GOOD NEWS & THANK YOUS

- ♦ GOOD NEWS—The Redbird Teacher of the Month is Lindsey Muzzarelli!
- ♦ GOOD NEWS—216 students earned AWESOME ATTENDANCE rewards for the 1st Quarter. Students could miss 1 day or less to receive a Redbird Awesome Attendance cup.
- ♦ GOOD NEWS—89% of our families participated in Parent/Teacher Conferences!
- ♦ THANK YOU—to Comfort Cookin' for donating \$396 of their profit to our Student Council. We love having them here for teachers and families during parent/teacher conferences.

ALICE Safety Scenarios

Officer Gary Beier and SRO Julia Santiago helped facilitate ALICE safety scenarios in small groups with teachers during our October faculty meeting. They will be back again in February to simulate possible building threats and work together to problem-solve what response and/or action steps should be taken in different situations.

Veterans Day Assembly—Monday, November 11th

Our third annual Veterans Day assembly will be held on Tuesday, November 11th at 9:45A. We have invited all Veterans in our community to attend. Student Council members will be reading during the presentation. Veterans will visit Kindergarten through 2nd grade classrooms and be honored by students. The assembly will be held for 3rd through 8th grade students.

We are happy to have Mrs. Samantha Beier, 4th grade teacher and last year's recipient of the VFW Teacher of the Year, as our guest speaker. We are once again promoting Ms. Aldrich's Shoebox Float parade idea as another way to honor and celebrate our Veterans in a visual way.

Professional Learning Opportunities for Teachers & Staff

Reveal Math Webinar—K through 5th teachers were provided an optional Reveal Math curriculum webinar on November 4th from 3:30-5:30P. 12 teachers took advantage of this opportunity to learn more about the new math curriculum and how best to use it.

Special Education Roundtable—Laura Reamer is leading a special education roundtable for all teachers on the first Wednesday of each month. This is an optional opportunity for teachers to brainstorm and learn from each other. 15 teachers attended the first meeting on Wednesday, November 5th.
