.

In a separate matter, resident Joe Eggenberger addressed the board with complaints regarding street issues in the 200 block of E. Seminole Street. Several concerns were noted by Eggenberger including flooding of driveways and yards due to the street grade being higher than the sidewalk. Eggenberger requested that attention with regard to street repairs be directed to this area.

Jerry Curtis provided a brief recap of the Ordinance Committee which also met on October 9. Among items discussed by the committee included low speed vehicle crossing areas, a request by Unpossible Mead to change its liquor license status to include the sale of beer on tap; discussed home occupation permits; reviewed the satellite dish/antenna ordinance; discussed tap on fee verbiage and district boundaries verbiage. The Ordinance Committee will meet again on Monday, October 22 at 5:15 p.m.

Notification was received from ComEd of a planned deployment of smart LED street lights in Dwight. Within the next six weeks, ComEd will perform an assessment and inventory

of ComEd owned street lights in Dwight. After assessment, ComEd will notify the village prior to the start of Smart LED street light fixtures installation. ComEd also sent out tips to help protect customers from scammers. Key points to remember: ComEd Representatives never call customers to ask for cash or request the purchase of a prepaid credit card to make a bill payment. Never give your social security number or personal information to someone initiating contact with you claiming to be a utility representative or requesting you send money to any other person or entity other than your local utility provider. If you suspect a scam, hang up and call the police then your local utility (ComEd 1-800-EDISON1).

The board also approved:

- payment of bills totaling \$96,229.07.

Trustee Justin Eggenberger was absent from the October 9 session. Mayor Jared Anderson and all other trustees were in attendance.

The next meeting of the Dwight Village Board of Trustees will be at 6:30 p.m., Monday, October 22, in the Public Services Complex. Prior to this meeting, the Ordinance Committee will convene. Meetings are open to the public.

Heating Assistance Programs Available for Eligible Households

As the temperatures start to lower, thermostats tend to go up and some household budgets cannot keep up with the demands of using more natural gas to heat their homes.

Enrollment for the Low Income Home Energy Assistance Program is underway and will continue through May 31 or until funds are exhausted. The federal- and state-funded energy assistance program helps low- and fixed-income families meet their energy needs during the winter heating season.

Currently, households with low-income seniors (60 and older) and people with permanent disabilities can apply. Beginning Nov. 1, low-income households with children under six years of age or those with services already disconnected can apply. And beginning Dec. 1, program registration will be open to all households with income up to 150 percent of the federal poverty guideline, or about \$37,650 for a family of four. In Illinois, LIHEAP is administered by the Illinois Department Commerce and Economic Opportunity. For more information or to locate a local application agency, call 877-411-9276.

LIHEAP eligible households may also take advantage

of the Percentage of Income Payment Plan. PIPP households pay a percentage of their income toward their utility bill and receive a reduction in outstanding utility bills for every on-time payment made.

Other energy assistance programs are available to Nicor Gas customers:

- Nicor Gas Sharing Program
- Nicor Gas Budget Plan

- Nicor Gas’ energySMART program

For more energy-saving tips visit [nicorgasrates.com](http://nicorgasrates.com).

Every family deserves reliable energy at a price they can afford. For more information about each of these programs or help managing natural gas costs, visit [www.nicorgas.com/residential/energy-assistance](http://www.nicorgas.com/residential/energy-assistance).

One can never have too many. Voigts always seems to have one in progress, whether for a customer or just to keep his hands busy, standing over the loom weaving fabric in and out.

He works on a two harness loom, one of the simplest types, Voigts said. But the rugs he creates are far from simple. He can't create patterns -- any patterns comes from the print on the fabrics he's using -- but he can create beautiful stripes, he explained, holding up a patriotic red, white and blue rug.

The actual act of weaving goes pretty fast. He said he can make a rug in about an hour. Threading the loom is what's long and tedious, a task that can take up to eight hours.

There are 14 spurs on his loom. Each has to be turned 90 times to bundle the yarn he'll be using. He then has to thread the yarn through the tiny holes of thin, vertical bars called heddles, then precisely through a beater bar. This meticulous threading is what creates the lengthwise "warp" through which he'll weave long strips of fabric (called weft).

The strips of fabric Voigts uses come from all types of salvaged materials, from sheets, bedspreads, draperies, chenille blankets and even blue jeans. (People give him old jeans to use for rugs and they turn out beautiful.) Other people bring him new fabric they've bought.

He cuts the fabric into strips and sews long, long pieces together (the weft), which are then wound around a wooden "shuttle." He weaves the shuttle in between the warp thread, compresses a foot pedal and pulls the beater bar toward him, which pushes that piece of fabric securely into place.

Watching him, you can see how cathartic it would be, weaving the strips of fabric back and forth, back and forth, until about 20 rows are created. Then he might

A patriotic striped rug by Herb Voigts.

change fabric to create another stripe of color.

He typically makes rugs that are 27 inches wide and 35 to 40 inches long, but has done rugs as long as 18 feet -- that one for a woman who wanted a hallway runner. He has long had a booth at Dwight Harvest Days, this year selling all but 10 of the 40 he made.

But he's not into it for the money. Those 40 rugs took him all year to make. "I have no schedule. ... "It's just fun. ... If I had to make a living off of it I'd be on the street," he laughed.

The second loom needs some work before he starts using it again. Many of the heddles are bent and rusty, so he's going to replace some 400 of them, which looks like an impossible feat of precision, one only with 20/20 vision could accomplish. "You think you are going to be able to do that?" I asked. "We're going to find out," he laughed.

He hopes the looms will stay in the family. His daughter Cindy and son Daniel have shown an interest in the hobby, which pleases him.

"It's just something to give an old man something to do," he said.

# Making a Comeback from Pulmonary Disease

Unless she's out of town with her family, Patricia Enerson of Morris doesn't miss a day of her exercise program at the Diagnostic & Rehabilitative Center at Morris Hospital. She enjoys the workouts, and even more, appreciates the benefits.

When she was diagnosed with chronic obstructive pulmonary disease (COPD) five years ago, Enerson thought she might be facing a future

of inactivity, until her physician directed her to Morris Hospital's pulmonary rehabilitation. She began the program last February.

"I feel one hundred percent better since I've been here," she says. "I go every time. I don't miss it. I can walk farther, and I can keep up with everybody. I have a little granddaughter who's three, and one who's five, and I can keep up with them. I would not have been able

to do that without pulmonary rehab."

Enerson says several things had contributed to her lung problems. She was a long-time smoker, for one, and credits Dr. Dana Howd, an internist on the Morris Hospital medical staff, for helping her kick that habit.

She also said breathing paper dust for 30 years while working at a carton factory likely also contributed to her COPD.

As her condition progressed, Enerson went from being able to walk for hours along the river and I&M Canal tow path to having trouble making it from her car to her house. Even tying her shoes caused her to lose her breath.

"I just couldn't breathe," she says. "My lungs wouldn't give me the air that I needed."

It was frustrating and scary, until she found Morris Hospital's Pulmonary Rehabilitation. The program involves physical reconditioning using such equipment as the treadmill, walking track, recumbent stepper and elliptical, arm ergometer, stationary bike, weights, and bands and balance exercises designed to improve endurance and muscle strength.

PATRICIA ENERSON went through pulmonary rehabilitation at Morris Hospital and was able to attend her granddaughter's wedding in the Dominican Republic.

Pulmonary Rehabilitation also incorporates education, breathing strategies and techniques to help patients better carry out their daily lives.

"It's about building your lungs up," she says.

After completing the 12-week Phase II pulmonary rehab program, Enerson opted to continue with Phase III, an ongoing maintenance

program designed to keep her lungs functioning well.

Her breathing improved so much that over the summer, she was able to attend her granddaughter's wedding in the Dominican Republic and take a vacation to Florida with her son and his family. She's planning a trip out East to see the Chicago Bears play this season.

"I would never have made it without this program," she says. "This is the place to go. I don't know what it is about the program, but it works. If you put yourself into it, it works."

For more information, call Morris Hospital's Pulmonary Rehabilitation department at 815-705-7837.

## Morris Hospital Offers Screenings, Support Groups

In recognition of National Diabetes Awareness Month, Morris Hospital & Healthcare Centers is offering free diabetes screenings on November 2 from 6:30-8:30 a.m.

The finger-stick diabetes screenings will provide instant results that indicate whether a person has diabetes or pre-diabetes, meaning the blood sugar level is higher than normal but not

high enough to be classified as Type 2 diabetes.

Morris Hospital will offer screenings at Dwight Healthcare Center of Morris Hospital, 103 S. John St.

Appointments are not needed. For information, call Morris Hospital's Diabetes Education Center at 815-705-7367.

**ABOUT DIABETES**

Diabetes is a chronic condition that affects the way

the body metabolizes sugar.

According to the American Diabetes Association, in 2015, 30.3 million, or 9.4 percent of the American population had diabetes. Of those, 7.2 million were undiagnosed.

While there is no cure for diabetes, proper management of the condition can often help avoid serious health complications including heart disease, blindness, kidney failure, and lower-extremity amputations.

November 19 from 2-3 p.m. SPOHNC is a patient-directed, self-help organization dedicated to meeting the emotional, physical and humanistic needs of people with oral and head and neck cancer and their caregivers.

Both cancer support programs are free. To register or for more information, call 815-364-8915. Registration is not needed for the SPOHNC support group.

Those with heart failure can find support November 1 from 10-11 a.m. in the Family Birthing Suites classroom at Morris Hospital, 150 W. High Street, Morris.

Each support group meeting includes a 15-minute educational component followed by general discussions on ways to manage heart failure and share their experiences with others while gaining emotional support. Pat Cravens, RN, cardiovascular clinical educator at Morris Hospital, is the support group facilitator.

For more information, call 815-705-7832.

OBITUARIES

Donald W. Berglund

GARDNER – Donald W. Berglund, 88, of Gardner passed away peacefully Thursday, October 11, 2018 at the Joliet Area Community Hospice.

He was born July 17, 1930 in Chicago. His parents were George S. and Marguerite D. Beutlich Berglund. In his youth, Don, or “Bergy” as he was known, began his lifelong devotion to the Boy Scouts of America, becoming an Eagle Scout and was a member for 74 years.

He graduated from Gardner High School and went on to serve his country honorably in the United States Navy.

On August 18, 1951, he married Mary L. Kenney in St. Lawrence Catholic Church, South Wilmington. They raised their family in Gardner. Don worked as a timekeeper at Caterpillar until his retirement. He enjoyed leather crafting and attending Boy Scout events.

He is survived by his children: Patti (Fred) Pfaff, Donny (Cindy) Berglund and Michele (Bruce) Skroblus; six grandchildren: Karrie (Aaron) Bargo, Brian

(Trisha) Berglund, David Berglund, Matthew (Danielle) Watson, Alex (Kelsey) Watson, and Christian Berglund.

Seven great-grandchildren also survive: Austin, Derek and Brent Berglund, Kassidy and Cameron Bargo, and Reese and Cole Watson.

He was preceded in death by his parents; and his wife of 59 years, Mary, in 2010.

His funeral service was Tuesday, October 16, at the Ferrari Funeral Service Chapel at 10 a.m. with Rev. Bradley Schumaker officiating.

Military Honors and interment followed in Abraham Lincoln National Cemetery, Elwood.

A visitation was from 4 until 8 p.m., Monday, at the Ferrari Coal City Funeral Home.

Memorials in Don’s name may be directed to the Boy Scouts of America Rainbow Council; Joliet Area Community Hospice; or Grundy County Community Volunteer Hospice.

Family and friends may sign the online guestbook at [www.ferrarifuneral.com](http://www.ferrarifuneral.com)

Richard G. Scrogum

DWIGHT – Richard G. “Rick” Scrogum, 65, of Dwight passed away October, 2018 after a battle with a longterm illness.

Cremation rites were accorded and a memorial service will be held at a later date.

Rick was born January 22, 1953 in Joliet, son of Dale and Jennie Lloyd Scrogum.

He is survived by sisters: Carolyn (Richard Pilant) Binns of Lawrence, Kansas; and Diane (Dennis) Capps of Leetonia, Ohio; a brother, Wesley (Marsha) Scrogum of Kansas City, Kansas; and

several nieces, nephews and cousins.

He worked as a welder for Caterpillar until his retirement. He enjoyed Harley Davidson motorcycles and held membership with many enthusiasts’ clubs.

Memorials in Rick’s honor may be donated to a charity of the donor’s choice.

LETTERS TO THE EDITOR

Vote on November 6

Fifty-one and thirty, the ages my maternal and paternal grandmothers were finally allowed to vote.

Vote November 6. Be proud to wear the I Voted sticker.

Carole Smith Reddick

Make sure you vote in all Primary, General, and other local elections.

Vote ‘Yes’ on Livingston County Home Health Program

I am writing to ask the citizens of Livingston County to vote yes on the referendum to reinstate the community health care program provided by the county Public Health Department. The county board voted to end the program at the end of the current fiscal year.

This program was set up in 2008 as a pilot program to keep people at home and out of nursing homes, partially based on the passing of a non-binding resolution to continue county nursing home services.

The county board *did not* honor the results of this ballot resolution and the county nursing home was closed.

Rodney A. Patterson

For ten years, the program has been both effective in keeping people in more independent settings and in efficiently providing the services. The *average length of enrollment before the past four fiscal years is 22 months.*

With the aging population in the county, and the increasing number of families living in poverty, this is a critical program and one that contributes to an improved quality of life for Livingston County residents, enabling them to stay in their home where they support the local economy.

Rose E. ‘Betty’ Kelly

DWIGHT – Rose E. “Betty” Kelly, 90, of Dwight passed away Thursday, October 11, 2018 at Evenglow Lodge in Pontiac.

Betty was born in Emington November 4, 1927, daughter of William and Frances Morgan Larson. She married Joseph Kelly March 1, 1949 in Loretto. He survives in Dwight.

She is also survived by children: Janeen (Stan) Dietz of Piper City; Karen (Jerry) Grubbs and Ronda (Lance) Kray, both of Dwight; and Mike (Mary) Kelly of Geneseo.

Her grandchildren: Kimberly Dietz, Stacy (Josh Phares) Bradshaw, Joseph (Kristin) Dietz, Cathy (Chris) Burke, Jacob (Michelle) Grubbs, Daniel Grubbs, Ryan (Jacque) Kelly and Morgan Kelly, also survive.

Great-grandchildren: Isabelle Bradshaw; Brynner and Adalynn Dietz; Sienna, Skylar and Sadie Burke; nephew, Eddie Flowers, and many other nieces and nephews; brother-in-law, Leo Kelly; sisters-in-law, Delores Kelly and Kay Kelly; and sister- and brother-in-law, Lucille and Ed Masching, survive.

Betty was preceded in

death by her parents; brothers, William and Durwood Larson; and sister, Eleanore Flowers; and brother-in-law, Clare Kelly.

She was a homemaker and helped on the family farm for 44 years prior to retirement. She then enjoyed time with a special coffee group, card playing, and watching her grandchildren and great-grandchildren’s activities. She also enjoyed watching the Chicago Cubs games with Joe.

She was a member of the Emington Auxiliary, St. Patrick Catholic Church, St. Patrick Altar & Rosary Society, and the Livingston County Farm Bureau Women’s committee.

A Mass of Christian Burial was Tuesday, October 16, at 10:30 a.m. in St. Patrick Catholic Church, Dwight, celebrated by Father Chris Haake.

Burial: St. Paul’s Cemetery, Odell.

A visitation was Monday from 4 until 7 p.m. at Hager Memorial Home, Dwight.

Memorials may be made to a charity of the donor’s choice.

Online condolences may be made at: [hagermemorial.com](http://hagermemorial.com)

**A CD Player?**

This weekend I was riding around with my little brother in my old car and for whatever reason we ended up playing a CD that was in the car.

He usually doesn't use the CD player in the car anymore (does anybody?), and primarily plays music from his phone, whether it be from a streaming service like Spotify or music already downloaded from somewhere like iTunes. All kind of the same.

What was interesting to me is that the music on the CD was very close to the kind of thing I would put together on a playlist today on something like Spotify. The songs were all loosely connected, and kind of had a similar sound, but all different in their own way too, and there were about 20 or so songs on the album.

Aside from the fact that some of the songs brought back good memories, it's crazy that in less than a decade we went from consuming music through a CD and putting that in our car, and now the playlists.

Not that I'm really announcing anything that's revolutionary, it's often the medium that changes but the content itself doesn't change much. Music is being made more than ever, and it's easier than ever to listen to it.

This is kind of the same with other forms of content, too. TV is still consumed more than ever, but largely through Netflix and other streaming services, as cable viewership has dropped in recent years.

Everything evolves, but nothing ever goes away completely. That CD in the car is still the CD in the car but it's now a playlist, just how the TV shows now can be accessed from anywhere.

Keep making playlists. They are good for everyone, whether it be a CD, a Spotify playlist, or an actual tape, keep making them. It's good to share music, and it's good to share good content.

Go Bulls, Go Bears.

### Local WWII Soldiers’ Letters to the Editor in Coal City Oct. 23

The Grundy County Historical Society is delighted to have Gardner residents Ida Schopp, Linda Tyler and Pat Malinowski presenting “Local WWII Soldiers’ Letters to the Editor.”

The letters were written to Bert Parkinson at the Gardner Chronicle, by young servicemen 18-20-years old. Ida Schopp will also read a letter by Myrtle Treasure about early life as a

woman in the county.

The program is on Tuesday, October 23, at 7:00 p.m. at the Coal City Library, 85 N. Garfield St.

All visitors and members are welcome to attend. Reservations are not necessary, and there is no fee.

For questions call the Museum at 815-942-4880, Thursday-Saturday, 10 a.m. to 3:00 p.m.

### Livingston County Farm Bureau Hires New Manager

Chris Bunting, formerly of downstate, most recently served as the manager of the Hamilton and Jefferson County Farm Bureaus, a position he held for nearly 10 years. Prior to that he served as manager in Wabash County for more than five years.

“It is my privilege to become your Livingston County Farm Bureau manager. I grew up in rural Dwight and I’m especially glad I was able to come home.” Bunting said.

Bunting earned his Farm Bureau Certified Manager designation in 2010 and was

an active member in the communities he served.

“I hope to bring those experiences to Pontiac and the surrounding areas,” he said.

He said he looks forward to working with the Livingston County Farm Bureau members, the LCFB board and all the affiliated companies in order to continue the strong presence of the LCFB in the county.

He welcomes visitors to his office at any time: 901 W. Howard St., Pontiac. To reach him by phone call 815-842-1103.

## Graham Over 1,000 Yards on Season

Logan Graham has tallied over 1,000 yards during the Trojan 2018 football season. Graham passed the mark during the Dwight-Hoopeston showdown Friday night in Dwight. The Trojans of Dwight shut out Hoopeston 51-0. The Trojans head into the final week of the regular season with 5 wins and 3 losses on the season.

### DTHS TROJANS FOOTBALL

#### Friday, October 12 Dwight vs. Hoopeston Area Varsity -

The Trojans of Dwight shut out Hoopeston Area 51-0 in a varsity showdown October 12 in Dwight.

Logan Graham dismantled any and all defensive efforts made by Hoopeston, picking up 216 yards on 13 carries (16.6 yards/carry) and scoring three touchdowns. Randall Phillips would follow with 31 yards and a score on three touches, while Cal Schultz had two runs for 25 yards and a TD.

#44 ran for 18 yards. Carson Crouch had a 14-yard run, with Jordan Emmons and Will Bergstrom tallying seven and six yards on two carries, respectively.

The one and only pass attempt made by Dwight in the contest was a 16-yard TD pass from Colton Holm to Dakota Wahl in the first quarter. Wahl would also score on a pick-six in the second quarter, which gave the Trojans a comfy 36-0 lead going into halftime.

Dane Rodosky led

Dwight's "D" with six tackles, including three for a loss. Graham totalled 3.5 tackles, with one for a loss, while Schultz (1 interception), Tayler Bryant (1 TFL), and Wilton Jackman each had two tackles. Will Bergstrom, Wahl (2 interceptions), Jordan Emmons, #44, Jimmy Harkenrider (1 TFL), Andrew Kapper, and Abe Rieke each had one tackle. Xaivier Slaughter assisted on a tackle.

The Trojans are now 5-3 on the season.

DTHS SENIORS, #3 Cal Schultz, above, and #23 Dakota Wahl helped shut out Hoopeston October 12 in Dwight. Dwight faces Paxton-Buckley-Loda on the road Friday, October 19.

### SENECA FIGHTING IRISH FOOTBALL

#### Friday, October 12 Seneca vs. Momence Varsity -

The Seneca Irish were victorious over Momence 55-20 on October 12.

To get things started, Logan Bruss ran it in from 25 yards out in the first quarter to put the Irish up six.

Momence would answer with six of their own, but Bruss would find the end zone once again before the end of the first, rushing for a 63-yard TD. Brody Baudino would take it in for two to give Seneca a 14-6 lead heading into the second quarter.

Kenneth Sangston would put up six on a six-yard touchdown run in the second. Momence would return moments later to cut the lead

to 20-14. However, with the clock winding down in the first half, Baudino would score on a three-yard run to put the Irish up 28-14 at the half.

Just minutes into the third quarter, Bruss scored yet another TD – this one a one-yard run – that Sangston would follow with a successful two-point conversion, giving Seneca a 36-14 cushion.

The Irish would score three more times in the fourth frame, on a six-yard run from Myles Mitchell, a two-yard rush by Sangston, and a one-yard run by Cody Casey – more than putting the game out of reach.

Seneca is now 4-4 overall and 3-3 in the conference.

### DTHS LADY TROJANS GOLF

**Monday, October 8  
Dwight at Sectionals**

The Dwight girls golf team competed in sectionals October 8 at the Elks Golf Club, but did not advance anyone to state.

Low score for the Lady Trojans was Isabelle Schultz with 112. Other scores included Kelly Deterding – 116, Chloe Butterbrodt – 123, Miranda Holte – 129, Kat Harms – 130, and Gabby Mascolo – 133.

Andrew Curl

### Curl Completes Season at Sectionals

Dwight golf standout, Andrew Curl, competed in the Class 1A Sectional October 8 – completing his season with a round of 89 at Danville Country Club.

A round of 81 was needed to advance to the State Finals.

### GSW PANTHERS CROSS COUNTRY

#### Monday, October 8 GSW at Amboy Columbus Day Invitational

The GSW Panther cross country team competed in the Amboy Columbus Day Invitational October 8 at the Shady Oaks Golf Course – a meet that is one of the strongest Class A invitationals during the season, with many of the best teams and individuals participating.

“Our team challenged themselves against this competition and the hilly course,” stated Coach Lane, “and did a fine job.”

Individual results are as follows:

Shawn Romanetto – 19:31, 88th; Alexis Brooke – 21:57, 59th; Rylie Bond – 23:39, 101st; Bryce Lucas – 19:05, 97th; Jack James – 20:57, 152nd.

There were over 200 finishers in each of the varsity races.

**GSW at Patriot Invitational**

The Panthers finished

their regular season races with Peoria Heights’ Patriot Invitational at Detweiller Park – which is the site of the state cross country meet.

The girl’s varsity race had 247 finishers, while the boy’s race saw 332 cross the finish line.

The starting box for GSW was number 61, which meant a huge field of runners.

“The best part of our races was how smart the runners competed,” said Coach Lane, “as all of them passed a great many competitors in the second half of the race.”

Smart race strategy by the Panthers led to two personal bests and two other runners nearly equaling their all-time best.

Individual times are as follows:

Alexis Brooke – 20:23, 56th; Rylie Bond – 20:56, 70th; J.C. Santos – 17:52, 129th; Jack James – 19:04, 205th; Carter Butterbrodt – 21:04, 287th; Shawn Romanetto – 23:12, 313th.

Dwight closed out the Livingston County Tournament by winning the consolation championship over Odell, 23-19.

Evenly distributed scoring helped the Lady Redbirds secure the win, with Maya Green and Kira Bean each scoring seven points. Mikalah Bregin added six, while Iris Beier had two points. Sophie Anderson made a free throw.

Dwight is now 6-6 overall.

## Dwight Grade School October 10 BOE Actions

*More Security Cameras Added / Cooling Solutions Under Review*

by Madelyn Fogarty  
madelynfogarty@yahoo.com

The Dwight Grade School Board of Education approved the addition of eight video surveillance cameras, plus the repositioning of three current cameras, to improve the security camera coverage area. Velocita Technology, Joliet, will provide the new cameras and installation at a cost of \$14,011.00.

In other business at the October 10 BOE meeting, a status update on the potential air conditioning project was given with Superintendent Dr. Richard Jancek noting that he is working with an architect and that electrical blueprints have been sent. Three options are being investigated with the costs ranging from an estimated \$1.8 to \$2 million for a building wide all air system; \$200,000 for individual air units in each classroom; and an estimated \$500,000 for a VFR cooling system. Jancek will continue to work with the architect to investigate various cooling solutions to

present to the board. The board approved entering into a Cooperative Wrestling agreement with Saunemin Grade School. Last month, Assistant Principal / Athletic Director Julie Schultz shared wrestling program numbers and concerns stating that the program is “kind of at an impasse right now.” Current wrestling signup numbers are at seven, including two wrestlers from Saunemin. Wrestling co-op interest with Odell and GSW was investigated with no interest shown by either district. With low numbers and the program still in need of a coach, the wrestling program is tentatively moving forward.

“If we don’t have it [wrestling] here, it will die at the high school as well,” Schultz told the board last month. “So we are looking at all avenues we can to keep it going.”

As Dwight Schools prepare to begin negotiations with the Village of Dwight regarding the School Resource Officer Contract,

the BOE will begin discussions around the roles and responsibilities of the SRO and the day-to-day business of the School Resource Officer. The school is currently in year three of a three-year contract with the Village regarding the SRO.

Dr. Jancek also reported that the State of Illinois currently owes the District \$12,897.66 in financial reimbursements for the 2018 – 19 school year.

The BOE also:

- approved investment strategies, as presented, with Bank of Pontiac, Dwight Branch.
- affirmed the 2018 EIS Administrator and Teacher Salary and Benefits Report as presented.
- reviewed board policy update recommendations (first reading).

The next meeting of the Dwight Grade School Board of Education will be 6 p.m. on Wednesday, November 14, in the DGS Library. Meetings are open to the public.

The Travelers will be on the road again in November for a trip to Branson for a Christmas show. Plans are underway for the 2019 multi-day trips.

## Monday Night Reading Circle Meets

The first meeting of the Monday Night Reading Circle's program year was held on October 8 at the Presbyterian Church in Piper City.

Fifteen members arrived by 6:30 p.m. and were welcomed by President Janet Livengood to the church dining room with tables beautifully decorated for fall. Celia Bork led the members in the Doxology before all enjoyed a supper prepared by the hostess committee of Celia Bork, Valerie Haberkorn, and Janet Livengood. The menu consisted of tossed salad, lasagna, and garlic bread,

with bite-sized éclairs and cream puffs for dessert.

Following supper, Janet opened the meeting by asking the members to answer the roll call, "When did you first come to Piper City to live? How old were you?" They found out that five members are natives, two came as new brides, and several because either they or their spouses had jobs in the area.

The minutes of the May 14 meeting were approved as read. Donations from the Library Benefit Coffee Hour held on Memorial Day and chaired by Barbara Froelich

netted \$300 for the Piper City Public Library. The Circle donated a book, "Under Lincoln's Hat," to the library in memory of Roberta Sterrenberg.

Celia Bork introduced the program theme of Piper Power – Strength in Community for 2018-2019. The committee picked this topic to focus on the strengths of our community such as agriculture, banks, churches, library, etc. After discussion and visiting, the members adjourned to their homes, anticipating another exciting year of fellowship and interesting programs.

## October 8 Gardner Village Board Briefs

The Gardner Village Board met in regular session October 8 with a discussion of the donation of the northwest corner of Route 129 and Main Rd.

Commissioner Dick Hileman reported the cost to the village to date is \$1,500 in appraisal, \$77 for the quit claim deed, title insurance for \$717, and the property is now being surveyed at an estimated cost under \$1,000 – compared to a budget of \$6,000.

Hileman also reported Tom Jacobs, who has assisted the village with the TIF property, will be retiring and commented on the improvements made on the intersection as a whole over the last several months.

Hileman next noted the village owns the sidewalk from the former Huston Hardware west to the

Jefferson Street intersection and the village should address the items being placed on village-owned sidewalk areas in the interest of public safety.

Hileman also expressed concerns related to the amount of material currently in the flea market storefront and suggested having the building or fire inspector review the safety of the business.

Commissioner James Riley reported a letter was delivered to Dollar General to trim the bushes in front of the store and the work was completed. Commissioner Rob Wolf reported the property owner housing the landscape business on the northeast corner of Campus Rd. and Route 53 is interested in connecting to the storm sewer to alleviate flooding on his property. There is

uncertainty regarding the zoning between residential and commercial, and also related to right-of-way between the village and the state.

Village Engineer Casey McCollom reported the water project is nearing completion – IDOT is processing the permit for crossing Route 53. The mains should be chlorinated as of press time, allowing service to begin on the new lines. The easement along Odell Street is also moving forward to allow passage through two parcels. All holes are expected to be closed in time for Halloween.

All town cleanup garbage pick-up is set for November 12. Residents should contact the village with questions regarding what materials are eligible for pick-up.

# STEMM Dwight’s First ‘STEMM Talk’ a Success

STEMM Dwight hosted their first “STEMM Talk: Fun with Physics & Chemistry” on September 17. DTHS Science teacher Bud Schultz was the presenter for the talk.

Students and adults participated in experiments that explored the principles of physics and chemistry. Attendees learned how water and vacuum affect space and movement, made non-newtonian fluid, and learned how propulsion worked with match-rockets.

STEMM Dwight’s next “STEMM Talk: STEMM Careers in the FBI” will be Monday, October 22, at 6:00 p.m. at Prairie Creek Library, upstairs. Presenting will be Agent Brad Ware of the FBI Field Office in Springfield.

“STEMM professionals at the FBI have opportunities to work with advanced technologies to address unique investigative and intelligence challenges not found in the private sector. Their skills are transferable across numerous job paths, and STEMM professionals

work across the entire FBI in our field offices and at FBI headquarters locations.”

This STEMM Talk would be appropriate for junior

high students through adult community members.

For more information or to RSVP, text or call 815-545-2106.

DTHS SCIENCE TEACHER Bud Schultz presented the first STEMM Talk in Dwight “Fun with Physics & Chemistry.” Students and adults participated.

# New Books at Cullom Library

The following books are now available for check-out at Cullom Beckman Memorial Library:

Dune Road and Second Chance, both by Jane Green; Endless Summer by Nora Roberts; The Lost City of the Monkey God by Douglas Preston; Murder Games #4 by James Patterson, Killman Creek #2 in Stillhouse Series by Rachel Caine; All the Ugly & Wonderful Things by Bryn Greenwood; Lilac Girls by Martha Hall Kelly.

# Illinois Bi-Centennial Photo Contest Underway

Limestone Township Library District invites the community to enter their photos of Illinois to celebrate Illinois' Bi-Centennial Celebration.

This contest is open to all Kankakee County community members ten-years old and up. Every entrant can submit two pictures that have been taken in the state of Illinois. All submissions will be displayed in the library meeting room for the month of November and will be voted on by library patrons and visitors with the winner being announced on December 3 – Illinois’ 200th birthday.

Pick up the information sheet about the contest and entry form at the circulation desk. Entries are due by October 30.

Call the library at 815-939-1696 for more information.

# Turkey Supper in Cullom November 3

OBITUARY

Jack Troy Hatfield, Sr.

DWIGHT – Jack Troy Hatfield, Sr., 72, of Dwight was called home on Friday, October 12, 2018. Surrounded by family, he passed in peace and serenity in the Joliet Hospice Home.

Born February 9, 1946 in Gilbert, West Virginia, he was the son of Troy and Lillian Elkins Hatfield.

Those left to carry on his memories are his loving wife of 52 years, Patricia Hatfield of Dwight; his children: Jennifer (Randy) Shepherd of Odell; Jack (Lisa) Hatfield of Dwight; Joanna (Billy) Hatfield of Saunemin; and Bret (Schuyler) Hatfield of Dwight.

His grandchildren: Charrissa (John) Hensel, Collin (Casey) Tindle, Emmy Shepherd, Curtis George, Becky, Logan and Maddie Hatfield; Chance, Keaton, Autumn and Jaedyn Casares; Katie, J.T., Sophia, Joshua, and Mary Ashfield; Mackenzie and Grayson Hatfield; and soon to arrive, Wyatt Hatfield, also survive.

His great-grandchildren: E.J. Hensel, Xeriah Tindle, and Zayden Binns; his brothers: Rick (Doris) Hatfield, David (Ann) Hatfield of Georgia; Nathan (Donna)

Hatfield of Gilbert; his sisters: Betty Hatfield, Lois Hatfield, Regina Dean, Janella Browning Trent, Vicky Carroll Colangelo, Beverly Hatfield Trent, and Becky Hatfield also survive.

A special friend, Danny Adkins, and a host of dear relatives and friends are left behind.

In addition to his parents, he was preceded in death by his sisters: Janice Carter and Opal Dodgins; his brothers: Ross, Harry and Rayburn Hatfield.

Jack enjoyed playing guitar, creating wood projects, watching wrestling, and spending time with his wife, children, grandkids, and great-grandchildren. He was a wonderful husband, father, grandfather, great-grandfather, and friend.

Private family services were held Tuesday, October 16, to celebrate the life of a man so dearly loved.

Following Jack's wishes, friends will gather at a separate memorial at a date to be determined.

Jack will return home for final rest and peace once again in summer of 2019.

Rt. 66 Road Ahead Partnership  
2018 3rd Quarter Update Report

2018 seems to have sped by.

And now with the third quarter ended, we are headed into the home stretch of what has been a good and busy year for Rt. 66.

- The Congressional bills to designate Rt. 66 a National Historic Trail [HR801] and to establish a national Rt. 66 100th Anniversary Commission [HR66] continue to progress.
- The cross-country caravan designed to educate folks about the National Historic Trail initiative was a great success, producing – to date – over 60,000 signatures on the petition to support HR801.
- Work continues on the development of a GPS-based Rt. 66 navigation app, with completion slated for next spring.
- The second annual Route 66 European Festival pro-

vided an opportunity to test our “International Rt. 66 Traveler’s Survey”.

- Members of our Vintage Motel Task Force will meet in mid-October to work on their goals.
- A new “Rt. 66 Green Book Task Force” has been established to focus attention on the African-American experience on Rt. 66. All that, and more, is noted in the Update Report that follows.

This 2018 Third Quarter Update Report presents details regarding the status of goals being pursued by our several Working Groups, along with updates from our organization’s Financial Sustainment Task Force, our Advisory Groups, the Rt. 66 Vintage Motel Task Force, the Rt. 66 Green Book Task Force, and our National Historic Trail Task Force.

We believe it is important to let everyone know what

the Road Ahead is doing. As you read this report, we hope you gain a better sense of what the Rt. 66 Road Ahead Partnership is and what we are working to achieve.

We welcome and encourage feedback and questions regarding the Rt. 66 Road Ahead Partnership in general, and this 2018 Third Quarter Update Report in particular. Feel free to forward your thoughts, questions, ideas, and suggestions to: [rt66theroadahead@gmail.com](mailto:rt66theroadahead@gmail.com).

Finally, as you read this 2018 Third Quarter Update Report, we hope you are motivated to be even more involved in the work that awaits us on the road ahead.

Onward and upward...

Bill Thomas, Chairman  
Rt. 66 Road Ahead Partnership

Livingston County Master Gardeners  
Receive State Awards

University of Illinois Extension has congratulated the Livingston County Master Gardeners on receiving state awards at the Illinois Master Gardener Conference in Springfield this fall.

Diana McGuckin was recognized as a 2018 Outstanding Master Gardener in Illinois.

Since becoming a Master Gardener in 2014, Diana has been very active in the program. She has also been a key leader in youth horticulture initiatives of the group.

Connie Kostelc received the Sustained Excellence Award, which was established to honor Illinois Master Gardeners who have previously received the Outstanding Award. Connie, a Master Gardener since 1998, has been involved in every Master Gardener project and committee throughout her tenure, including

Jones House and the Extension Office Pollinator Garden.

The Livingston County Master Gardener Youth Enrichment Lesson Committee received the Master Gardener Teamwork award, which was established to honor projects which have made a difference in the community or Extension unit. The group of Master Gardeners had to show a focused team approach to a project, innovation and improving an existing project to serve their community better.

Livingston County Master Gardeners part of this team were Dawn Baker, Phil Baker, Linda Corban, Betty Dray, Jean Dunning, Carol Gardner, Cindy Kinate, Sandy Knight, Connie Kostelc, RaeJean Kuntz, Diana McGuckin, Cathy Montgomery, Jan

Nussbaum, Jane Roeschley, Paula Trainor-Rosenbaum, Mary Schneider, Joan Smeltzer, and Vic Weichmann.

Master Gardeners have developed horticulture lessons that are offered to second and fifth grade classes in Livingston County. Lessons include insects, pollination, web of life, and seeds/germination. In the five years that the program has been offered, Master Gardeners have taught lessons at every elementary school in Livingston County. Over 1,900 students in Livingston Co. have been impacted by this program.

Governor Signs Proclamation  
Announcing October 8-14, 2018  
as IAHCE week in Illinois

Across Illinois, October 8-14, 2018 marked Illinois Association Home and Community Week. Governor Rauner issued a proclamation in recognition of this important observance in commemoration of IAHCE members for their dedication and commitment to the welfare of local communities throughout our state.

Since 1924, members of the Illinois Association for Home and Community Education (IAHCE) have been promoting social and economic well-being in Illinois homes and neighborhoods. Originally known as the Home Bureau Federation for farm wives, over the years the organization has continuously

evolved to meet changing times and needs. Today the IAHCE is an education and community service organization comprised of over 6,200 men and women from 74 associations in 102 counties. The mission of IAHCE is to enhance the lives of individuals and families through quality education programs and experiences encouraging responsible leadership and service to the community.

"It is awesome to see how far-reaching the education and service projects extend," said IAHCE President Jane Chapman. "The members are making a big impact in their communities and internationally. Through all the changes these ladies have seen in life, the one thing

that stays the same is the need to serve and show compassion to others. They have stepped up and done this faithfully," she continued.

IAHCE members volunteer their skills and energy to many different community service projects for persons of all walks of life that include sending our troops care packages, making blankets for children in crisis situations and hospitals, and recycling. Educational programs ranging from nutrition to finance are shared throughout the world. Working together these IAHCE members across the Land of Lincoln volunteered more than 607,000 hours of their time to service projects all year.
