

Mr. Scheuer

## AD Report

October 2025

---

**Football** - Currently sitting at 3-3 with 3 games to go. Will get the win over Walther Christian but our last two games vs Warrensburg and Oregon are not cake walks. Watching film on them, they are beatable but will be two hard fought games. The JV team will play an 8 man game week 9 vs Flanagan.

**Golf** - Dwight once again hosted both boys and girls Golf Regionals at DCC. Big thank you to Joe and Jim Myers for acting as our starters for both days. Our girls missed the cut as a team by just a couple strokes. We did have 2 girls get out of the Regional. Brooklyn Trainor and Bella Dinelli. Bella finished in the top 10 at sectionals and is competing in the state tournament on 10/10 and 10/11. The boys team had no qualifiers from the regional. Last year the cutoff line was 94 and this year we had 5 boys shoot 90 or under and none made the cut. It was a tough boys regional for sure.

**Cross Country** - The cross country team is competing well. We have a freshman from Gardner who is running very well. (Chloe Biros) Joe Faris and Mikayla Chambers are both running well and will make some moves in the sectional

**Volleyball** - We have a very tough team this year. The coaches are excited and are hoping we can put it all together in both the TCC and the Regional Tournaments. We got the 3 seed in our Sectional so that makes us the 2 seed in our regional. We are hosting the Regional in Dwight this year.
